Outstanding Year Is Disclosed By Reports Of St. Mary's Church

The annual Vestry meeting of St. Mary's Anglican Church, Richmond Hill, held on Monday of this week, was considered the most successful in its history. Report after report showed increases in giving and services rendered. The Rector, Rev. W. F. Wrixon, presided and gave his report on the general condition of the church and parish. He reported the highest number of communicants and worshippers on record, and thanked the congregation for their many kindnesses and co-operation. The Churchwardens' Report was presented by Mr. H. Stanford. This was in four parts and showed increases all along the line. "It was expected by some that the Rectory Fund Campaign would cause a reduction in the regular givings," said Mr. Stanford, "but the opposite is the case, for Sunday offerings have increased."

Organizations presenting reports were the Evening W.A., Evening Guild, Evening W.A., Sunday School, Richvale W.A. and the Girls' Auxiliary. All showed a very successful year in fellowship

and service. The Rectory report presented by Mr. C. J. Hart showed progress in funds and building and it is expected that the Rectory will be finished in May of this year. Increases were voted to the Rector, Organist and Caretaker.

The election of officers resulted in the following: Rector's Warden, C. J. Hart; People's Warden, H. Stanford; Lay Members of the Synod, T. P. Henry, R. Edmunds, N. Todd, K. Ruffman; auditors, R. Paris, K. Ruffman; elected to Advisory Council, Dr. W. Mason, N. Todd; appointed by Rector, R. D. Little, C. Baker; Envelope secretary, J. H. D. Williamson; vestry clerk, E. Mansbridge. Mr. Edmunds was appointed Chairman of Sidesmen with the recommendation that as many fathers and sons as possible be appointed Sidesmen. Mr. Baker in moving a vote of thanks to the Rector, spoke feelingly of the service given by him. Dr. Mason spoke of the splendid work of the Officers of the Church and that of the organizations. The Vestry went on record as supporting the move to have women elected members of the Synod.

NORTH RICHVALE NEWS
CORRESPONDENT — MRS. M. BLACKBURN, Yongehurst Rd.
Telephone Richmond Hill 137R13

Pleased to know Mrs. Keeting is fine once again after her recent illness.
Don't forget the paper drive on February 10.

Mothers Auxiliary of Guides and Brownies are having a meeting on Thursday, February 8 at the home of Mrs. R. Paul, Spruce Avenue. All mothers are asked to attend. Time 8 p.m.

The Ladies' Auxiliary of the Canadian Legion Branch 375, held a euchre at the home of Mrs. R. Littleford, Avenue Road, on January 25. Winners were as follows: Mrs. M. Blackburn, Mrs. E. Lambert, Mrs. S. Arbon; men's, Mr. F. Titshall, J. Titshall, Mr. Jarvis. Refreshments were served.

Gordon Legge of Mill Road has given up the Telegram route for this district. Erroll Stewart of Yongehurst Road is now the new carrier boy.

Sorry to hear Mrs. A. Ball has been ill for the past week.

New Sewing Centre Opening Scheduled

The Singer Sewing Machine Company announces the opening of its new sewing centre at 5249 Yonge Street, Willowdale. This is the first shop of this type to be opened in this district. Mr. Bruce Miller, manager, says that everything for the woman who sews will be available at the new sewing center, including courses in home decoration and dressmaking, as well as a complete line of notions and a pattern and fabric service. The center offers repairing and servicing of sewing machines with free estimates and has facilities for button-covering and button-hole making. On display will be the latest models of sewing machines including the featherweight portable electric model which weighs only 11 pounds but has all the features of a full-sized machine. The center will also have the latest developments in sewing machine attachments, including the Blind-stitch attachment which produces invisible hemming, and the new Zig-zagger which can be used to create decorative effects with cording, lace insertions and applique work.

