Mushroom-Smothered Chicken

WHAT could be better than chicken? The answer — why, more chicken when it's in a rich mushroom sauce.

If you want to see folks smack their lips, set a platter of this before them. It's a real company-style way to serve chicken. Slow cooked in the mushroom sauce, the chicken takes on a flavor that is "wonderful good." And that sauce is right at your fingertips, ready for quick use, in the form of condensed cream of mushroom soup. It's a good money-value, too.

For a traditional chicken dinner, also serve mashed potatoes, a vegetable such as green beans, and a spring salad. Choose something light to finish on, perhaps a spring surprise in the form of lemon sherbet with macarons.

Mushroom-Smothered Chicken
4-5 pound chicken (large fryer or roaster), drawn and cut in 4
1/2 cup flour
1 teaspoon paprika
1/2 teaspoon salt
1/2 teaspoon pepper
1 cup shortening, melted
2 cans (2 1/2 cups) condensed cream of mushroom soup
Rinse and dry chicken pieces. Combine flour, paprika, salt and pepper; coat chicken with this (an easy way is to put flour mixture in a paper bag, add a few pieces of chicken at a time, and shake together). Brown chicken on both sides in hot melted shortening in

large skillet or pan. Drain off excess fat. Pour in soup and stir well; cover and simmer over low heat for about 1 hour (takes less time with fryer). This is enough chicken with mushroom gravy for 8 servings.

SOUP SCOOPS

TOMATO CHOWDER: For an extra-rich, "tomato-ey" chowder, combine 1 can of condensed tomato soup and 1 can of clam chowder. Then blend in 2 can-measures of liquid, milk or water. Heat as usual. This serves 3 or 4.

SPINACH IS GOOD IN SOUP: A little chopped cooked spinach is a tasty addition to any of these condensed soups—cream of mushroom, chicken or celery. Tastes so good, looks pretty and spring-like.

MILK 'N SOUP: When you serve condensed soup mixed with an equal amount of milk, you're doing your family a double favor. They enjoy some mighty pleasant eating. And there are real nutrition benefits in each bowlful. You can either use fresh or evaporated milk with the soup. When you use evaporated milk, you'll get good results by mixing it with an equal amount of water before adding to soup. Try it with any condensed cream soup, green pea or tomato.

Whitchurch Adopting Tax Instalment Payment Plan

Effective this year, Whitchurch Township taxes will be payable on the instalment basis, with a 4% per annum discount allowed. The first instalment is payable on or before June 30, with the final payment to be made on or before December 15. Instalment payment of taxes is the system in use in most urban municipalities, and in many surrounding townships, including Markham and Vaughan. A great percentage of ratepayers favour the system while council feels that the interest charges being paid to the bank on the annual plan might more favorably be paid to the taxpayers.
