OMHA Juvenile League Standings

	Games Played	W	L	T	Pts.
Unionville	5	4	1	0	8
Sunderland	4	4	0	0	8
Newmarket	2	2	0	0	4
Port Perry	5	1	4	0	2
Richmond Hill	3	0	3	0	0
Stouffville	3	0	3	0	0

NOTE: Although standings are shown Newmarket and Unionville do not count in league results.

Thornhill Lions See Specimens Of Street Signs

At the January 22 meeting of the Thornhill and District Lions Club, Lion District Governor Fred Thompson of Newmarket paid his official visit and entertained the Lions with an account of a recent visit he made to the Lions International Headquarters at Chicago. At the conclusion of his talk, Lion Fred was presented with a Lions Plaque in commemoration of his visit.

Lion Frank Harris, chairman of the Civic Improvement Committee, produced a sample of the street signs which his committee is having prepared with the object of having every street from No. 7 Highway to Steele's Avenue, and from Bayview to Bathurst Street, properly designated. The signs are of metal, eye attractive, and have large black letters on a white background.

On the evening of January 26, weather permitting, the Lions will hold a carnival at the Thornhill Rink, when the draw for the fur coat raffle will be made. Tickets on the coat may be purchased up to the evening of the carnival.

Lion Gaye Zinkan, who is in charge of the carnival arrangements, has lined up a varied program including novelty hockey game, broom ball game, races for juniors, fancy dress and clowns.

Lion Pat McTaggart-Cowan who heads the Thornhill Rink Committee and has personally done a great deal in producing a satisfactory ice surface on the rink this season, is at present in Ottawa arranging suitable weather for the above occasion.

The audited statement of the Vaughan Recreational Committee shows that the cost of construction for the Thornhill Memorial Swimming Pool was \$80,947.81. Of this amount the Lions raised by general canvass \$8,955.64 and by car raffle \$19,610.27.

The report shows that despite Pool had a satisfactory season financially in 1950.

Lions Speaker Stresses Need Of Protection

Richmond Hill Lions held one of their busiest meetings of the year last Thursday evening. Pete McGillin, outdoors columnist of the Toronto Telegram, was the guest speaker. Pete spoke very interestingly and humorously on the problems of propagating the muskonge, more commonly known as the "muskie". He also stressed the necessity for proper enforcement of the game and fish regulations and urged every citizen to waken to the need of conservation of wild-life resources.

Lion President Mel Maltby accepted with thanks a donation of \$250.00 for the Community Hall Project from the Women's Institute.

Chairman of a Special Civic Projects Sub-Committee, Lion Tom Lamb announced that the sand containers had been placed at strategic points throughout the village and were now available to assist in preventing accidents at slippery corners. Special thanks were accorded to Morley Beynon of the village for lettering the containers.

Lion Ed Butlin, reporting for Lion Howard Jackman, chairman of the Safety Committee, announced that Elmer, the Safety Elephant was coming to the Public and Separate Schools, under the auspices of the Lions Club in the very near future.

One of the highlights of the evening was the induction of nine new members into the Club. This pleasant duty was performed by International Counsellor Lion Gordon Belyea of the Runnymede Club. The new Cubs are Lions Wally Burnie, Basil Mundy, Ed. Croth, Fred Waters, Bill Turner, Stan Elson, Harold Sanderson, Don Reid and Don Little.

Lion Ken Tomlin presented a pen and pencil set on behalf of the Club to former Secretary Lion Lawson Chesney, who is leaving to take up residence in Whinaona, Ontario. Mr. Tomlin paid high tribute to Lion Lawson for his many years of service to the Club and to the Community.

Want a good attendance at that concert or bazaar or whatever it may be? Then try an insertion in the "Coming Events" column of The Liberal. It does the job for you at low cost. Telephone Richmond Hill 9.

Bantam Boys All In Action On Tuesday

Despite poor ice, which was so full of holes that the boys were at times trying to skate on cement, the bantam teams of the Richmond Hill Hockey Club played out their full series on Tuesday night, the first time on which all six teams, including the new one, had played on one evening.

Canadians met Detroit in the initial game, with the first team making a slow start but succeeding in holding the Detroiters in spite of heavy pressure. Coming to life in the latter part of the second, Patton and Pollard co-operated in a play which saw Patton put in the first score. He scored again in the second period with Robertson and Pollard put on some teamwork. Final score of the game was Canadians 2, Detroit 0.

The second game saw the Boston team a little bit too strong for the Maple Leafs, but with the latter playing hard enough to hold the score to a minimum. Brian Mills gave the Leafs their sole counter early in the first period. Robson and Steen each scored for Boston in the second, with Neal putting in another in the third. Mills, Robson and Neal are steady and consistent players.

The new Ranger team met Chicago in the third game of the night. With ice in bad condition by that time both teams played a fast and furious game. Addition of Sawdenburg to the Chicago outfit gave it just what it needed to bring it up to fighting form. For their first time out together Rangers played good hockey. Cottrell, on loan to Chicago, because of the absence of its goalkeeper, did a good job. Bruce Brillinger, who played a fine game for Chicago, put one in the net for his team. Rangers attacked hard in the third period and only Cottrell's good job in the net held the game to a 1-0 score.

