Ten Foot Gift Of Land Draws Opposition From Markham Twp. Council

Holding their first meeting for 1950 with Reeve Win, Timbers — sole survivor of the 1949 council — in the chair, members of Markham Township Council discussed briefly the report of the Toronto Civic Advisory Committee which recommended among other things the inclusion of the township, together with Vaughan Township and the village of Richmond Hill in the Greater Metropolitan Area of Toronto.

Detailed discussion was postponed until members had had a further opportunity of discussing the report in detail.

The matter of public relations came in for a considerable amount of discussion. Councillors W. L. Clark, A. E. James and others expressing the opinion that the deliberations of council should be given the greatest possible publicity. Arrangements were made for the dates of council and township planning meetings to be advertised in local papers.

A general resume of township affairs was given for the benefit of new councillors. A deputation consisting of Messrs. E. W. Stiver and W. Bartlett stated that a piece of land for the extension of the Lutheran cemetery north of Unionville was being purchased and asked if the ruling that ten feet of land for the possible widening of the road was to be adhered to. This, they pointed out, would result in a very irregularly shaped property coming into being as the present cemetery extends to the road line. Members of council were outspoken in condemning the requirement and Councillor Clark expressed his determination to back other members of the council in having this rectified.

At present, under a by-law passed in 1946, when land is sold for sub-division, ten feet of frontage must be deeded to the township for road widening as and when required. After receiving information on the subject from Township Clerk Chas. Hoover the council laid the matter over for discussion at later date.

Humour And Heroism Recalled As Local RCAF Veterans Meet

Membership in the Richmond Hill District Wing of the Royal Canadian Air Force Association is steadily growing, judging from the attendance at the second meeting held during December.

Gregory Clark, of Star Weekly and Montreal Standard fame, was the guest speaker and told of his experiences as a war correspondent in the last war. Greg, a veteran and a winner of the Military Cross in the 1914-18 "do," spent some considerable time with the RCAF as a war correspondent in the second world war. He recounted his adventures and experiences while attached to No. 39 "Recco" (reconnaissance) Wing in Normandy. He had the local wing laughing loudly as he recounted some of the amusing experiences which he saw and in which he took part. He had them listening attentively as he told of the more serious aspects of his job, particularly when he told of what he felt was the bravest deed he had seen performed in either war. It was the story of a squadron leader, whose bomb-laden Typhoon, on the way to bomb a concentration of Nazi armor, let him down. With engines dead, he was forced to make an emergency landing, but could not land in the immediate vicinity because of the concentration of allied troops in the fields below, he was unable to reach base or his target and had only one alternative — to land on an airfield recently vacated by the enemy and known to be heavily mined. To land was inviting death, but the pilot chose this possibility rather than landing on friendly troops with the chance of his two 1,000 pounders destroying his comrades. So land he did, with his wheels up, because with a belly landing he was less likely to run any great distance along

Junior Farmers To Have Choir In York County

The Directors of the York County Junior Farmers' Association have decided to sponsor a Junior Farmer Choir as a project for the winter months and have been fortunate in securing the services of an accomplished choir leader as director.

In order to get a good start in the New Year the first practice has been called for Wednesday, January 11, at 8.15 p.m. sharp in the auditorium of the Aurora High School. Final arrangements as to the regular time and place for weekly practices will be worked out to suit the group at this meeting.

It is emphasized that no special training is necessary as the purpose of the project is to give instruction. Junior Farmers from all clubs in the county are encouraged to attend and take

World's Leading "Deb" Brings Colour To England's Cheerless National Scene

Princess Margaret Rose is the liveliest person the British royal family has produced on the female side for several centuries, if not for all time, Robert Coughlan says in January Reader's Digest. The lighter side of Elizabeth's younger sister is described in an article condensed from Life.

Margaret has become England's Joint National Debutante, the author says, supplying "romance, color and girlish freshness to the drab national scene." If she adds a touch of impudence and spice, too, so much more for the taxpayers' money. The royal family has always been a vicarious outlet for British working masses, so it is not surprising that Margaret's liveliness has become a public issue. While she has some detractors, the masses are one hundred percent for her.

Ladies Auxiliary Of Veterans Assn. Welcomes Children

The annual children's Christmas party sponsored by the Women's Auxiliary of Veterans was held in the Municipal Hall on Wednesday, December 28. Every little girl received a beautiful doll from Santa in person. The little boys were given a suitable gift and also the older children. Each child received a bag of candy, nuts and fruit. Games and music were enjoyed by all. A lunch was served by the ladies who would like to express thanks to H. J. Mills Ltd. for the generous gift of roses, also thanks to J. A. Greene for his annual gift of money.

Richmond Hill Women's Institute

This year the annual birthday party of the Women's Institute will take the form of a Pot-luck Luncheon, followed by Court Whist. The date is Thursday, January 12. The time is 1 p.m. The place is the meeting room in the Municipal Building. You bring along your own plate, cutlery and a serviette; also a dish of your own choice for the luncheon. Thus arises the name Pot-luck. We will not know what we will have to eat until everybody arrives. Owing to lack of space, this meeting must be limited to members only.
