Cubs Have A Real Outing

Ten peppy little fellows all dressed in their Cub uniforms, and carrying their blanket packs, set out in two cars on Saturday afternoon for "Sumac" the wonderful property at Oshawa, that has been presented to the Boy Scouts by Col. McLaughlin. Ten very weary little Cubs returned on Sunday evening, but all reporting a grand week-end. The boys were Tim Grew, Bill Patton, John Martin, Charles Shields, Jimmy Langdon, John Walker, Bruce Williams, Ronny Williams, Robert Ascott, and Donald Gordon. They were accompanied by the Cubmaster who is Mrs. Tony Hood; assistant Cubmaster, Jack Hambly, and Miss Mary Walker, who was general helper and chief pancake maker.

Mrs. Hood reports that they tramped miles through the trails, and played soccer in their spare moments, and had the best time of their lives. On Saturday evening they sat around the big open fire in their cabin which was called "Cubland" and sang songs. In "Cubland" there is accommodation for 70 boys, and the sleeping quarters are arranged in groups of four bunks built of varnished half logs with wonderful rubber foam mattresses. The weather was unpleasant, but that did not matter. "It is the sort of place where you feel happy all the time," said Mrs. Hood. The boys plan to repeat the trip next year, when they hope to swim in the stream. One Cub had hoped to open the swimming season this week-end, for he took his bathing suit along on Saturday.

Tractor owners will be interested to know that tractor service mechanics from this district recently attended one of the general service schools held throughout Ontario this winter. The courses were conducted by factory trained instructors and dealt with every phase of tractor repairs and maintenance. In the class picture above is Frank E. Robson, of Maple, son of Councillor James Robson of Vaughan Township, he is fourth from the left, front row.

Advisory Group Is Named On Community Hall Project

Rev. W. E. Smalley and Mrs. Smalley received the representatives of community-minded organizations at their home on Friday evening. Mr. Smalley had undertaken to get all information possible regarding Community Halls Act, and it was to impart this knowledge that the meeting was called.

About three weeks ago Mr. and Mrs. Smalley had visited the new Community Hall at Bond Head, and were much impressed with the building, and with the splendid way it had been financed and developed, and how it had continued to carry on its activities in fine community spirit. Mrs. A. E. Jarvis, representing the Women's Institute thanked Mr. Smalley for his well prepared report.

Others present were Mesdames Arthur Fleet, A. Campbell, Tony Hood, Ivan Specht, J. L. Grew, and Miss D. Patton and Messrs. J. L. Grew, A. Jarvis, Bob McLeod, E. Harvey, D. Findlay, E. Brown and Rev. D.C.H. Michell.

A temporary advisory committee was appointed for further study of the Community Hall project and those appointed are Mrs. Jarvis, Mrs. Specht, Rev. W. E. Smalley, Messrs. E. Harvey and G. Brown.

Silk Again Becomes Fashionable For Milady's Spring Trousseau

This spring women are once again discovering the luxurious feel of silk. This season silk is a fashionable favourite for dresses, suits, accessories and even coats. All the great Paris collections showed beautiful, feminine designs in everything from stiff silk taffetas to chiffons and organdies. Silk failure is being shown in button-front coat-dresses. There are day-time dresses in silk prints, pongee, surah and shantung. There are after-five dresses in gorgeous pastel and printed silk chiffons.

The woman who sews, realizes that many of the new and interesting high-fashion ideas are actually within her reach, since she can adapt many of them for her own wardrobe at comparatively little cost. But like so many other things today, the price of silk has gone up, so before starting a sewing project with this beautiful fabric you will be well-advised to observe special sewing techniques recommended by your local sewing center. These experts are ready and able to advise you on such problems as selection of a suitable silk fabric for the pattern you have in mind. More home-sewn dresses are failures because of unfortunate combination of pattern and fabric than for any other reason. When selecting your fabric keep in mind

Mrs. Fierheller President Of Edgely Women's Inst.

The annual meeting of Edgely Women's Institute was held at the home of Mrs. A. Bagg on Thursday afternoon, April 5.

The president occupied the chair and the meeting opened in the usual manner. The Roll Call was answered by the paying of fees for 1951 and 1952.

A very interesting paper on the motto, "Remember the tea kettle," it's up to its neck in hot water, yet it sings," was prepared and read by Miss E. Whitmore.

Two of the visitors attending the meeting were Mrs. L. Watson, District President and Mrs. E. Harris, District Secretary, who spoke briefly at the end of the meeting.

The Financial Report of the Secretary-Treasurer showed total receipts of \$615.48, total expenditures of \$341.34, leaving a balance of \$274.14 with which to start the new year.

Following the reports of the Standing Committee convenors, the president called on Mrs. Watson who declared all offices vacant and conducted the election of officers for 1951-52.

The following were elected to office: Honorary President, Mrs. J. Hoover; President, Mrs. E. Fierheller; 1st Vice President, Mrs. C. J. Greenley; 2nd Vice President, Mrs. F. Locke; Secretary-Treasurer, Mrs. C. J. Agnew; Assistant Secretary-Treasurer, Miss E. Whitmore; District Director, Mrs. P. Snider; Pianist, Mrs. A. Bagg; Assistant Pianist, Mrs. C. J. Greenley.

Convenors: Agriculture and Canadian Industries, Mrs. W. Maginn; Citizenship and Education, Mrs. J. Spencer; Community Activities and Public Relations, Mrs. B. Kaffer; Historical Research and Current Events, Mrs. E. Phillips; Home Economics and Health, Mrs. B. Cook; Resolutions, Mrs. A. Aitcheson.
