Super-Lastic
CANADA'S FINEST FIRST-LINE TIRES

Guaranteed Without Time Limit

You get a Brand New Tire — in case of failure from any cause — (as outlined below)

SUPER-LASTIC TIRES ARE SAFETY-BUILT! They are guaranteed for life against defects in workmanship and materials and in addition are insured against Glass Cuts, Accidents, Blow-Outs, Stone Cuts, Accidents or Collision Damage, etc. In case of failure from any specified cause YOU GET A BRAND NEW TIRE, paying only for the amount of tread worn, plus 1/2% per month ageing charge, dating from the guarantee. Super-Lastic Regular Line Tires carry the same guarantee and are adjusted on a basis of 1/6 for each two months of service. (See complete guarantee form for full particulars.)

KING CITY NEWS
CORRESPONDENT: MRS. M. JOHNSTON, KING, ONT.
Phone King 55R14

Mr. and Mrs. Arthur Green motored to Niagara Falls, Ont., on Sunday to spend the day with their daughter and son-in-law, Mr. and Mrs. Robert Kemp.

Master Jim Finch was twelve years old on April 21, and spent his birthday with his aunt, Miss Flora Alexander, at her home 707 Lakeshore Blvd., Mimico. Jim is convalescing after an operation and is progressing very well.

Master Bert Archibald has recovered from his recent accident which was caused by stone-throwing in the schoolyard and returned to school this week.

Mrs. Walter Rollings' home was the scene of a very pleasant bridge party last Thursday evening when the Ladies Bridge Club was entertained by Mrs. Rollings, Mrs. Gordon Wells, and Mrs. Stanley Hunter. A special prize was won by Mrs. Tony Hood. Mrs. Frank Armstrong won the prize for high score, and Mrs. Ivan Specht the consolation.

Mrs. N. Scott and Mrs. R. Burt, as representatives of All Saints W.A., spent Thursday at Sutton, where the 60th anniversary of the W.A. of the Sutton church was observed by a service of re-dedication. They were accompanied by Mrs. Roberts of Maple and Rev. D.C.H. Michell, who drove the ladies in his car.

The Girls' Auxiliary of All Saints Church attended their annual service on Sunday morning at All Saints. There were ten girls in the parade and they looked very smart in their blue skirts, white blouses and blue beanies. Mrs. Ross Walker is their director, and Miss Mary Jane Walker their president.

Mr. Raymond Burt underwent an operation at the Western Hospital, Toronto, last Thursday. He is expected to be home this week end.

On Monday evening of last week Mrs. Allan O'Brien, then Miss Mary Smith, was presented with a wedding gift by the girls who are her associates at the Bell Telephone office. The gift was a beautiful mirror 24 by 36 inches in size, and will look very attractive in her living room. The girls were Misses Clara Magee, Joan Bice, Marion Kelley, Lenore Robb, Betty Bice, Mrs. Bruce Hall and Miss Dorcen Winger of Maple.

Friends and neighbors of Miss Betty Marsh surprised her on the evening of April 19, when they succeeded in getting her to call on Miss Joan McCormick for a few minutes. Instead of the few minutes visit, she found a miscellaneous shower arranged and a very happy party to honor her before her approaching marriage. Her friends included Mesdames Rose Woods, R. Cook, B. O'Reilly, C. Marsh, W. O'Reilly, T. O'Reilly, Herbert Marsh, Joe Ball, P. W. Ball, P. Flanagan, E. Wolf, J. Scott, A. Meagher, L. Lawlor, Wm. Regan and P. McGeen.

Mrs. Aubrey Campbell, Kinghorn, drove to Toronto last Saturday night and attended the Drama Festival at Hart House Theatre.

Mrs. J. Whalley, mother of Jack Whalley, fell on April 9, and broke her hip. She was removed to the East General Hospital, Toronto, and we are sorry to report that she is not very well at present.

Mrs. Allan O'Brien, a bride of

See Love For Lovely Lumber
John C. Love Lumber Company, Ltd.
Yonge Street At Woodward Avenue (Just North of Steele's Corners)
Thornhill, Ont. Telephone Thornhill 350

"Tom, we've got our telephone!"

"I just had to call you and tell you the good news."

It's a big event for us too — and it is taking place in homes and offices, in cities and villages every day — bringing more and better telephone service to more and more people.

In the past five years we've connected over one and a half million telephones to meet new requests for service. We've added well over two million miles of wire to carry the ever growing volume of local and Long Distance calls.

In fact we've packed as much growth into the past five years as we did in the first fifty years of our history.

We're going right on with the job. If you haven't service, we want you to know we're working at it. Your place on the list is being protected and your telephone will be installed just as soon as possible.

The convenors are: Canadian Industry and Agriculture, Mrs. F. Powell; Education, Mrs. W. Finch; Historical Research and Current Events, Mrs. L. Etheridge; Home Economics and Health, Mrs. M. McMurchy; Public Relations and Community Activities, Mrs. F. O'Brien.

Pianist, Mrs. M. McMurchy; Director of Institutes, Mrs. Aubrey Glass; Institute Directors, Mrs. Laurie Boys and Miss Winnie Boys.

'blue coal' BUDGET PLAN

I DON'T KNOW HOW WE'D GET ALONG WITHOUT THESE EASY, SPREAD-OUT PAYMENTS.

3 BIG ADVANTAGES

1. Convenient S-P-R-E-A-D out payments . . . easy terms to suit you.
2. No worries! Coal is delivered in plenty of time . . . you're all paid up before next winter.
3. With this 'blue coal' plan, household budgets run more smoothly all year 'round.

Look always for the BLUE Color
'blue coal' is the only coal colored BLUE with a harmless dye — a positive protection for you — an assurance that you're getting 'The world's finest anthracite.'

How to Get Bigger Crops for 6 to 10 Years From One Large Application of Phosphorus

1. HOW LARGE SHOULD AN APPLICATION OF PHOSPHORUS BE FOR LONG-LASTING EFFECTS?
An application of 1000 to 2000 lbs. per acre of AERO* PHOS FLORIDA NATURAL PHOSPHATE will supply . . . for the average crop . . . sufficient phosphorus to improve yields for 6 to 10 years.
2. IS IT ECONOMICAL TO GIVE SUCH LARGE APPLICATIONS OF PHOSPHORUS?
Because the phosphorus in AERO* PHOS FLORIDA NATURAL PHOSPHATE is exactly the same as that originally contained in the soil, it is possible to add large quantities in a single application without fear of losses by leaching.
3. HOW LARGE ARE THE CASH RETURNS FROM A SINGLE APPLICATION?
A single application of 1500 lbs. per acre of AERO* Phos to the soil has given a return, over a period of over 10 years, of \$5 for each dollar invested.
4. HOW MUCH OF THE PHOSPHORUS IN AERO* PHOS IS ACTUALLY USED?
All the phosphorus added in a large application of AERO* Phos is eventually available to the crops.
5. FOR WHAT CROPS ARE THESE LARGE APPLICATIONS OF AERO* PHOS MOST SUITABLE?
All crops benefit from the use of relatively large applications of AERO* Phos — but such applications are especially suited to permanent pasture and hay crops that may be cropped for many years before ploughing the land.
