Talented Piansit Will Be Guest Artist At Festival

The North York Choral Society will feature Dale Childs as guest artist at the May Festival of Music to be held at McKee Ave. School Auditorium, stop 8A Yonge Street on Wednesday, May 2, at 8.15 p.m.
 Mr. Childs is a very talented young concert pianist who has already received world acclaim as a talented artist and has been assured a brilliant future by the music critics of many nations.

The conductor of the Buffalo Symphony orchestra stated after a recent concert, "He is undoubtedly the most promising talent I have heard since coming to Buffalo." The Musical Club of London, England, reports, "It has been a great pleasure to hear Mr. Childs, we feel that he has a great future ahead of him as a concert pianist."

The officers of the Choral Society are proud to present this talented young pianist.

The programme will, of course, include a splendid variety of Classical and Sacred numbers by the Choir under the direction of Mr. A. Melecci. This group has been formed through the efforts of the North York Community Centre to further the interest in good music in the community, and this is the first evening's entertainment sponsored by the Choral Society. It is anticipated that these concerts will be featured regularly as the choir becomes more firmly established.

Assistant Appointed

Col. the Hon. T. L. Kennedy, Ontario Minister of Agriculture, announces the appointment of Edwin Keith Parker Pearson as Assistant Agricultural Representative for York County.

Raised in Simcoe County, Mr. Pearson has a farm background and was a member of the Championship Potato Club Team in 1941. He graduated from Ontario Agricultural College in 1947. Since that time he has been in the Plant Protection Division of the Science Service, Dominion Department of Agriculture. His work has been mainly connected with Potato Inspection.

Mr. Pearson replaces James W. McCullough who was recently appointed Agricultural Representative for Peel County. He will take up his new work on April 16.

 41 Drury Avenue, Highland Park
 Telephone Thornhill 398R2
 Mr. and Mrs. Doug Winnett entertained friends on Saturday evening. It was their house-warming and from all reports everyone had a most enjoyable time.
 Mrs. A. R. Funnell of Woodward Avenue has taken over the duties of secretary for the Highland Park Ratepayers Association. Mrs. Bigelow has found it necessary to resign due to so many other obligations.
 A general meeting of the Highland Park Ratepayers was held last Monday evening. The speaker was Mr. Jackson Taylor. Mr. Taylor discussed the new school which is to be built on the east side of Yonge Street. The meeting was one of the most interesting to date and Mr. Taylor's talk was very much enjoyed.

Dividing Line For School Areas Is Proposed By Markham Council

A proposed division of the Markham-Stouffville High School Area was approved in principle by the Markham township council Tuesday night and a resolution setting out the boundaries was passed.
 The resolution sponsored by Councillors James and Clark provides for the division of the Area as follows:

Stouffville and that part of Whitechurch forming the existing area with that part of Markham townships comprising lots 26 to 35 inclusive on the easterly half of Concession 4 and Concessions 5, 6, 7, 8, 9 and 10 and that part of Markham township lying south of the area described herein with Markham village as the second area.
 Possibility that additional school space will be required in the not too distant future and difficulty in deciding where such space shall be located led to the action by the council. The proposal will be submitted to Stouffville, Whitechurch and Richmond Hill for their consideration.
 Both Stouffville and Markham schools are now operated by one board.
Many Delegations
 The council was forced to make the meeting a two-night session because of the large number of delegations from the western section of the municipality with water, drainage and other problems, who waited on the council Monday night.
 On motion of Councillors Hooper and Clark, council endorsed construction of a sidewalk on Yonge Street from Lot 40 to Garden Ave.

Markham Home Is Gutted

Richmond Hill firemen were called out Saturday night to battle a fire which badly gutted a home on Markham sideroad and the 4th concession, Markham township.

The building was occupied by J. Mitchell and no one was home when a neighbor discovered the fire and called in the alarm. This neighbor, whose name was not learned, organized a one-man bucket brigade and by pouring water through a window helped to check the flames somewhat.

The firemen were three hours bringing the fire under control. They said that insulating board proved very efficient in protecting the outer walls of the structure.
