THE NEW 1951 BUICK offers Dynaflo automatic transmission as standard equipment on the Roadmaster series and as an option at extra cost on the Custom series. Buick marks its return to Canada after an absence of three years with completely new bodies, a new grille which flexes with the bumper, reducing the possibility of damage, the famed Riviera styling in certain models, new brakes, a choice of two new and more powerful Fireball engines and many mechanical features. Buick for 1951 offers a variety of models including a convertible and two "hard-top" convertibles. Shown here is the Buick Roadmaster Riviera "hard-top" convertible.

Charlie McCarthy Playing
 "Charlie McCarthy and Mortimer Snerd in Sweden" is currently the added attraction at the Richmond Theatre. The film is a Warner Bros. two-reel featurette in Technicolor and was produced by Edgar Bergen and directed by Larry Lansburgh.
 The comedy-short shows Bergen, in company with his famous radio dummies, on a hilarious tour of Sweden. A colorful slant on modern Scandinavia is featured between laughs.
 Canadians of Swedish extraction will be especially interested in seeing "Charlie McCarthy and Mortimer Snerd in Sweden," due Friday as the added attraction on the Richmond Theatre screen. The film presents highlights of modern Sweden, which still retains the old-country charm reminisced of by the forebears of Swedish-Canadians.
 Produced by and starring Edgar Bergen, one of the country's outstanding Scandinavian-American personalities, the Technicolor, comedy featurette presents scenes of the Gothenberg museum, park and waterways, in addition to the stirring spectacle of a royal parade, through the streets of Stockholm with the monarchs of Sweden, Denmark and Norway participating.

United Church Women Hear Interesting Talk On Korea
 The Easter meeting of the afternoon auxiliary of the Woman's Missionary Society of the Richmond Hill United Church, held on April 5, was very interesting.

Mrs. Wm. Scott, a recently returned missionary from Korea addressed a large gathering of ladies, representing the auxiliaries of Maple, Thornhill, Carrville and Richmond Hill. Mrs. Scott has spent many years in Korea, leaving on furlough just before the trouble in that country began.

.....

Everything that she possessed has since been destroyed. Mrs. Scott has a deep admiration for the Korean people, and spoke of the fine Christian character of many of them. She feels that the 38th parallel is separating them only politically. The Koreans are experiencing severe hardships being homeless and without necessary clothing.

Mrs. Scott expects to return to Korea whenever the opportunity arises.
