With the increase of fire hazards property owners should review their insurance policies, and due to the increased cost of materials would be well advised to increase the amounts of insurance. Also car owners who think it will never happen to them, are caught some time or other without protection. The cost is a minor amount to what it will cost if an accident happens.

THE LEGIONNAIRES Branch 375 Canadian Legion, B.E.S.L. Richmond Hill

The executive committee of branch 375 and the Ladies Auxiliary held an important business meeting at the home of Mrs. Frank Titshall on May Avenue, when future plans were discussed.

Sunnybrook Hospital's new 128 seat chapel for the use of all denominations has extra wide aisles to permit the passage of wheel chairs. Windows on each side of the chapel will, it is hoped, eventually have stained glass in them, with coats-of-arms of the various provinces. A fine electric organ has been installed.

The first part of the name Sunnybrook suggests the light of faith and the warmth of God's goodness, which doctors, nurses and other hospital workers dispense. "Brook" suggests the constant flow of blessings from Almighty God.

The executive hopes for a full attendance of members at the next business meeting Tuesday, March 13. With another big event planned for the near future co-operation is very necessary to success.

Mrs. A. Matthews, president, asked Mrs. F. Stotts, district director to conduct the nominations and a slate was drawn up and installation of officers will take place at the April meeting. A meeting of the executive of the West Langstaff Ratepayers Association was held Monday evening at the home of the treasurer, Bob McArthur, Yongeview Ave.

The matter of street lights on No. 11 Highway intersections was discussed and placed in the hands of the Safety Committee under the chairmanship of Mr. S. G. Lunnau.

It was decided that the tentative area to be covered by the association would be identical to the Langstaff school section, viz., Westwood Lane on the north, Bathurst Street on the west, Yonge Street on the east and the Don River running through the Thornhill Golf Course on the south. Any person residing in this area who is not already a member of the association is cordially invited to attend the next meeting which is to be held at the Langstaff Public School on Monday, March 19.

Mr. and Mrs. J. Butcher, Cedar Avenue, have been very ill, Mrs. Butcher particularly. Both have begun to improve.

The Hicks children, Ross and Frances, are recovering nicely from their bout of bronchitis and measles and Ray Mountjoy, who is still in bed, though much better, after the flu, is helping while away the hours for his sister, Bonnie, who hopes to be getting up shortly. Bonnie was a very sick little girl, whose case of flu developed into double pneumonia.
