Council will further study the matter.

Want Parking By-Law
Holding there should be some curb on indiscriminate parking in the municipality, council voted to have Solicitor Lucas draw up a by-law that would provide for a maximum of two-hour parking on all streets in the municipality with the exception of Yonge Street.

The by-law will also provide for making it illegal to park in front of driveways, Reeve Neal claiming that this latter practise was pretty common and ought to be checked. Deputy Reeve Taylor, who presided over the meeting, felt that the parking restrictions should apply all over the village as well as in front of driveways.

Councillor Middleton asked the council what action he should take with respect to a case on Hall St. in which a permit for a building had been issued three years ago and beyond excavating for a cellar the owner had gone no further. It was felt the permit should be cancelled.

The council gave its approval to a bylaw to issue \$10,000 in debentures to cover the cost of frequency standardization extensions in the local Hydro system.

Clerk Lynett was instructed to get prices on the cost of a new linoleum for the floor of his office. He said it was impossible to keep the present floor clean.

Reeve Neal announced that James Butler had agreed to accept the post of civil defense co-ordinator.

to two and earned the right to move into the OHA senior B final against Brantford Burtols.

While Russ Robertson again came through in the clutch with Markham's fifth and winning goal after 9.58 minutes of the last period, it was the ambidextrous Mr. Stunden who stood on the burning bridge and successfully fought off the shower of rubber Nylons fired during the final hectic five minutes.

It was a great comeback for Markham's goalie. His over-anxiousness to play defense, as well as goal during the first period, had given Kingston the opportunity to break out with a 3-1 lead.

The Millionaires didn't do so well in the finals, taking an 11-2 shellacking at the hands of Brantford Monday night but that's another story.

When he's off the ice, Norm is employed in the composing room of The Liberal.
