## Thornhill United Church News

### Sunday School

The Sunday School teachers met at the home of Mr. and Mrs. G. Crutcher, John Street, on Monday evening, with Mr. R. Whately, superintendent, presiding.

Most of the evening was spent in discussing the arrangements when the new facilities will be available, which will be in the very near future. The proposed changes are to have the Nursery in its renovated quarters; the Beginners and Primary (4 to 8) in the new building, the children in these two departments going direct; and the Junior and Intermediate groups retiring from the service for their classes.

Mrs. Crutcher was asked to meet with the Beginner and Primary teachers and arrange the details of their new programme.

Some thought was given to the Sunday School picnic but this subject was left over for another meeting.

Delightful refreshments were served by the host and hostess.

### Young People's Union

21 members of the Y.P.U. met at the Parsonage Monday evening Ernest Kent, the president, was in charge of the devotions, assisted by Miss Betty Empringham and Miss Joan Cooper.

Mr. Doug Kemp read an interesting article from the "United Church Observer" entitled "G. Case Paint and Crepe Hair", which was quite fitting in view of the fact that the Young People are planning to present two one-act plays in the early spring which Mr. Tom

Pherrill has consented to direct. Rounding out the programme Mr. Nelson Gage showed a number of appropriate movies and Miss Betty Rouxell and Mr. Douglas Kemp provided delicious refreshments.

The next regular meeting will be held on March 12; the place will be announced later.

### Ladies Guild

The Ladies Guild has announced that Miss Fotheringham of the Grenfell Mission will be present at the next meeting of the Guild on Thursday, March 8, at 8 o'clock and will show coloured slides of the mission work. The meeting will take place in the Sunday School Hall.

## Richmond Hill Public School Oratorical Contest

Please reserve Thursday, March 15, for the Public School Oratorical Contest which will be held in the Public School auditorium at 8 p.m.

