Deadline Is May 7th.

Engineers Are Calling For Tenders For New Sanitary Sewer System In Richmond Hill

Council Will Have By-law Drawn Up Providing For Two-Hour Parking Limit

Tenders for Richmond Hill's new sewer system are being called for and will be accepted up to May 7, the council was advised Monday night by Proctor, Redfern and Laughlin, engineers for the new system.

Bids at the present time are only being sought for the sanitary sewers of which approximately eight miles must be laid on the village streets.

Following receipt of a letter from the Ontario Department of Municipal Affairs with respect to financing a debenture issue of approximately \$300,000 for the sewer system, the reeve and clerk were named a committee to confer with the village solicitor, J. D. Lucas, to discuss details.

The village hopes to float its debenture issue through the Ontario Municipal Improvement Corporation which is said to provide money at a lower figure than the prevailing rate of interest.

Council decided to put up more street lights using up a stock that is reposing in the municipal building at present.

A letter from the Canadian Legion with respect to a veteran in Sunnybrook Hospital who is said to have suffered a fractured neck when he slipped on a Richmond Hill pavement was ordered turned over to the insurance company.

Lorie Roy, manager of the local Hydro, reported that he was preparing a list of steel and non-ferrous metals on the local system as required by the Defense Production Board.

A letter from the Department of Municipal Affairs advised that one of a series of educational lectures for municipal officials will be held in Toronto on May 2. The clerk was authorized to attend together with the assessor and as many other municipal officials as possible.

The council named Howard White assistant clerk at a salary of \$2,000. He was one of five applicants for the job and one of two interviewed by the council.

The council agreed to supply water to a Mr. Murray operating a cement processing plant at Richvale at a figure of 35¢ per thousand gallons. Mr. Murray estimated that he would use from 7,000 to 8,000 gallons a day.

Clerk Russell Lynett was authorized to call a meeting next Monday of the representatives of four municipalities which will consider jointly the problems of dog control and an incinerator.

Councillor Middleton said he had been approached by several business men with the suggestion that curbs be removed from in front of their business places to permit cars to drive in and park. He said it would tend to relieve traffic congestion on Yonge Street. The

Cleanup Week

On the suggestion of Councillor Perkins, the council decided to proclaim the week starting April 30 as cleanup week in Richmond Hill.

The councillor pointed out that Arbor Day was celebrated in the schools the first Friday in May and as it was generally a cleanup day there, it could tie in with the general picture.

Thornhill Lions Celebrate Their 4th Anniversary

Besides being the fourth Anniversary of the founding of the Thornhill and District Lions Club, Monday was also Ladies Night when members and ladies were entertained at a meeting held in the Thornhill United Church Hall.

The large attendance was very gratifying and entertainment provided by Cawthra Brooks renowned mind reader and Mentalist, was thoroughly enjoyed.

Lion Harvey Sheppard, who has recently left this area, was in attendance and was thanked by the Club President for the contribution he had made to the Club in the past as pianist and musician.

Announcement of a Dance to be held on April 27 at the New Uplands Golf and Country Club was made by Lion Frank Harris. Funds from the dance will be used to purchase the street signs for the area, one of the current projects of the club.

Nominations were made for the executive of the Club for the coming year and resulted in the following appointments by acclamation: President; Percy Bone; 1st Vice-President; Dick Jeffery; 2nd Vice-President; Joe Lanthier; 3rd Vice-President; J. Benthart; Tallwater, Frank Nicholson.

The remaining offices will be filled by election at the next regular meeting.

CENTURY-OLD SHOE

An old shoe believed to be at least 100 years old is on display in The Liberal window. It tumbled out when workers were removing a partition in the home of Joe Percy at Brown's Corners on the Markham road last week. It is apparently hand made with wooden pegs and a copper toe plate.

Coming Events

APRIL 20 - Friday. Richmond Hill Tennis Club will hold its re-organization meeting at the High School, Wright St. (in the library) at 8 p.m. Members and prospective members urged to attend. \*1w42

APRIL 23 - Monday. Regular meeting of West Langstaff Ratepayers in Langstaff Public School at 8 p.m. c1w42

APRIL 25 - Wednesday. Bmgo, under auspices of a Canadian Legion at the Graystones, Aurora, at 8 p.m. 25 games, \$300 in prizes. Admission 50¢. \*1w42

APRIL 25 - Horticultural "Bird Night" with Dr. W. W. Hughes, sound movies, Public School Auditorium, 8.30 p.m. Silver collection. c1w42

MAY 12 - Mother's Day Tea and Baking Sale under the auspices of the Women's Institute in the auditorium of the public school. c1w42

Vaughan's Tax Is Set At 14 Mills

The general tax rate for Vaughan township for the year 1951 will be 14 mills the council voted after consideration of the budget this week. This is a boost of two mills over last year.

