 Are You Fat?
 The British Medical Journal says that a man 90 pounds overweight is twice as likely to die in the next year as one of normal weight. Controlled diet under supervision of a physician is the best way to reduce. Obesity — the state of being overweight — is dangerous to health. However, improper dieting to lose weight can be dangerous. So, if you want to reduce consult a physician — because self-imposed diets often weaken the body without getting rid of much weight. CARL E. Thornlea News

Mrs. J. Gribble Correspondent: Telephone Thornhill 36R31

The last annual meeting of S. S. No. 1 Markham ratepayers, prior to the school area board taking over, was held in Thornlea school, on Wednesday, December 27, 1950.

Mr. Geo. Jackson was elected to the chair and Mrs. C. N. Gage as secretary. The minutes of the annual meeting of 1949 and two special meetings early in 1950 were read and adopted.

The treasurer's report showed a substantial balance with which to start the new year.

Discussion cleared up many questions regarding school area and school financing under the area.

Mr. L. Hutchison answered many of these questions in his report in which he said that all of the trustees of the schools which were joining the area, made tours to each school and first hand knowledge of the works in other schools was acquired. Mr. Hutchison said that much had been done in the way of improvements to classrooms inside and out by repair work and painting.

Mr. C. N. Gage, in his report added fire extinguishers had been installed and fire drill was being carried out regularly.

Mr. and Mrs. Leonard W. Wood of Johnson St. entertained Sunday afternoon before Christmas in honour of Mrs. Wood's aunt, Mrs. A. C. Jewell of Pasco, Washington.

The guests were Mr. and Mrs. Wm. Mumford, Miss Mary Mumford, Mr. and Mrs. W. V. S. Mumford, Mr. and Mrs. J. H. L. Sarge and Mr. W. Roland Kent, all of Toronto.

Congratulations to Mr. and Mrs. George Jackson of Bayview on the arrival of another son Thursday at the General Hospital, Toronto.

On New Year's Day dinner guests at the home of Mr. and Mrs. Leonard W. Wood, were Mr. and Mrs. Stanley Kent and Miss Barbara Kent of Ajax, and Mr. W. Roland Kent of Toronto.

Challenges Boy Scouts "Plan Achievement", a personal challenge to each of Canada's 115,000 Boy Scouts to make real progress in Scouting in the next three years, was officially launched across Canada on January 2 by Jackson Dodds, C.B.E. Deputy Chief for Canada.

More Doing Less — Better Lord Rowallan Empire Chief Scout, stressing the need for increased support of the Boy Scout Movement, said: "We want more people doing less — better."

In Ottawa they have taken the Chief Scout seriously. Since September, 1950, some 65 adults have voluntarily joined the movement as leaders, bringing the Ottawa Scout leadership total up to more than 250.

Operation "Spruce Gum" Operation "Spruce Gum" was the term applied by Montreal Boy Scouts and leaders to a Christmas good turn. They helped the Montreal School for the Blind sell some 30,000 Christmas trees by acting

as tree stackers, selectors and by making hot cocoa for the chilled workers at the tree sales stands.