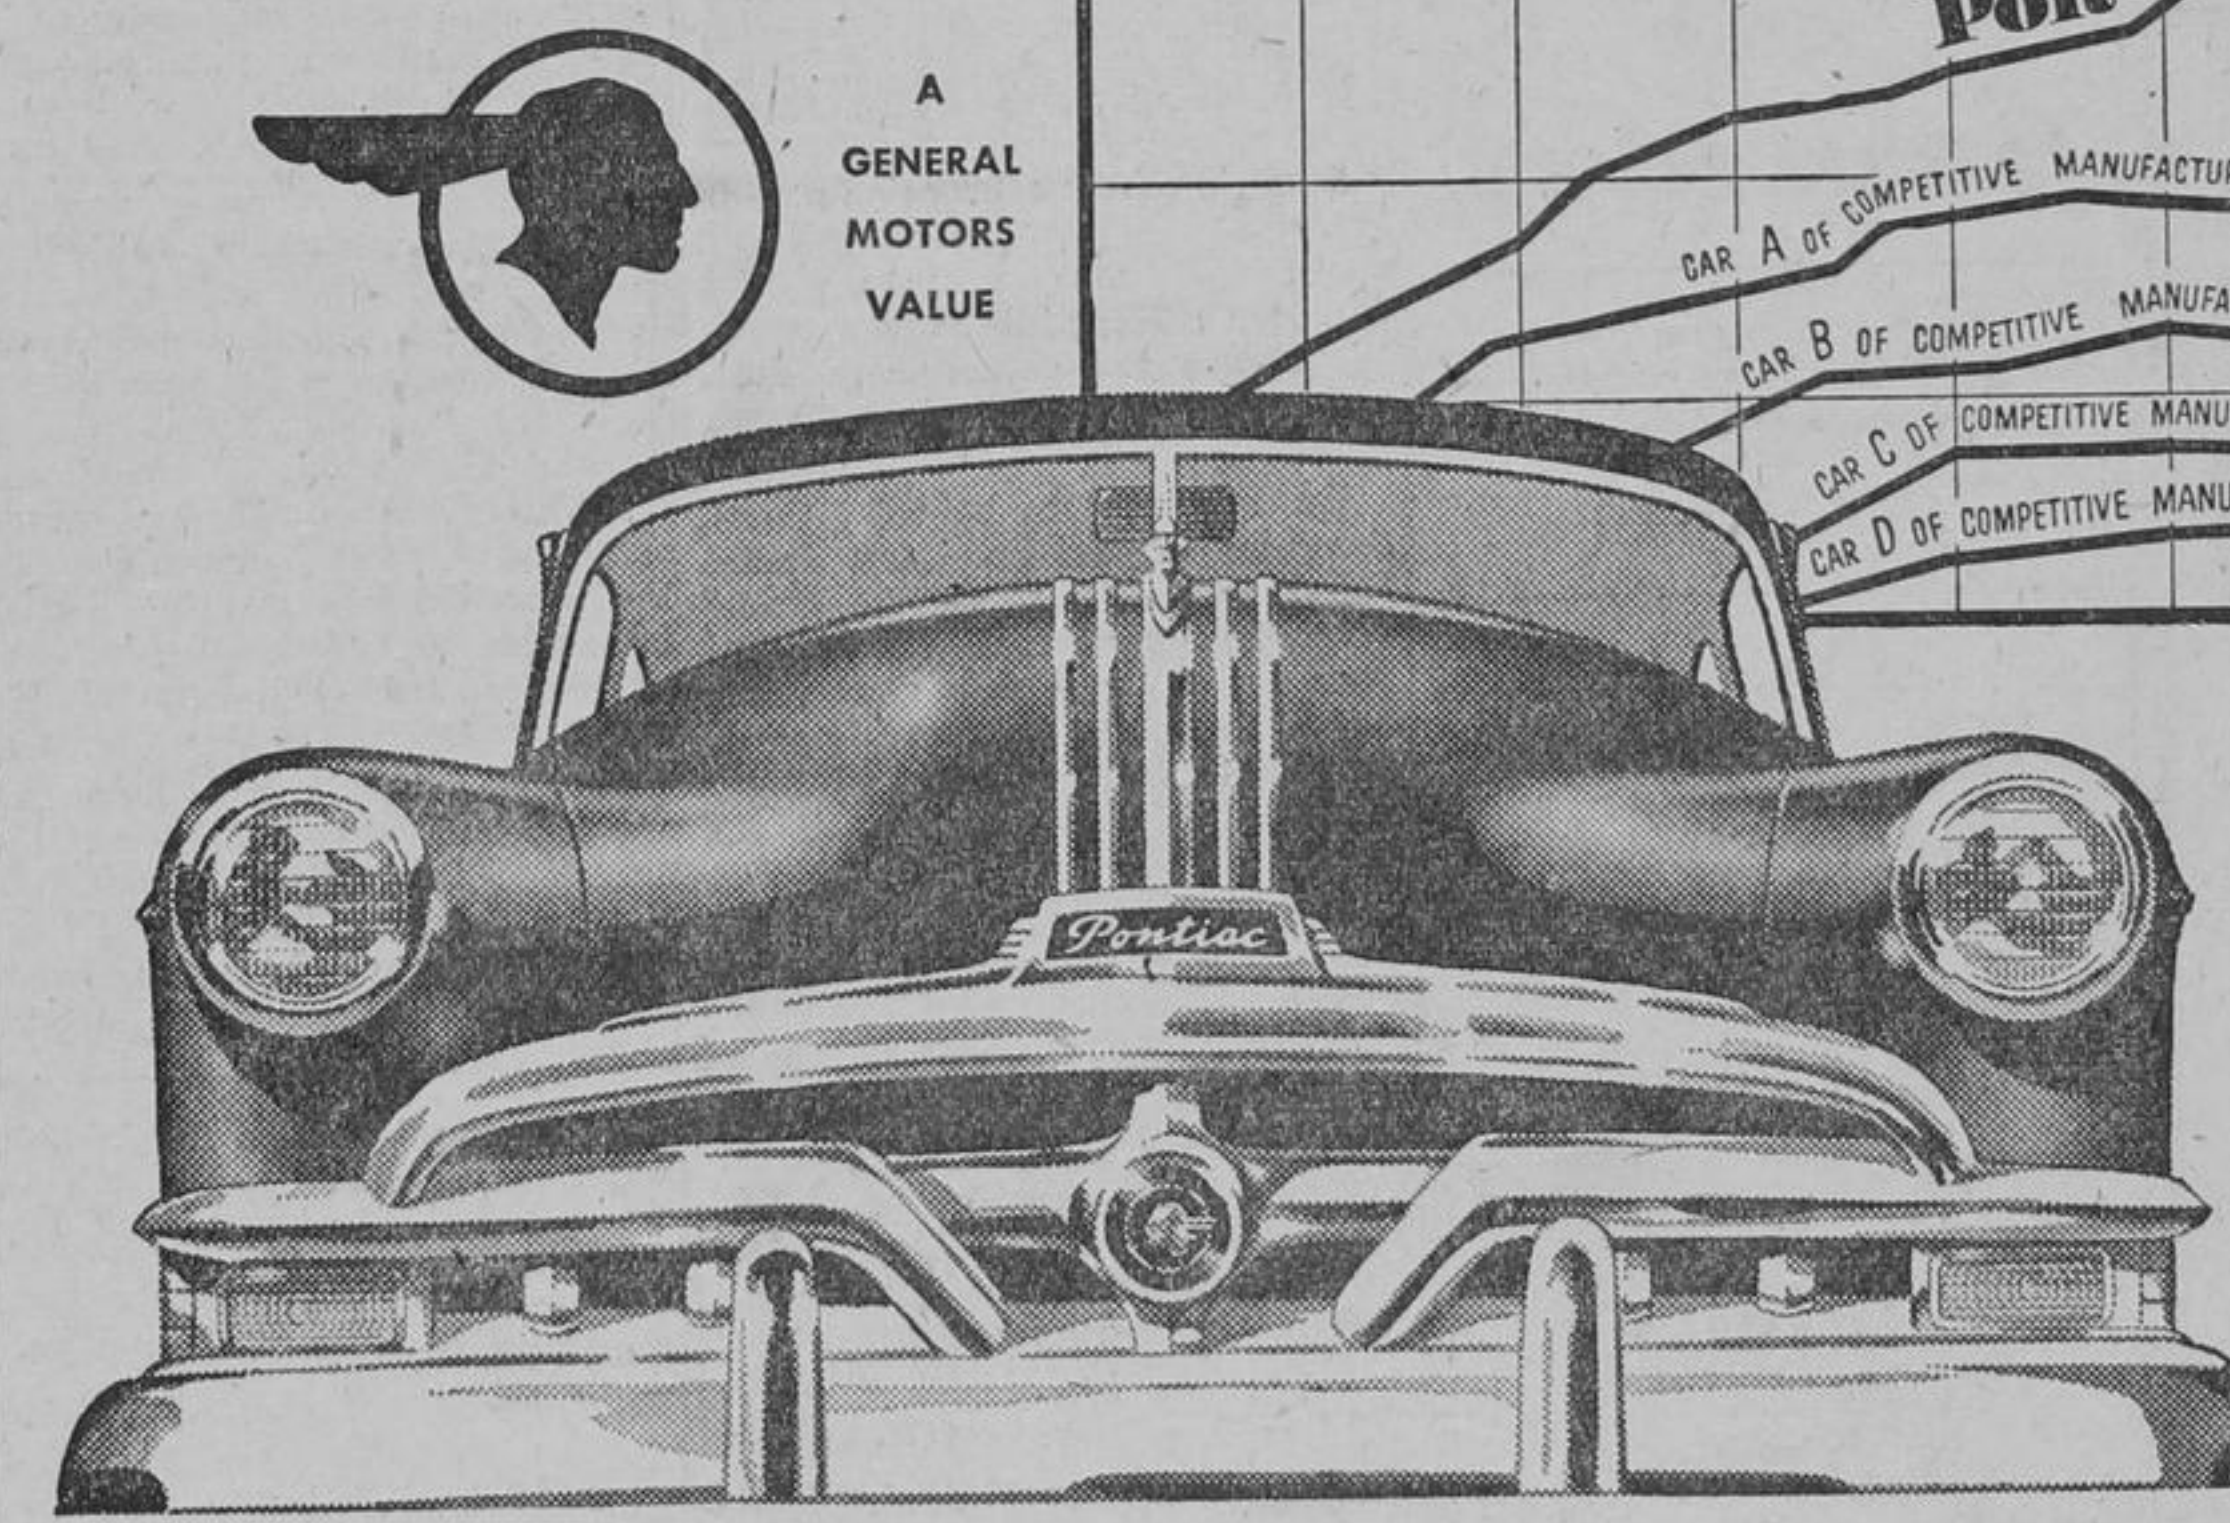

The Langstaff Cup and the Harold Mills' Trophy will be presented to the best impromptu speakers in both the senior and junior groups respectively. Also the speaker making the best prepared speech in the senior grades will be awarded the Floyd Perkins Trophy. This is a new award which has been donated to the school through the kindness of Mr. Perkins.

Miss Lola Jones will entertain with musical numbers rendered by the school choirs. Mr. Wagar also hopes to have his mouth-organ band taking part.