Inasmuch as school rates must be added to this, it means a total levy of from 17 1/2 to 54 mills over the township. School rates range from 3 1/2 to 40 mills.

The council also decided to seek an appointment with Robert H. Saunders, chairman of the Ontario Hydro Electric Commission with respect to street lighting in Thornhill Village, at the corner of Yonge Street and Garden Ave., also one at Jackes Ave.

Clerk McDonald reported that a survey had been made of the situation by Mr. Madoc, district consumer engineer for the Ontario Hydro and Lory Roy of the Richmond Hill system. Mr. Madoc had expressed the opinion that payment for the service should be made directly by the Vaughan and Markham township councils.

Inasmuch as the council maintains that ratepayers in the area affected should pay for the improvement, it was felt a further conference with Hydro officials would serve to clarify the procedure. The Ontario Department of Highways will not permit Hydro to make capital expenditures on provincial highways.

The council gave approval to a bylaw covering the establishment of a community center at Thornhill with the following acting on the board: Reeve Hostrawser and Councillor Rutherford and Eric Anstey, John MacNeil, Thomas Jackson, S. S. Tobias and Herbert Rogers of Thornhill.

Spencer Vernon was awarded the contract for providing approximately 15,000 yards of gravel to the township at a price of 17¢ a cubic yard.

The council decided to give further consideration to request from the Southeast Vaughan Ratepayers Association that houses be numbered on Jackes Ave. to facilitate deliveries there. Owners there also want the name of the street changed to Crestwood Ave.

A bylaw was passed providing for the issue of \$170,000 in debentures to cover the cost of construction of a new school in the Richvale area.

REPAIR NORTH ROAD

Whitchurch township council is going to take immediate action to repair the north Wilcox Lake Road which has been impassable over long stretches of the winter months.

Tenders are invited to be in by Saturday, April 28 for grading, shaping, graveling and installation of culverts and ditches over approximately 6600 feet of road.

War Brides Meet Wednesday

The next meeting of the local War Brides Association is to take place on Wednesday, April 25, at the home of Mrs. L. Hawkes, 95 Roseview Avenue, Richmond Hill, at 8 p.m.

The roll call will be answered with an article to be included in food parcels to be sent overseas.

Nearly Drowns

Patricia Tonner, 23-months-old child of Mr. and Mrs. F. M. Tonner, Oxford Rd., Elgin Mills was nearly drowned Monday afternoon when she fell into a ditch in front of her home filled with three feet of water.

Her brother, Marshall, four years old, attempted to rescue her, but the effort was too much and his screams brought the mother, who had been hanging out washing, to the scene. The child was face down in the water and was unconscious but prompt action by the mother brought her around although the latter suffered some anxious moments.

With the weatherman co-operating, the Spring Fair sponsored by St. Mary's Anglican Evening Guild got off to a good start on Saturday afternoon in the Masonic Hall.

Mrs. Douglas Boyd then introduced Lady Flaville who spoke a few words, stressing the inspiration that craft work can give, and told of the growth of King Craft, from the time when thirty-two women (and one baby) met together, chose their executive, and their name, to the present time, when the membership is up to sixty and has had to be closed. She then declared the Fair open.

Among the exhibitors was Mrs. Moore, with several colorful plaids displayed and on her loom a delicate work of rose pink that she was working on during the afternoon. Miss Liversedge brought several partly completed handbags to show their construction and demonstrated the art of tooling leather. Under his chisel, Mr. Alfred Perry skillfully transformed blocks of wood into animal forms and even faces in the audience!

Side by side, Mr. Douglas Boyd and Mr. Cliff Bennett displayed the precision tools necessary to the fine silver work. . . with Mr. Bennett demonstrating the art of silver engraving and Mr. Boyd fashioning rings from silver and stone during the afternoon.

The floral display on the platform, representing the blossoms of the four seasons of the year, was the work of Mr. Sears from Oak Ridges. . . and a large crowd watched, fascinated while he twisted the colored petals into dainty pansies or delicate morning glories.

Lewiscraft from Toronto had an interesting table too, demonstrating

Second row: Janet Tomlinson, Elsie Nicol, Florence Little, Joan Marinoff, Jacquelyn McLean, Judy Uren, Gwen Stapley, Patsy Ramer, Ruth Scott, Joyce Jefferson. Front row: Robert Gates, Keith Cross, Bryan Mills, Watson Cottrill, Lynn Jackman, Ken Tomlin, Carl Teetzel, Ron Heisey.

All's Well That Ends Well

At the meeting of the Richmond Hill Public School Board last Thursday night, members of the board and the council went into considerable of a huddle regarding reports that disparaging remarks had been passed about the board at a recent meeting of the council.

Specifically, as chairman James Pollard pointed out, he had been advised that a member of the council had said he had heard the school board had laughed at the councillors when the latter had passed the school budget without opposition.

According to the story told him, Mr. Pollard said the councillor had allegedly received such information in a telephone call from an unnamed third party.

