Sports

Went to see the Richmond Hill entry in the O.M.H.A. Juvenile Group C, play Unionville's very strong Group A aggregate last Friday. Particular interest was our three Langstaff boys, Morty Charles, Tommy White and Don Watt, who all put up a great show against heavy odds. Don scored both of the Hill's goals. When the team plays locally, or not too far away how about getting out, supporting the lads, and having a good evening's entertainment. This paper is printing the schedule elsewhere.

Langstaff Athletic Association with a lot of help from its female supporters, will hold a euchre next Wednesday, January 24, at the home of Mrs. J. W. Little on Garden Avenue, 8 p.m. sharp. Let's see lots of you there.

School News Langstaff's Pee-Wee Boys' team got the Inter-School Hockey League started on Monday, January 15, in a very good game with Richvale played on the Thornhill Park rink. Both teams played well, Richvale being the winner by a score of 3 to 2.

Langstaff School has a team entered in the four sections of the league, that is, Pee-Wee, Junior Boys, Senior Boys, and something entirely new this year, a girl's team. Mrs. V. Riches will be coaching the Pee-Wees, Miss E. Kent, the Girls' team and Mr. D. Smith, the principal will probably look after the Junior and Senior Boys.

The youngsters are so enthusiastic about hockey that they have been practicing mornings between 7.30 and 8 o'clock at Thornhill. Last Friday morning the four teams, 60 players in all, practiced on the artificial ice at Unionville. The rent of the rink was met partly by the children themselves and partly from the funds raised by their Christmas card sales. The school does not have a rink this season but practice at shooting on goal is had on the shooting range which is approximately 15 feet by 6 feet.

We were sorry to learn that Mrs. Riches had been away from school for over a week and hope that she will be quite well and back with her young pupils very shortly. Mrs. Burke is acting as supply teacher during her absence.

MAPLE NEWS

CORRESPONDENT - MRS. D. ALLEN

Phone Maple 19R

Mr. Richard Lund of Weston and formerly of Maple is very ill in Weston Hospital.

Maple United Church Y.P.S. The regular meeting of Maple United Church Y.P.S. was held at the parsonage, Wednesday evening, January 10. The president, Mrs. Edward Walker, was in charge.

The topic given by Mrs. Walker was the story of "Reuben, the boy with the lunch." Rev. P. J. Lambert sang "The Stranger of Galilee."

Several items of business were discussed. A fire to follow the regular church service was planned for February 11.

A committee was chosen to begin work on the play "While the Toast Burned," which the society hopes to enter in the Drama Festival in March.

Games were played and lunch was serviced by Mrs. Lambert.

The Maple C.G.I.T. are planning a Home Nursing study for three consecutive Monday evenings with Mrs. Blake Yake as instructor. The Maple Y.P.U. have decided to compete in the drama festival sponsored by the Presbytery. Mrs. Verna Fletcher will direct the play.

Mrs. Lorne Wells was the soloist at Maple United Church on Sunday evening. There was a large congregation present.

Women's Institute The Maple Women's Institute met at the home of Mrs. Larry Jennings, Wednesday evening, January 10, with a very good attendance. The roll call "A written supper dish" was well responded to.

During the business session it was decided to hold a baking and apron sale on January 27, at 3 p.m. in Walker's Store. Any member who has not turned in an apron for the sale can do so before January 27, to Mrs. Jennings. 20 aprons were received at the meeting.

The topic "Home Economics and Health" was in charge of Mrs. A. E. Snider, who had as guest speaker, Miss Margaret Wilson, supervisor of the county branch of the Hospital for Sick Children at Thistletown. Miss Neilson who is a graduate of the Hospital for Sick Children in Toronto, gave a very interesting talk on four different phases of the hospital, the building, achievements, nurses and patients.

The first children's hospital was opened in 1875 in a twenty-five dollar a month ten-roomed house. It was cold that winter and a stove was needed, so the women knelt in prayer during their meeting, and they received money which helped them obtain a stove.

The early minutes tell us that work and prayer were closely connected in establishing the Hospital for Sick Children.

The training school for nurses was established in 1886. Nurses' residence was opened in 1905, the most modern of its time. There are now graduate nurses in many countries holding responsible positions. Pabulum food for infants was the result of research work carried on by doctors at the hospital.

Some of the things taken from children's stomachs and lungs at the hospital are: nail files, schew drivers, a very large piece of linoleum and peanuts. Peanuts are very dangerous for young children to eat as one sucked into the lung causes pneumonia. The oil in a peanut irritates the lung.

From pictures shown and a very constructive talk, the children

Mrs. J. Gribble Correspondent Telephone Thornhill 36r31

Congratulations to Mr. Eric Russell Hook, John Steet, and his bride Miss Jean Audrey Webb of Richmond Hill, who were married on Friday. Eric is the son of Mr. and Mrs. Charles Hook, John St.

Visitors last week at the home of Mr. and Mrs. John Gribble were Mr. and Mrs. A. V. Beggs, Humber Summit, and Mr. and Mrs. R. B. Farr of Woodbridge.

Thornlea Home and School Association met at the school Wednesday evening for its monthly meeting, with Mr. T. H. Covell presiding and Mrs. Gage as secretary. The meeting opened with "O Canada" with Mrs. D. Morrison at the piano. Reports were read by the convenors.

Mr. Jackson and Mr. Gage were appointed as a committee to approach the Area School Board regarding a rink for training school teams and also to find a coach who would be interested in training the boys and looking after transportation to and from the rink.

Invitations to York Council birthday party to be held January 25 at Ryerson Institute, Toronto, also to join Langstaff Home and school and the School Area for the February 14 meeting were read.

Mr. Jackson introduced the special speaker for the evening, Mr. A. R. Haskell, general manager of the Better Business Bureau of Toronto, who spoke on "Fashions in Fraud." Timely advice was given in "Before you give, get the facts" and "Shop before you buy - not after."

He also explained how rackets have been going on since 1400 A.D. and the safest measure was to deal with legitimate firms.

"What is under the label" was the film shown by Mr. Gage, also a travelogue picture showing the beauties of Mount Riding Park in Manitoba.

Mrs. Rivers thanked the speaker and refreshments served by Mrs. Curtis closed a very interesting meeting.

CANADIAN CHOCTAW CODE

During World War I the Choctaw language, as spoken from tent to tent among the tribe, was used as an army code. Sounding like an ancient bagpipe lesson it can be mastered by Europeans who are often defeated by other redskin tongues.