At the opening of the new sewing center there is to be a lucky number draw, the first prize to be one of the thermoplastic dress forms which have just been introduced into Canada. Mr. Miller explained that this dress form is moulded right on the individual, so that it eliminates the need for try-ons and also can be used for adjusting the pattern right on the "twin" figure. Other prizes are to be a sewing cabinet, special attachments, home-sewing courses, and sewing books.

Whitchurch Council Discusses Oak Ridges Roads And Schools

Problems of Oak Ridges and district came in for a considerable amount of discussion at the regular meeting of Whitchurch Township Council last week when roads, schools and policing were major subjects.

The township's engineers had been inspecting and making plans in connection with the north road at Lake Wilcox, road superintendent Sandy Davis reported. It was expected that specifications would be ready within a short time and that tenders would be called for them. Relocation of ditches was likely, it was stated.

While council did not take any definite action, as the matter is in the hands of school trustees and a board of arbitration, they were fully informed on the school situation at Lake Wilcox by Councillor E. L. McCarron. He recounted the difficulties which had been encountered in securing a suitable site for the accommodation of children at present attending Oak Ridges Public School. He wondered sometimes, he said, whether the best solution would not be to put up a two or three room school at Lake Wilcox to ease the pressure on Oak Ridges and also to give sufficient time to study the ultimate needs of the Lake Wilcox area. The building of a large school, he said, would create an intolerable tax burden on local ratepayers at the present time. He emphasized, too, that his belief that the establishment of school areas was the eventual answer to such problems. "I can see a real danger there in not having a school available," said Deputy Reeve Fred Timbers.