Mr. Pollard said the school board was justifiably annoyed at the insinuation which had no basis whatsoever in fact. He said the board worked just as zealously as the council in keeping costs down to a minimum and an unavoidable increase in teachers' salaries was the reason it had had to jump its budget this year.

There was some more discussion with the joint meeting finally breaking up amicably and members of each body pledging continued co-operation in administering the affairs of the community.

Purchase of a four-way movie projector for Richmond Hill public school was approved by the board. The equipment will be purchased from Audio Visual Associates and has been under consideration by the board for some time. It will be subject to the approval of Principal Walter Scott and Trustee (Mrs.) Langstaff.

A new teacher, Gerald Orton of Agincourt, was engaged at a starting salary of \$2,000 a year and the resignation of P. Wagor from the staff, was accepted. The board asked to have present members of the staff signify by April 20 whether they intended to retain their posts here after September 1. This will give ample time to make replacements should any further resignations be handed in.

A letter from Robert H. Saunders, chairman of the Ontario Hydro Electric Power Commission, stated that the Commission had investigated complaints of difficulties in the power service following conversion to 60-cycle and had adjusted them. The board concurred in the view that everything was now functioning satisfactorily.

Chairman Pollard reported that he hoped to have the fencing on the south side of the school installed shortly.

Trustees Butlin, Barber and Armstrong were named a committee to represent the board in dealings with the attorney, J. D. Lucas, in connection with acquisition of a site for the new public school.

Plan Museum

The Richmond Hill Women's Institute is desirous of establishing a museum in connection with the Tweedsmuir History being compiled of Richmond Hill.

They take this method of soliciting contributions for this museum - old records, pictures, newspapers, school books or reports, articles used in pioneer days, are just a few of the interesting things found in such a museum.

If you have anything you would contribute, please contact Mrs. L. W. Zuefelt, convener of Historical Research Phone Richmond Hill 923.

Local Athlete Is Top Star In OHA Playoff

Norm Stunden, well-known Richmond Hill athlete who has excelled in softball and hockey has been one of the sparkplugs in the hockey drive that has taken the Markham Millionaires to the finals for the senior OHA "B" title.

Norm has been consistently brilliant in the nets for the Millionaires all season long but was in specially fine form at Oshawa when his brilliant goaltending played a large part in the Markham club eliminating Kingston Nylons in the semi-finals.

Bunny Morganson tells about it in The Toronto Telegram as follows:

The siren wailed the end of the game here last night and the Markham Millionaires skated toward their goal to almost smother their little netminder, Norman Stunden for his terrific chore against Kingston Nylons.

Markham, winning the game 5-4 accomplished what the experts said was impossible. They had eliminated the rugged Nylons four games.

Richmond Hill Couple Mark Golden Wedding Day

Residents of this district for the greater part of their married life, Mr. and Mrs. William Mylks, 76 Yonge St. North, Richmond Hill, quietly celebrated their golden wedding anniversary last week.

To mark the event, the couple were the guests of their son, William at a quiet dinner party in the Prince George Hotel, Toronto, on Tuesday, April 10.

In the afternoon, Mrs. Mylks was the guest of honour at a party given in the United Church by the Woman's Association of the church and was presented with a bouquet of 50 roses. The presentation, was made by Myrtle Dolan with an interesting address being given by Mrs. James Pollard, who spoke of the many years of faithful service which Mrs. Mylks had given to the church, not only as a valued member of the Woman's Association, but also as a member of the choir.

In replying, Mrs. Mylks said that she had come to live in Richmond Hill thirty-seven years ago, and had many pleasant memories of her associations with the people of the church. She hoped to enjoy many more years of happy relationship with the people of Richmond Hill.

Then the anniversary cake was

cut and the bride of half a century ago was toasted all round. The H. Sanderson.

Mr. and Mrs. Mylks were married in 1914, Mr. Mylks being employed as a baker. Of recent years, he has been at the Parliament Buildings in Toronto. Mrs. Mylks has been a member of the W.A. of the church and also of the Women's Institute, of which she was treasurer for a number of years.

Mr. and Mrs. Mylks have had two sons by their marriage, Clarence, who worked for the Hydro Electric Power Commission here for 21 years and now holds an executive position with the Commission at Brockville and William who lives at the Mylks home and is employed by Dr. Mason and Grant living with his parents at Brockville. They are children of Clarence.

The couple have been the recipients of numerous gifts and congratulatory cards.

Mr. and Mrs. Mylks are consistent readers of The Liberal and have been since they first came to Maple over 40 years ago.

It was the first wedding in the church and the couple was presented with a Bible on behalf of the church trustees.

The couple came here from Maple in 1914. Mr. Mylks being employed as a baker. Of recent years, he has been at the Parliament Buildings in Toronto. Mrs. Mylks has been a member of the W.A. of the church and also of the Women's Institute, of which she was treasurer for a number of years.