Thornhill Lions To Stage Winter Frolic This Coming Friday

Comedy acts and figure skating will provide amusement for Thornhill residents and visitors to the village on Friday night when a winter frolic, sponsored by the Thornhill District Lions Club, will be held at the rink. In addition some lucky holder of a ticket will learn who wins the thousand dollar Persian Lamb coat which will be drawn for on that occasion.

The event is a "no charge" one and, says Gaither Zinkan, chairman of the committee in charge is open to any and everybody who likes to come along. Children's races, skating to music for adults will also be features of the event. Those who wish to do so, he says, also, may put on their fancy dress.

B&P Women's Council Hears Miss N. Dane

Addressing the Area Council meeting of the Business and Professional Women's Club on Sunday afternoon at Bettles' Dining Room, Miss Nazla Dane, president of the Toronto B & P Women's Clubs, discussed the duties of each officer of the club, giving those present a few tips on the handling of the members and the distribution of work to them. The main purpose of the organization is to better the status of business women all over the world.

The area referred to includes Brampton, Aurora, Newmarket, Stouffville and Unionville, and representatives from each of these districts were at the gathering, which was in the form of a business luncheon. One of the subjects brought up was the compiling and publishing of a handbook which would explain and discuss the proper procedure of a meeting, whether social or business, and the responsibilities of each person in charge.

Present from Richmond Hill were Mrs. L. Hawkes, Mrs. J. E. Little, Mrs. J. Beresford Anderson, Mrs. Hickson and Miss Doris Lero.

A new British invention, the "Neogram" makes neon signs interchangeable. It consists of a ferro-magnetic plate to which individual letters are attached.

Garden Ave. Ratepayers Reorganize Association

"We're not pulling out" was the assurance given the Vaughan ratepayers of Langstaff by Mr. George Howell, president, and Mr. E. A. W. Beemer, secretary, of the Garden Avenue Property Owners Association, at the meeting called by them and held in Langstaff Public School on January 17. "Those who are left of the old association would like the results of their efforts to benefit the now enlarged community and are prepared to turn over to a re-organized group the lot on Garden Avenue purchased some years ago for a proposed community hall, as well as the funds now in the bank, to be used in whatever way is acceptable to the majority."

They expressed the opinion that the development of the six-acre park given to Langstaff by Mr. Morgan Boyle when he subdivided his farm is of prime importance; they explained that a ball diamond could be accomplished there, that on several business sites is there only because Mr. Boyle says, "Let the young people enjoy it, I'll sell it sometime." They felt also that in time suitable men would become known who could be nominated as candidates for council.

Because there was no representation from Roosevelt Drive, Westwood Lane and the Ball subdivision whose residents might be interested if contacted and because it was known that quite a number of people were absent due to regular Wednesday night commitments, it was decided to elect an executive pro tem which would try to develop the organization and when it was more representative

again hold elections. Mr. Howell and Mr. Beemer declined the nomination of president and Mr. Ernie Brennan was elected. Mr. Howell turning over the chair to him at this point. The remaining offices were filled as follows: Vice-presidents, Messrs. Stan Worsdale and Frank Offen; Secretary B. F. Carley and Treasurer Bob McArthur. The only other appointments were for membership, Messrs. J. Youdell, R. Hamblin, C. Thirgood and H. Lee and for publicity, Mrs. S. Worsdale, the executive being empowered to draw on the members for assistance as required.

It was pointed out that anyone whose name appears on the municipal voters list, whether owner or tenant, including husband and wife, is entitled to membership and a vote in the association.

Mr. J. Butcher, past president and Mr. R. Crawford, director, of the Langstaff Ratepayers Association (Markham) answered ques-

tions and made suggestions from their experiences, mentioned projects which that group is considering and gave an assurance of friendly co-operation in all matters which concerned both the Vaughan and Markham sections of the community. Other visitors included Mr. M. Roy, president; Mr. J. Armstrong, secretary and Mr. L. Mesure, treasurer, and their wives, and Mr. N. Hicks, the local school area trustee.

Besides those whose names appear above, the following were present or signified their interest in helping to build a strong organization: Mrs. E. Brennan, Mrs. R. McArthur, Mrs. J. Youdell, Mr. and Mrs. J. Rollinson, W. Henderson, R. W. Jobe, Mr. and Mrs. H. Smith, Mr. and Mrs. R. Chenery, H. J. Suter, J. Ziegler, Mr. and Mrs. F. Morris, A. Curr, J. Thompson, T. White, W. A. Curtis, A. H. Ablett, E. J. North, G. Curtis, J. Bentley, J. Corner and R. Marlow.

Monday seemed to be the night most favoured for the next meeting and February 12 was chosen as the likeliest date. It was decided to apply to the newly inaugurated Board of Trustees of the Township School Area for permission to again use Langstaff school on that date. Satisfaction was expressed with the excellent accommodation provided in the north basement room.

EVERY DAY: Remember that the Coming Events column is a cheap and effective way of telling others of your dance or bazaar or other money-making event. It's an effective way, too, of making sure of good attendance by reminding members of date of meetings.3w22
