## OAK RIDGES & LAKE WILCOX NEWS

CORRESPONDENT:—MRS. DOROTHY BARKER

Telephone Aurora 534J

A new social centre in the area was formally opened last week when eight enthusiasts braved the snow storm to attend the first event held at the Black Diamond Riding Academy. Bill Hanna broke trail into the ranch with his tow truck. Little Bonny Pallister, disappointed in being too young to participate in the sleigh party planned for the evening, had her fondest wish granted. Black Diamond, the Academy mascot, was saddled and led into the large living room where Bonny had the ride she had been begging for. Happy and satisfied, she was put to bed and the adult members of the party hitched the horses to the sleigh and spent some time bucking drifts on the side road. Later they returned to the ranch for hot refreshments. Mrs. Hanna made the white brides adorned with black diamonds which she presented to Mr. Gowan, owner of the stables. . . .

Three new members have been added to the roster of the Lions Club. They are Ed. Pallister, Bert Comfort and E. A. Smith. . . .  
 Mr. and Mrs. Bill Hanna had dinner Sunday with the Gowan's. Mrs. Hanna is still feeling the shock of a series of unfortunate experiences and has been told by her doctor that she should have a complete rest. . . .  
 The resignation of Frank Stewardson from the Lions Club has been accepted with regret. . . .  
 Oak Ridges Riding Club is planning for its first show which will take place at Oak Ridges some time in April, weather permitting. The children will manage the entire show themselves. It will be confined to pony classes including hunter and saddle entries. The club, despite the winter weather, is growing rapidly with eight youngsters from Toronto, three from Richmond Hill and two from Richvale adding to the local number. Teddy a fat pony on loan from Eaton Hall farm is on a reducing diet with the youngsters taking turn exercising him to reduce his girth. . . .

C. L. Stephenson, president of the Lions Club, had the pleasure recently of presenting deputy district governor, Fred Thompson of Newmarket, with a silver tray at a meeting which he addressed. During the course of his remarks he told of the new Lions City which is being built twenty-five miles from Chicago. The innovation of "The Lions Meat" a regular bulletin, is receiving many complimentary comments from the members. It had its second issue distributed recently. . . .  
 Mr. and Mrs. McKenzie, who have been engaged on the teaching staff of Oak Ridges school are at present commuting from Toronto. Next week they will stay with Mr. and Mrs. Gamble until they can find one or two house-keeping rooms in the vicinity of the school. They arrived in Canada from Scotland just recently. . . .  
 Despite the fact that the desks had not arrived grade five was established in the newly decorated basement room at Oak Ridges School Monday with Mrs. McKenzie in charge. . . .  
 Mrs. Clifford Shier of Toronto is the guest of Mrs. Gerald Gamble. . . .  
 Mrs. Ed. Foerster who suffered an acute illness Monday is progressing favourably. . . .  
 A moonlight ride has been planned by Mr. and Mrs. Charles Gowan for Thursday night. Eight of their friends have been invited in anticipation that old man winter will co-operate. . . .

It Doesn't Pay  
 Nobody has to be told at the present moment that a difficult situation exists in connection with anything in which the use of steel is involved.  
 That situation is bad, and likely to get worse. Not only will it affect the production of cars, stoves, and similar items. It will apply also to cold storage lockers.  
 If you have been considering the renting of a cold storage locker in the spring — which isn't many weeks away — we suggest that you advise us IMMEDIATELY.  
 The supply is likely to be very short. You may not be able to get a locker when you want it unless you reserve it NOW.
