A small flock of pine siskins was observed in the vicinity on Friday. A robin also made its appearance on Avenue Road, which should add a fillip to the hopes of those sighing for those first spring days.

We are sorry to learn that young David Smith, son of Scoutmaster and Cubmaster Mr. and Mrs. C.E. A. Smith is very ill in Sick Children's Hospital.

At the meeting of the Ratepayers Association to be held this evening, March 1, such matters as water for the community, now that water for the school is assured, and the Ward System in the Township for voting purposes will be discussed.

Drilling for water has commenced on the new school property recently negotiated by the Board of School Area No. 1 of Vaughan and Markham. International Water Supply is in charge.

The Reception Committee for the Scroll and Log Book in Richvale headed by District Commissioner Mrs. R. F. Paul should have included Guide Lieutenants Mrs.

**Trinity Church
Thornhill**

Perhaps the most startling aspect of the nature of Jesus was not his miraculous powers nor his physical or moral courage in facing all obstacles even the Cross, but rather the complete certainty of the rightness of his course once it was chosen.

To-day men find it difficult to know just what is right, and the better informed we are the less inclined we are to be dogmatic.

The reason for Jesus' certainty was of course, the closeness of his contact with his Heavenly Father.

During Lent our task is to get closer with the mind of God by seeking to follow more closely the footsteps of Jesus on his way to the Cross.

Good Friday
This day of mourning for all of Christendom will be observed in Trinity Church by two services. From two to three in the afternoon there will be a one hour devotional service when together we shall watch with Jesus as he gives his life for us on the Cross.

Then at 7 p.m. there will be Evening prayer when instead of an address the Rector will show a series of slides depicting Our Lords Passion and the choir will sing "The Story of the Cross." All who are interested in these two solemn yet beautiful services are cordially invited to join us. It is expected in the new church.

Turkey Supper
Everyone enjoys a turkey supper, and our W.A. is preparing for one immediately after Easter. Judging by the plans it will be a gala night with all the trimmings. It will be our first opportunity to show our new plant to all our friends, and we cordially invite you all to be present.

Cooking School
Tickets for the Parish Guild Cooking School which is to be put on by the Robin Hood Flour Co. are going like hot cakes. The school is to be held on April 10, 11, 12, and the programme each night will be different. In these days of high costs we all want to know how to get the best value for our money, and are very interested in making sure that our food gives us all the nourishment it contains. We are also conscious of our tendency to get into a rut in our eating habits.

The school is designed to show us how to cook to best advantage, and also to give us new ideas.

Richmond Hill

We have heard with deep regret of the passing of Frederick William Sloan in Vancouver, B.C. He was formerly secretary of the Vaughan and Richmond Hill Veterans and took a keen interest in veterans' affairs.

The dance and stage show sponsored by the branch and Ladies' Auxiliary on February 22 was an outstanding success in every way. Because of popular demand a return engagement has been arranged for early in April. Further particulars will be announced later.

Lucky draw winners were: A. E. Mansbridge, Richmond Hill, first; Mrs. Lillian Miller, Garden Avenue, Langstaff, second; Don Huntley, Yongehurst Road, Richmond Hill, third.

The executives of the branch and the Ladies' Auxiliary are grateful to the business men of Richmond Hill for their help; to Mr. A. Rice of Rice's Flower Shop, who donated a beautiful box of spring flowers; to Mrs. W. J. Adams, past president of the Ladies' Auxiliary, who donated floor prizes and to all who assisted in making the affair one of the most enjoyable of the season.

Several members of Branch 375 being keenly interested in flowers, etc., were present at the Richmond Hill Horticultural Society meeting last week. The program was greatly appreciated.

A black sweater was found after the dance in the Richmond Hill Public School auditorium. Owner may have the same by paying for this ad.