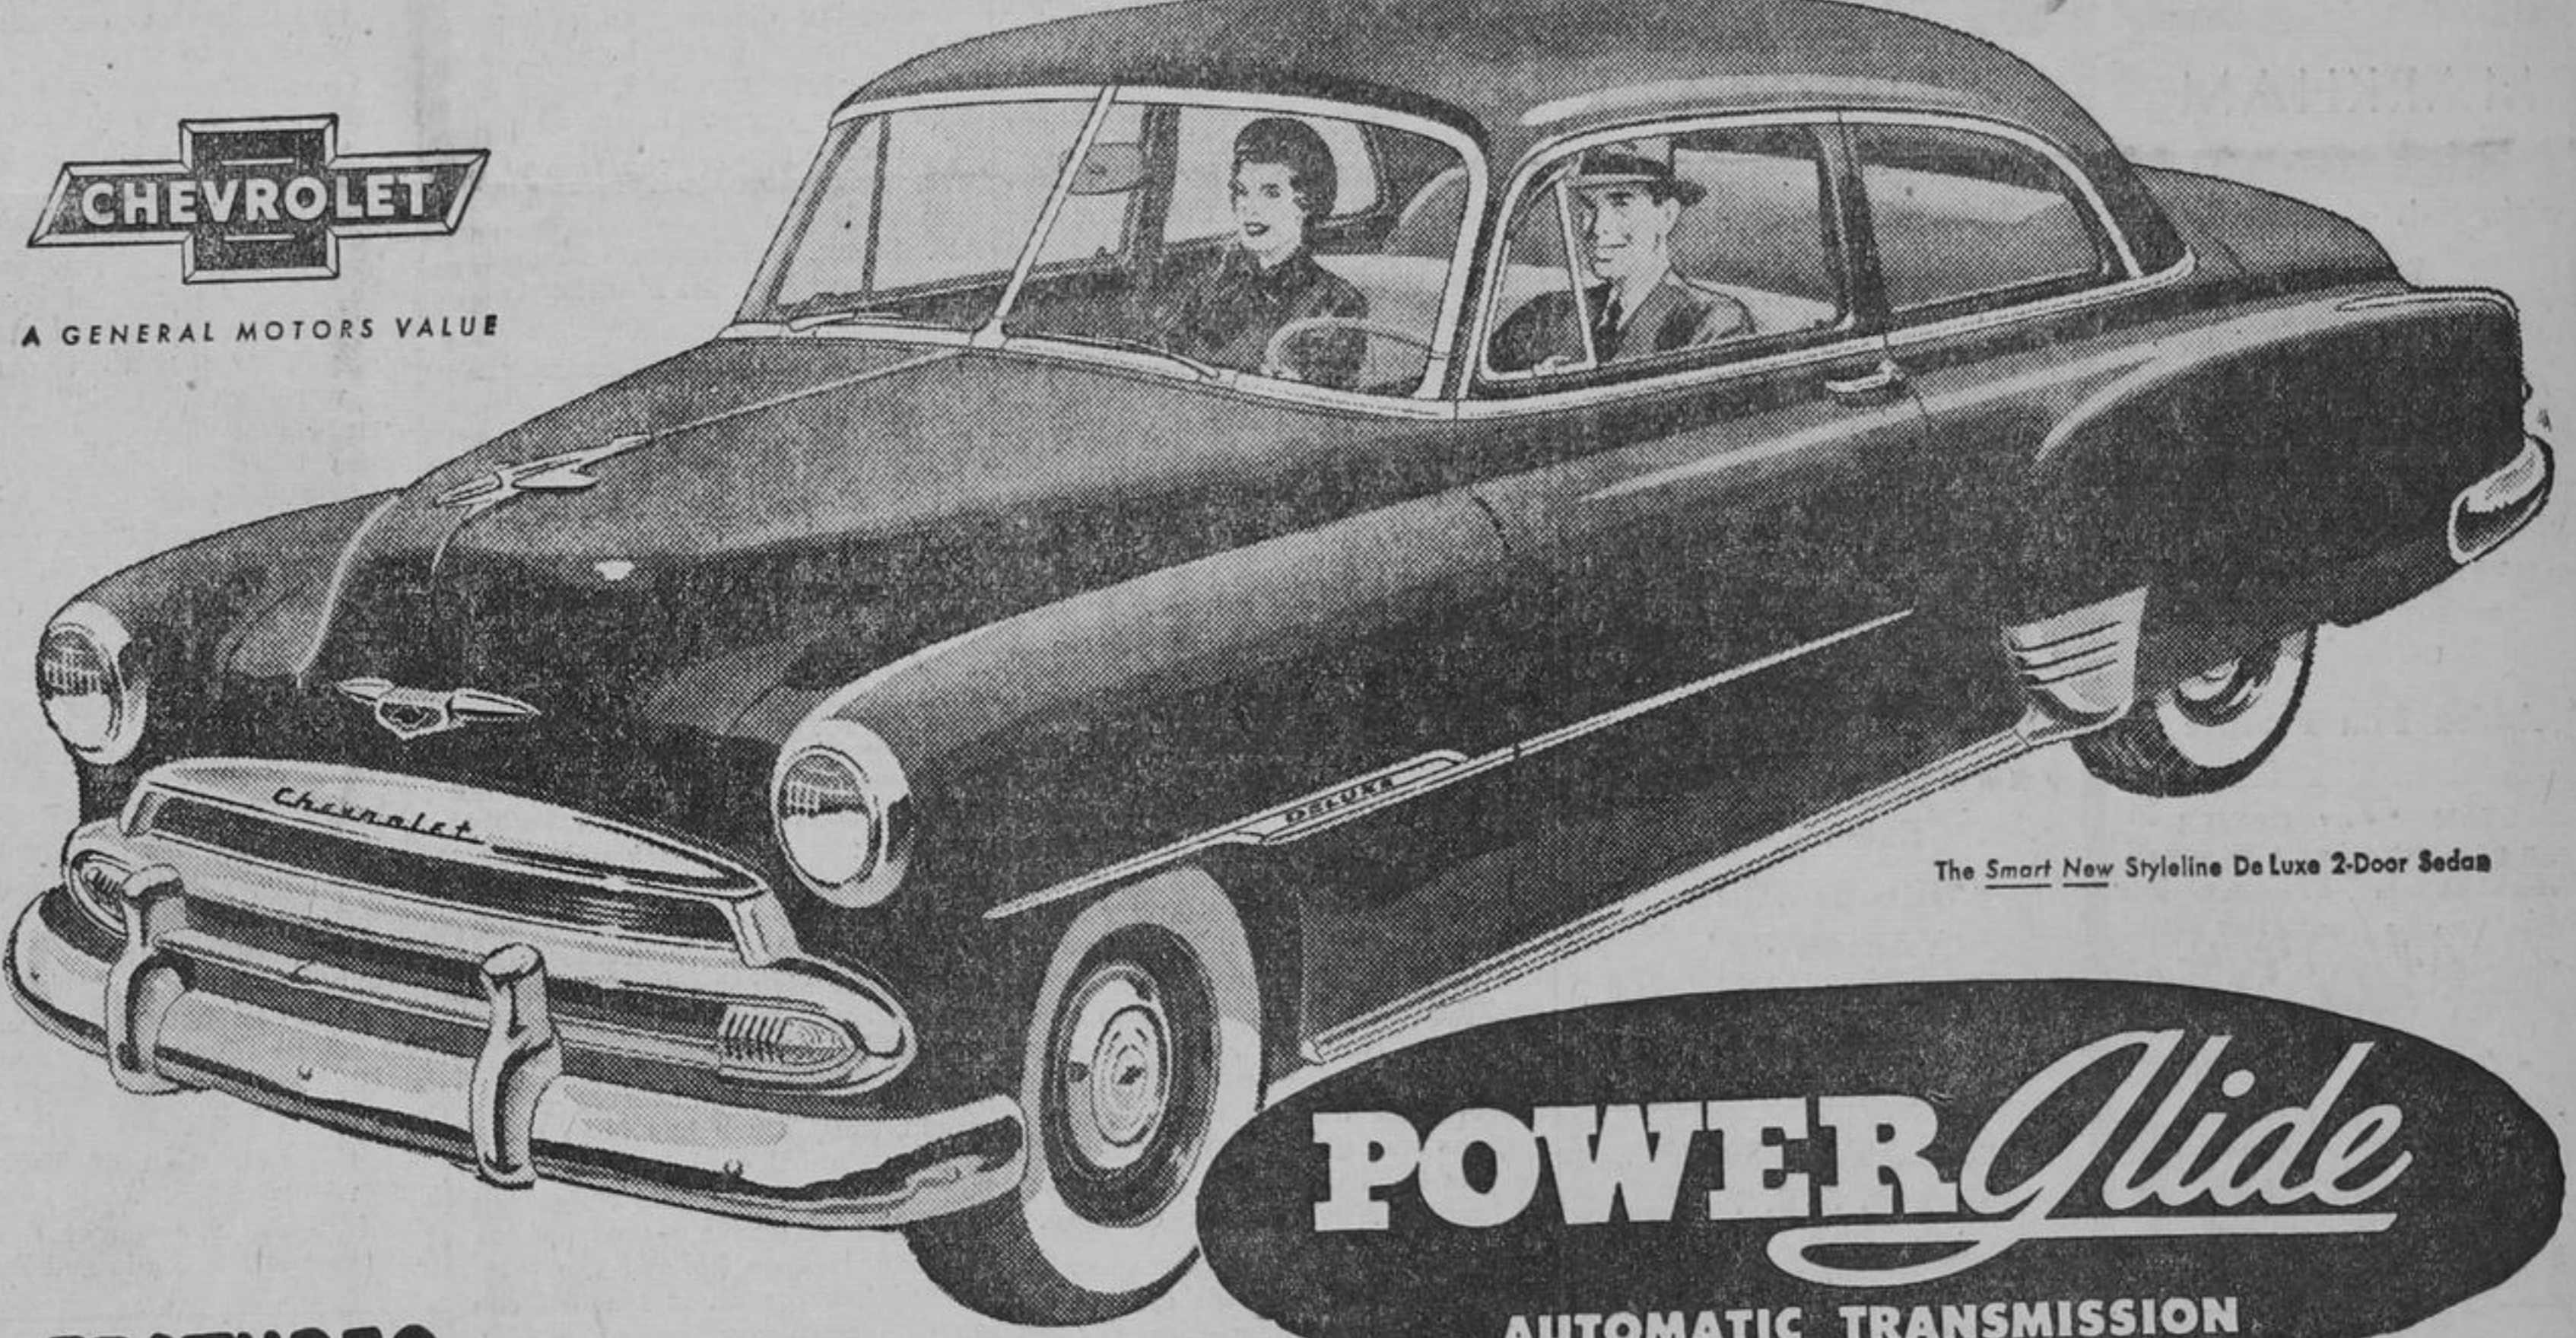

Council was advised that the township planning board would meet on the evenings of the second and fourth Tuesdays of each month

NEW 1951 Chevrolet

OFFERS ALL THE THINGS YOU WANT INCLUDING POWERGLIDE AUTOMATIC TRANSMISSION

POWERGLIDE AUTOMATIC TRANSMISSION

FEATURES OF THE NEWEST OF ALL NEW CARS FOR 1951

- NEW! LONGER, LOWER, WIDER BIG-CAR LOOK** - Brilliant new styling... featuring entirely new grille, parking lights, fender moldings and rear-end design... imparting that longer, lower, wider big-car look which sets Chevrolet above and apart from all other motor cars in its field.
- NEW! SAFETY-SIGHT INSTRUMENT PANEL** - Safer, more convenient, more efficient... having an overhanging upper crown to eliminate reflections in windshield from instrument lights, and lower edge of panel recessed to provide a safe, convenient location for control knobs... with plain, easy-to-read instruments in two large clusters directly in front of driver.
- NEW! EVEN LOVELIER BODIES BY FISHER** - With new and even more strikingly beautiful lines, contours and colors... with extra sturdy Fisher Unisteel construction... Curved Windshield and Panoramic Visibility... the smartest, safest, most comfortable edition of Chevrolet's Famous Bodies by Fisher.