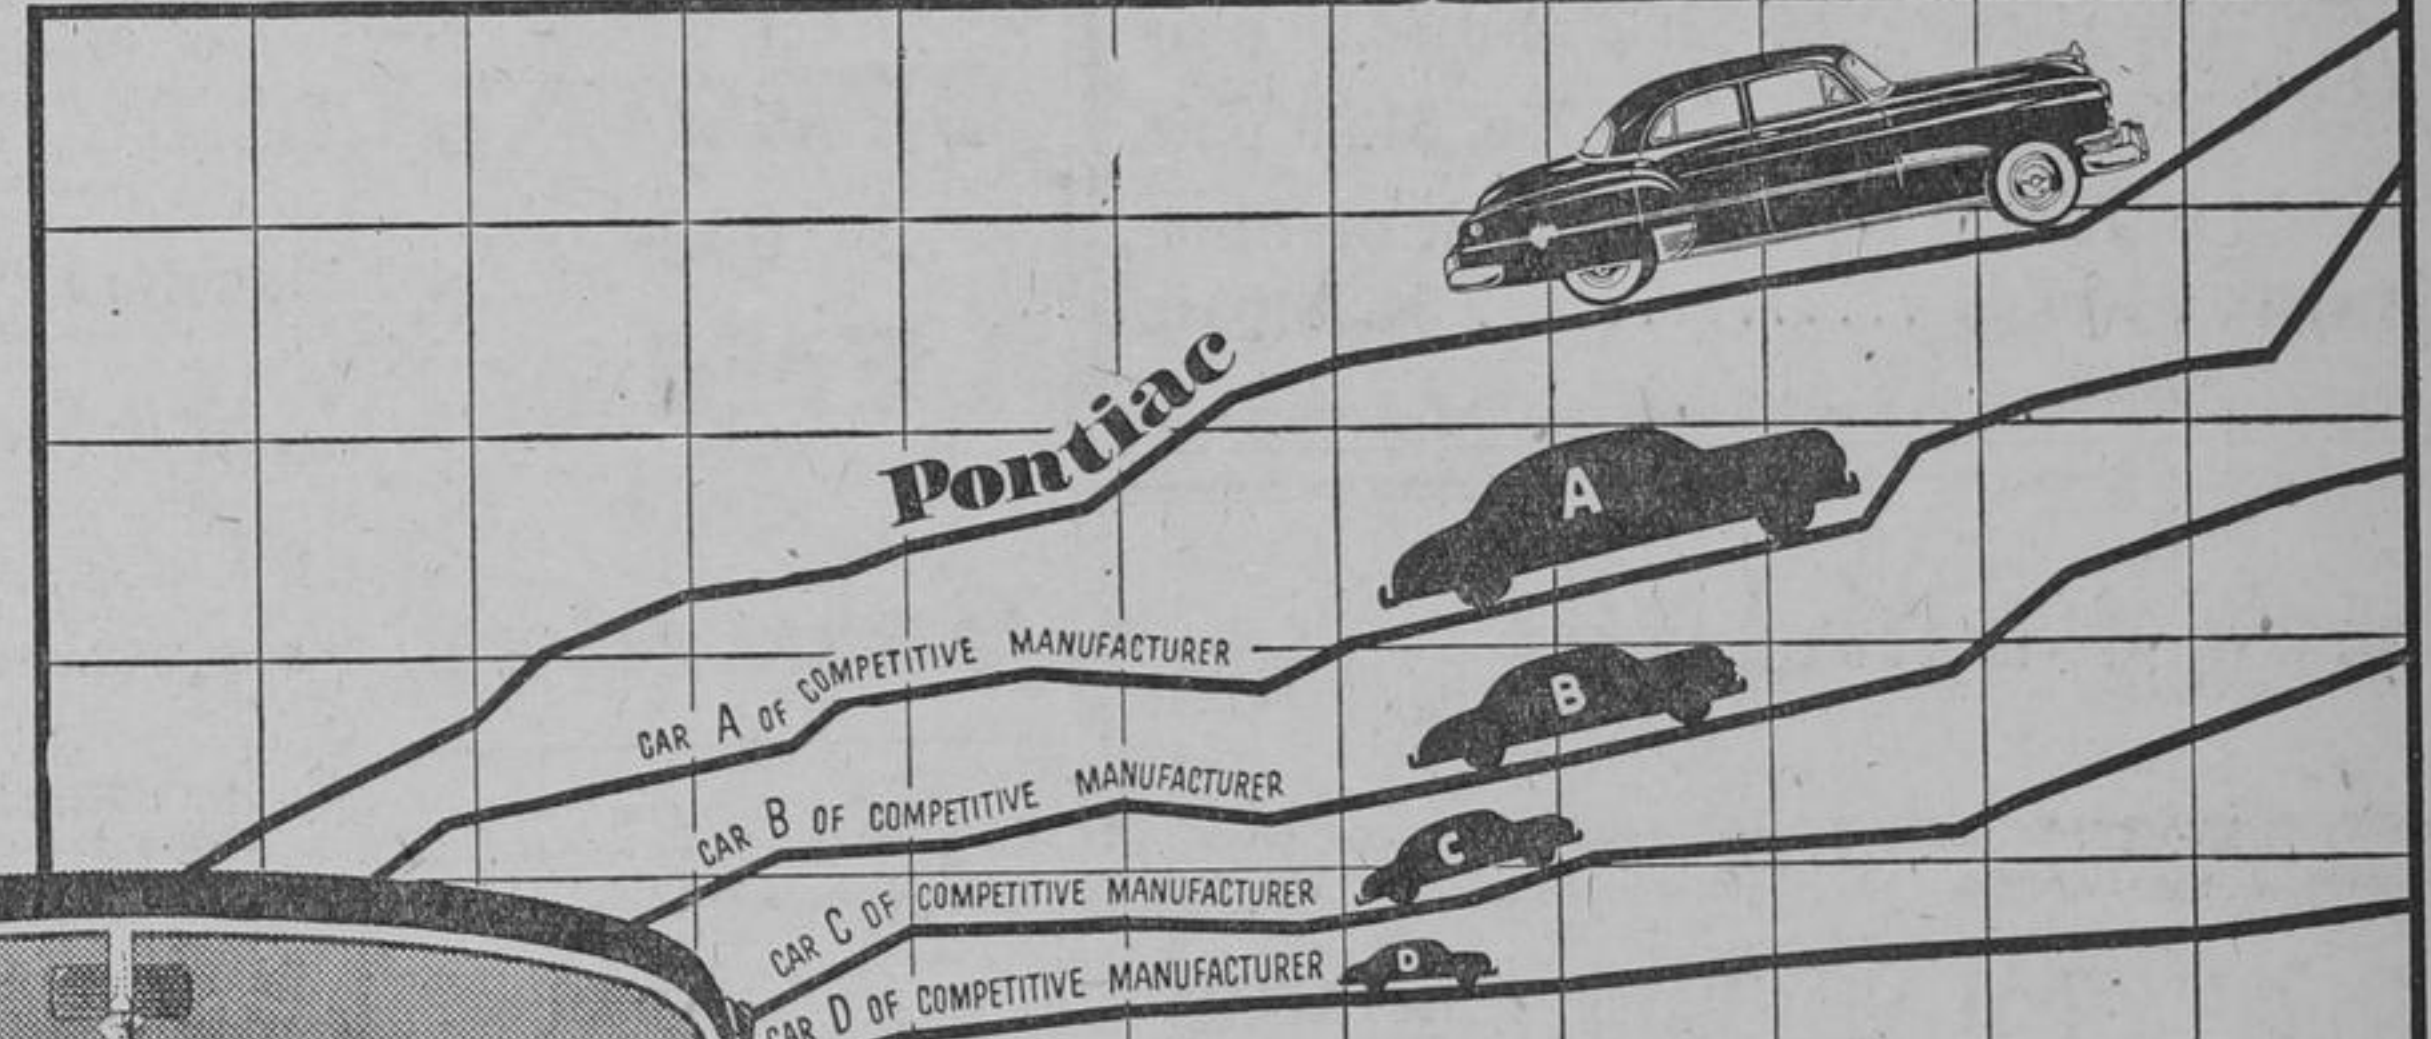

A silver collection will be taken at the door in order to meet expenses.

# Pontiac Streaks Ahead TO A SPECTACULAR Sales Record!

A GENERAL MOTORS VALUE

Record after record is being broken by the Silver Streak Pontiac!

More Canadians have bought Pontiacs during the past year than ever before! And, right here in our own district, Pontiac outsold all the respective makes of competitive manufacturers in 1950!

This is conclusive evidence of the customer satisfaction, reputation and popularity that have combined to make Pontiac the public's overwhelming choice.

There are many reasons, of course, for Pontiac's amazing gain in public preference! For Pontiac offers everything anyone can want in a motor

car. There are series and models to satisfy every purse and purpose... the economical six-cylinder motor as well as the famous eight... the smooth synchro-mesh transmission or the latest of fully-automatic drives... and all these fine features in a car that is a triumph of deftly-styled beauty, built with all of Pontiac's traditional integrity of engineering. Pontiac's record-breaking popularity is new proof that Canadian motorists recognize the solid, honest values that only Pontiac offers and proof, too, of the goodwill, pride and loyalty that is so characteristic of Pontiac's vast family of owners.

For 1951, Pontiac Offers Two Sensational Automatic Transmissions!

**GM PowerGlide**... bringing the wonderful ease and smoothness of a proved, completely automatic transmission to the low-price field... no clutch pedal... no gear shift! Optional at extra cost on Fleetleader De Luxe.

**GM Hydra-Matic Drive**... the pioneer automatic transmission that has been acclaimed by motorists for over 10 years... now even further improved, with new Instant Reverse. Optional at extra cost on Chieftain and Streamliner.
