THE NEW 1951 OLDSMOBILE SUPER "88" now in production by General Motors of Canada is night-lighted by a new, wider and roomier body which features clear vision wrap-around windows with consequent greater visibility. The new series is readily identified by the distinctive bright sash moulding which extends diagonally down the rear fender to the gravel shield and also by the high crown rear fenders. The Super "88" is powered by the eight-cylinder "Rocket" engine which develops 135 horsepower. Hydra-Matic Drive is available as an option at extra cost. Shown here is the 1951 Oldsmobile Super "88" deluxe two-door sedan.

'Hard Core' of Refugees Begins to Soften

Among the refugees living in camps operated in Europe by the International Refugee Organization (IRO), a United Nations Specialized Agency, are some 25,000 old and sick persons, the "hard core" which has the greatest difficulty finding new homes. In recent months, however, homes have been provided for some of them. In the left hand photo, an aged refugee, one of 980

Ode To The Flu

(Many readers, no doubt, can confirm the sentiments expressed in the following lines. They appear in the Record of Rimby, Alberta, and The Liberal is indebted to Mr. R. H. Kane of Richmond Hill for drawing them to its attention. EDITOR)

When your back is broke and your eyes are blurred,
 And your shinbones knock and your tongue is furred,
 And your tonsils squeak and your hair gets dry,
 And you're doggone sure that you're going to die,
 But you're skeered you won't and afraid you will —
 Just drag to bed and have your chill,
 And pray the Lord to see you thru,
 For you've got the flu, boy, you've got the flu.

When your toes curl up and your tummy goes flat,
 And you're twice as mean as a Thomas cat,
 And life seems a long and dismal curse,
 And your food all tastes like hard-boiled harse;
 When your bones all ache and your head's a-buzz,
 And nothing is as it ever was —
 Here are my sad regards to you —
 You've got the flu, boy, you've got the flu.

What is it like, this blamed old flu?
 Ask me, brothers, for I've been thru.
 It is misery crossed with despair;
 It pulls your teeth and curls your hair;
 It thins your blood and dries your bones,
 And fill your craw with moans and groans
 And some time, maybe, you'll get well.
 Some call it flu — I call it hell!

North Yonge Bus Lines Continue To Show Profit

Although revenues were up, profits were less during the month of February on the North Yonge bus operation than during the same month a year ago, according to a report received by Richmond Hill council on Monday night from the TTC. Increased mileage boosted the operating cost during the month.

The report showed a net profit of \$786.41 on total revenues of \$22,434.84 during the month or an average of 3.63 per cent. During the first two months of 1951, passenger revenues increased \$2,564.49 over the same period in 1950.

Editor Given Farewell

A number of business associates gathered at Ponycrest Lodge, North Yonge St., on Saturday night for a farewell party for Colonel F. J. Picking, on the occasion of his leaving Richmond Hill to assume ownership of the Aurora Banner.

Council Is Reconsidering Permit For New Building

A Planning Board problem concerning the re-erection of a building on the site of the former Stunden Garage at Oak Ridges, which was destroyed by fire, was discussed at some length by Whitechurch Township Council. The Board had felt when they dealt with the request for a permit, that the new restaurant Mr. Stunden proposes to erect, contravenes the building bylaws in certain respects. However, new information was brought forward by council and Building Inspector Fred Cummings which Deputy-Reeve Fred Timbers felt might alter the Board's decision, and therefore the matter was referred back to them. It was stated that the Department of Highways' requirement which calls for the building to be at least 75 ft. back from the centre line, affected the Board's decision to defer judgment.

Council agreed to meet the Aurora Fire Department and council this week concerning arrangements for a fire area. Costs previously proposed by Aurora have been away out of line with other similar areas.

A communication was tabled from the Oak Ridges Lions Club in which they stated that they wished to co-operate with the township in every way possible in connection with any Civil Defence plans. Council appointed Col. S. C. Snively Civilian Defence co-ordinator.

Realtor Declares Business Is Brisk All Over The Area

A greater increase even beyond last Spring in Real Estate transactions, is reported by David McLean, Thornhill Realtor. When purchasers are unable to find a house to suit them, they buy a lot and build one, is the experience of the sales staff.

Two of the sub-divisions handled by the McLean Company have been in particular demand. Purchasers of the Scott subdivision at Stop 21, have been Terence O'Brien, James Walker, Thomas Yoffe, Christopher Andonoff, J. A. Laframboise, all of Toronto.

In the recently opened McMahon subdivision on No. 7 highway bordering the Thornhill Golf Club, lots have been sold to S. Gordon Cleland, D. P. McIntyre, William Heron and John Heron of Toronto.

Houses sold in the Richmond Hill district include the property of George Hislop on Ruggles Ave. to Leon Hudson, of Long Branch; the newly constructed house of Frank Steffy on Richmond St. West to James Whittingham, Toronto, and the home of Duncan French at Elgin Mills to Mark Daly of Agincourt.

In Thornhill district the home of H. T. Rowland, Don Mills Road, was sold to George Oakes of Toronto, the home of Edward Juhlin, Grandview Avenue to Edwin Meuser of Toronto and the property of Gordon Armstrong on the 3rd concession Road to E. B. Kernaghan of Toronto.

The farm of C. G. Maclean in the Aurora district has been sold to R. H. Rough of Toronto, and the store of James F. Westhead of the Town of Aurora, to Albertin Hamill of Toronto.