- NEW! MODERN-MODE INTERIORS** - With upholstery and appointments of outstanding quality, in beautiful two-tone color harmonies... with an even more attractive steering wheel embodying a new full-circle horn ring (in DeLuxe models)... and with extra generous head, leg and elbow room for driver and all passengers.
- NEW! MORE POWERFUL JUMBO-DRUM BRAKES** (with *Dubl-Life* rivetless brake linings). Largest brakes in Chevrolet history! Extra-safe, extra-smooth, extra-durable... with both brake shoes on each wheel self-energizing for forward and reverse operation of car... providing maximum stopping-power with up to 25% less driver effort.
- NEW! IMPROVED CENTRE-POINT STEERING** (and *Centre-Point* Design). Making steering even easier at low speeds and while parking... just as Chevrolet's famous Unitized Knee-Action Gliding Ride is comfortable beyond comparison in its price range... additional reasons why more people buy Chevrolets than any other car.

It's good to have all the things you want in a motor car, and to have them at lower cost than they can possibly be found anywhere else.
That's exactly what you'll have when you buy a new 1951 Chevrolet - Canada's largest and finest low-price car - now available with a proved, completely automatic transmission, POWERGLIDE!
You'll own the newest new car for '51 - refreshingly new, inside and out... with that longer, lower, wider "luxury look" that stamps it as the most beautiful car in its field.
You'll own the only car that offers you your choice of the finest proved no-shift driving, or standard driving, at lowest cost. And if you choose a POWERGLIDE-equipped Chevrolet with its new 105 h.p. engine, you'll enjoy driving ease you've never dreamed of. There is no clutch pedal! You simply step on the gas to go, step on the brake to stop! And that's all, in normal driving! Amazing smoothness - saves wear on driver and on car!
And you'll enjoy all Chevrolet's many advantages at extremely low cost through every month and mile of ownership. Come in today - see and drive Canada's largest and finest low-price car... and you'll understand why more people buy Chevrolets than any other car.
**Optional on DeLuxe models at extra cost.*
There is no clutch!
