

### King Record Maker

Many notables in the agricultural world were present at the final milking of Ethelmer Ada's Snowball, leading producer in the Kingfield Farm herd of C. F. W. Burns, King, when her 365 day, three times a day milking, culminated in an estimated 18,606 lbs. of milk and 915 lbs. of fat.

The record places her at the top of the Honour Roll for four year old cows milked three times daily and makes her the first four-year-old cow in Ontario to make over 900 lbs. fat and the sixth cow in Canada to have accomplished this feat.

Ada was born and developed in Mr. Burns' herd and made a three year old record of 559 lbs. of fat. She is a former junior champion at the Canadian National Exhibition and looks as if she is capable of higher records on reaching maturity.

Pictured above are the new Guernsey champion, with Ontario's Deputy Minister of Agriculture C. D. Graham, Mrs. Burns, Mr. Burns and Herdsman Reg. Canning, in charge of test cows in the Burns' herd.

Charles Henshaw, Jr., is manager of Kingfield Farm.

### Spring's A'coming

Spring is on the way. At least signs observed locally say that it is. Up at Egin Mills, a mile north of Richmond Hill, the pussy willows are out. Mrs. Jack Bayley at Pony Crest Lodge there has been gathering them for the last week.

As in previous years she is taking them to Toronto, where there is an active demand for them from florists.

And just to prove that the pussy willows aren't fooling, the first robin has made its appearance. It was seen in the Hill last week by Pete Jarvis.

### Maple Trustees Elected Monday

Holding their deferred election last Monday, voters of Maple chose William Oliver, Eldon Wade and John Neufeld as village trustees for 1951.

When nominations were held last November all those named failed to qualify, necessitating further nominations a week ago. Of the fourteen nominated five qualified. Their votes were as follows:

- OLIVER, Wm. .... 113
- WADE, Eldon ..... 97
- NEUFELD, John ..... 77
- Joslin, Herbert ..... 70
- Cousins, Wilbert ..... 58

### First Sunday School Teachers Training Course Class Staged By Vaughan Twp. Association

The Vaughan Township Sunday School Association held the first class of its training course for Sunday School teachers and work of youth groups on Tuesday, January 16th, in St. Andrew's Presbyterian Church, Woodbridge, where all the classes are to be held.

Rev. W. A. Westcott, B.A. of Kleinburg United Church is Dean of the School. Mr. Bert Middleton of Carrville United Church is chairman and Rev. P. J. Lambert, B.A. B.D., of Maple United Church is secretary. There were forty-six present for the first class.

Rev. Dr. J. A. Ross of St. Andrew's Presbyterian Church was the teacher of the school. His subject was "Teaching as Jesus Taught". Dr. Ross was most inspiring and helpful to all those that attended. He gave a great challenge to Sunday School teachers to pattern their life after Christ.

The recreation period was led by Rev. P. J. Lambert. A sing-song and games helped to create a friendly atmosphere and created

many a laugh. They also helped to give good suggestions in entertaining children at parties.

In the second study period, Dr. Ross spoke on the ways in which Jesus taught. He said we are teaching by our attitudes and what we do each day. We must have a friendly attitude toward all and realize that children initiate us more than we are aware. Dr. Ross said all teachers must have a real love for children and treat them all alike or else we may find ourselves failures as far as being Sunday School teachers.

The rest of the classes are to be continued on the same subject, "Teaching as Jesus Taught." Sunday School teachers or leaders in youth work will find this winter school an evening of good fellowship and worth one's time to hear and take part in its study groups.

There is to be another on January 23 and again on February 13 and 20 and possibly some in March.

### Lively Interest In Handicrafts Shown When Fifty Ladies Meet At King Home

Fifty members of the King Handicraft group attended the meeting held Thursday afternoon at the home of Mrs. F. J. Armstrong. An interesting program was presented under the leadership of the president, Lady Flavell, whose keen interest in handicrafts was responsible for the organization of this enthusiastic group.

Mrs. Blackburn, Lansing, member of the Spinners and Weavers Guild of Ontario, gave an informative talk on vegetable dyeing of wool illustrated with colorful samples of yarn showing what could be achieved by the use of such primitive dye stuffs as onion skins, walnut shells, goldenrod, mosses and barks. Following her talk Mrs. Blackburn gave a demonstration of spinning using various types of wool including plucked

from the back of a live Angora bunny she had brought along for this purpose.

Mrs. B. L. Stavert, craft instructor of the Aurora Recreation Commission, spoke on leathercraft, a course which the group is anxious to start. Twenty of those present registered for the course with Mrs. Eric Johnson appointed as convener of a committee to complete arrangements.

