Thornlea News

 Correspondent:
 Telephone Thornhill 36r31

Thornlea and district was shocked and grieved by the sudden death of one of its popular youths, Harold George Thompson, beloved eldest son of Mr. and Mrs. Walter Thompson, and brother of Audrey, and Alvin, who passed away suddenly on Friday morning in his 19th year. Harold was known for his wonderful personality and made many friends. High esteem and respect for Harold and his family was shown in the many beautiful floral tributes received. It seemed a perfect setting for one who had taken an interest in working amid the flowers he loved. Harold was a keen lover of sports, especially hockey and baseball, our hearts go out in deepest sympathy to his parents, sister and brother.

OAK RIDGES & LAKE WILCOX NEWS

CORRESPONDENT:—MRS. DOROTHY BARKER

Telephone Aurora 534J

Brought back from Sherbrooke, P.Q., after being arrested by police there for local authorities, a sixteen-year-old youth, who was disclosed to have been operating under three aliases, was remanded in custody in Juvenile Court in Toronto this week. He was charged with the theft of a truck from William Hanna, Oak Ridges service station operator. At the time he left the neighbourhood, it was alleged, he had also rifled a pinball machine and had left the children of Mr. and Mrs. Hanna unattended while supposed to be looking after them while the parents went out. It was also revealed that St. Catharines police hold warrants for his arrest on charges of car theft, theft of revolvers and escaping custody. The case was investigated by Constable Charles Case of the O.P.P. who brought the lad back from Sherbrooke after his arrest there.

Mrs. Sam Jarvis, Miss Margaret Watkin and Mrs. Gerald Gamble have joined the pottery classes being conducted in the old town hall, Aurora, under the direction of Mrs. B. L. Stavert. These classes are sponsored by the Aurora Recreation Commission and also include classes in leather, felt and a course of lectures on "Home Beautification."

Oak Ridges Lions who have the never failing faculty of making a success of all their endeavours, provided an enjoyable evening Monday when seventeen tables of euchre and five of cribbage were played by enthusiastic supporters of the Lions most recent undertaking, hockey for the local lads.

Bill Hanna had the misfortune of being involved with a hit and run driver last week. He was towing an Aurora car owned by Miss Emma Gowan through Richmond Hill when the vehicle was hit by a car driven by Lawrence Wood of Keele Street, Toronto. Wood, on his way south through the village hit a truck parked on the east side of Yonge Street, owned by Albert Rollinson of Richmond Hill, glanced off and struck another truck parked on the west side, owned by H. B. Inglis of Jefferson. It was after he hit the second truck that he clipped the car being towed by Bill Hanna. He did not stop to see what damage he had done but continued on down No. 11 Highway. One of the truck drivers and a car following him got his number and reported it to police. He was later picked up by Toronto police at his home. Thursday, after a night in the Don jail he was charged with dangerous driving, careless driving and failing to remain. Magistrate Hollinrake remanded his case one week. Constable Al Houldsworth investigated.

A large number of replies to an ad for two teachers were received by G.O.T. Gamble, secretary of

It Doesn't Pay

Nobody has to be told at the present moment that a difficult situation exists in connection with anything in which the use of steel is involved.

That situation is bad, and likely to get worse. Not only will it affect the production of cars, stoves, and similar items. It will apply also to cold storage lockers.

If you have been considering the renting of a cold storage locker in the spring — which isn't many weeks away — we suggest that you advise us IMMEDIATELY.

The supply is likely to be very short. You may not be able to get a locker when you want it unless you reserve it NOW.