Many attractive articles made by the members were on display including hooked rugs, smocked frocks and woven bags. On adjournment tea was served by the hostess and her committee.

### Home, School Association Organized At New School

Preparatory to forming a Home and School Association, an organization meeting was held at Powell Road School, Thornhill, on January 19, 1951. There were 28 present.

With Mrs. L. Hill acting as secretary, Mr. G. Learn, principal of the school, called the meeting to order and introduced Mrs. G. W. Tennant, who, as organizer for the Ontario Federation of Home and School Incorporated, gave a brief outline of the history and development of Home and School work and its value in relation to the home, school and community; the aims and policies of Home and School. She emphasized the guiding principles; that it is a voluntary, democratic, educational, non-commercial, non-partisan, non-sectarian organization which includes in its membership all races and creeds. Before telling of the work carried on locally, provincially and nationally, Mrs. Tennant stressed that a local association is a meeting together of teachers and parents to interpret the school programme to the parents.

Following the decision that there should be a Home and School Association at Powell Road School, the following were elected to act as a Nominating Committee: Mrs. H. LeMasurier, Mr. S. Griffiths, Mr. J. Thompson, Mr. G. Learn, Mrs. B. Smith and Mrs. E. Watts. The following slate of officers was presented and its adoption moved and seconded: President, Mr. R. G. Fisher; 1st vice-president, Mrs. E. O'Brien; 2nd vice-president, Mr. W. L. Sanders; Treasurer, Mr. E. Juhljen; Recording secretary, Mrs. K. Stephenson; Corresponding secretary, Mrs. G. Scott; Executive members, Mrs. H. Bigalan, Mrs. E. Watts, Mr. G. McCallum, Mrs. B. Smith, and Mr. C. DeClerq.

Mrs. H. LeMasurier, vice-president of the North Area, York County Home and School Council, spoke briefly of the work being done in this area. The officers were installed in a very impressive ceremony led by Mrs. Tennant. Following this Mr. Fisher, the president, took the chair and called on Mr. Griffiths of the School Board who expressed whole-hearted approval of the action taken. Next he called on Mr. Learn, who expressed his pleasure that a Home and School Association had been formed and his willingness to do all in his power to make it a success. It was decided that the regular monthly meetings would be held on the fourth Monday of each month and that the membership fee would be fifty cents a year.

### 101st Agricultural Society Meet Being Held Saturday

When Richmond Hill Agricultural Society holds its annual general meeting and election of officers next Saturday it will mark the end of a hundred and one years of history. And, in proof of the Society's stamina, the fair which it held last June was reputed to be the largest ever held. The organization has approximately 75 members. It is understood that the reports to be submitted at Saturday's meeting will show it to be in a stronger position than ever. President Wes. Middleton, holder of that office for the last two years, will retire at the annual meeting in keeping with the usual practice. Asked if he had any comments to make the dean of Richmond Hill's Council said "Yes, I sure have. I'm practising up to criticize the activities of the new president, same as all presidents do." But the usual Middleton chuckle which accompanied the "crack" indicated that it wasn't to be taken too seriously. A large attendance is expected at the meeting on Saturday afternoon.

### District Scout and Cub News

**Richmond Hill Paper Collection**  
The Scouts and Cubs plan a paper collection on Saturday morning, February 10, 1951. Waste paper is now worth about \$15 a ton. Paper collections are one of the major methods of raising funds for scouting activities, for which the Scouts and Cubs are solely responsible. Old telephone books, newspapers and magazines will be cheerfully collected.

**Scout Troop**  
Three boys passed their tenderfoot tests and will be invested soon as Tenderfoot Scouts: They are Graeme Bales, Brian Devine and Neil Riseborough. Having been recently invested as Tenderfoot Scouts, the following are now working on the 2nd class Scout tests: Clark Dedlow, Bill Guppy, Lawrence Johnston, Bruce Blackburn.

**"A" Cub Pack**  
Allan Bales, in his capacity as Group Committeeman, visited "A" pack and held the Cubs' interest with a talk on the early days of Richmond Hill, and showed some very interesting antiques.

**"B" Cub Pack**  
The Grey and Red Sixes, as winners of the November, December sixes competition, were treated to a trip through the Royal Ontario Museum, and then hot dogs and pop.

**Church Service**  
A Scout and Cub church service has been arranged for 7.30 Sunday evening February 4, at St. Mary's Anglican Church.
