KING CITY NEWS
CORRESPONDENT: MRS. M. JOHNSTON, KING, ONT.
Phone King 55R14

Noel-Marsh
Sacred Heart Church, King, was decorated with Spring flowers on Saturday, April 28, for the marriage of Elizabeth (Betty), only daughter of Mr. and Mrs. Clifford Marsh, 5th Concession King, and Math Noel of New Brunswick, Quebec. Rev. Father Francis McGoey officiated, and the wedding music was played by Miss Barbara Lawlor.

Given in marriage by her father, the bride wore an exquisite gown of white french lace, with nylon sheer over taffeta, the skirt draped to a slight train. She wore a crown bonnet, with finger tip veil, and a string of pearls. Her snow-er bouquet was of red roses.

The bridesmaid was Miss Mary Stacko of Toronto who wore a pastel blue gown of broadcloth taffeta, made on princess lines, with matching headress and mittens. Her bouquet was Colonial pink roses. The groom was attended by his friend, Roby Blanchard also of New Brunswick. The ushers were brothers of the bridesmaid, Michael and John Stacko of Aurora.

A reception at the Graystone, Aurora followed the ceremony, the bride's mother wearing a navy blue gown with accessories to match, and a corsage of roses.

The young couple left on a honeymoon to Niagara Falls and Buffalo, the bride looking charming in a navy suit with pink accessories and pink roses in her corsage.

Mark Arbor Day
The first Friday in May is Arbor Day, and this year there will be a little tree-planting ceremony at the school. Mr. Chas. Howett, Inspector York 8, will be present also a representative from the Lands and Forests Dept. and a member of the council will likely be there. The last Arbor Day planting took place the year of the coronation when a tiny oak tree sent from England, was planted. It is now about 4 ft. high.

Last Saturday afternoon Mrs. A. Blackburn, Delisle Avenue, Toronto entertained six little girls the guest of honor being Miss Margaret Keens, who was celebrating her 9th birthday. There was a beautiful birthday cake full of surprises and nine pink candles to be blown out and everybody had a lovely time. The guests were Margaret Keens, Heather Waldron, Elizabeth Ireton, Vicki Ellesley, Beverley Trent, Susan Wells.

Mrs. Eric B. Johnston left on Thursday to visit her son, Eric B. Johnston Jr., at Columbus, Ohio, for a few days. Mr. Johnston is an intern at Doctors Hospital there for six months, the term being completed in June.

Start Playing Ball
The little fellows have been batting the ball around for at least two weeks, but the big boys will get out to practise for the first time this week when daylight saving gets established. Jack Mabey of Richmond Hill will coach the team and it is the fond hope of the softball club to get a team in the North York League.

The Schomberg Lions Club is sponsoring a Junior Soft Ball League and Bruce Hall thinks it is likely he can get a team together from this district.

Thursday being Ascension Day there will be a short service of Evening Prayer at All Saint's Anglican Church, King at 8 o'clock p.m.

Mr. R. Baycraft of Gormley will be in charge of the programme when the W.I. meet on Tuesday evening in the United Church when the Gormley Institute will visit King. Mrs. Baycraft is president of Gormley W.I. and is also president of Centre York District of Women's Institutes.

Pony Club
There are usually about 20 young people, ranging in age from 7 to 17 years from this district, at the weekly meetings of the Pony Club. Mr. C. W. Kettlewell is the district commissioner and under his direction the children have been receiving instruction on stable management and care of ponies, on Friday nights. On Saturdays they have been going to Woolnough's Arena, Yonge Street for their riding lessons.

The Young People's Society of Lasky visited in King on Friday night and met at the home of Rev. and Mrs. M. R. Jenkinson. They enjoyed a musical evening. Mrs. Jenkinson gave a talk about Jan Sibelius, the composer, and played records of his "Finlandia." Miss Helen Hunter is the president of the Young People's.

United Church
Maple United Church Young People's Union held their regular meeting in the Sunday School room on Wednesday evening, April 25. Rev. P. J. Lambert was in charge of the program.

His talk was based on the topic "Out of this world" written by Lowell Thomas Jr. It told of their experiences on a trip across the mountains to forbidden Tibet, and also of the customs and beliefs of the people of Tibet. After the business was taken care of, a sing-song was enjoyed by all. The meeting closed with taps.

Mr. and Mrs. Reynold Keffer of Denfield, Ontario, suffered injuries in a motor car accident, but are reported improving.

Women's Institute
Maple Women's Institute will hold its regular meeting at the home of Mrs. Milton Palmer on Wednesday evening, May 9, at 8.15 p.m.

Mrs. Leo Watson, District President will conduct the installation of officers.

Lunch committee, Mrs. Wade, Mrs. W. Crooks, Ms. G. Matheson and Mrs. G. Harrow.

Mrs. Lulu Leece and Mrs. Jean Waters are attending Grand Lodge as delegates for LOBA, Empire Lodge No. 894, Richmond Hill, at Chatham, Ontario.

Eddie Leece entertained a few friends on his sixth birthday on April 23.

Mr. and Mrs. Bud Train and Bonny Lynn and Miss Train visited with Mrs. Train's mother, Mrs. McKinnon on Sunday.

Mrs. McKinnon, Mr. Wilson and family visited in London with Mr. and Mrs. Bud Steeper, Mr. Wilson's daughter.

Mr. and Mrs. Thomas Thompson of Tiverton visited with Mr. and Mrs. George Matheson this week. They were here to attend the convocation of Knox College April 30 when their son James M. Thompson was one of the graduates, being the winner of three scholarships. He is the son of the former Sadie Matheson of this village. Mr. and Mrs. George Matheson also attended the graduation.

Mr. and Mrs. James Fisher of Thornhill entertained Saturday evening, April 28, in honor of Mrs. Henry Fierheller, who has reached her 86th birthday and is in the best of health and active. Mr. and Mrs. Ray Keffer, Sherwood, also entertained at an evening dinner.

District Scout and Cub News

The District Church Parade to which all parents and Group Committeemen and their families are invited will be held in the Agincourt Arena on Sunday, May 20, at 2.30 p.m.

Everything is higher today. Canada's Boy Scout membership increased by 3,678 in the first quarter of 1951 to reach an all-time high of 121,448 in March.

Registrations for the Midland Scouters' conference, May 12 and 13 should be made through the local Scout and Cubmasters within the next few days. If going by bus please notify the York Central Secretary, Mr. Peter Woodyer at Thornhill 157J, promptly, as arrangements for transportation by bus are being made by him.

The Scout and Cub Leaders' course, Thornhill, drew to a close on Saturday afternoon, with a banquet at the United Church. Chairman Jackson Taylor gave a brief address and Field Commissioner Jack Atkinson, spoke briefly and presented Cubmaster Mrs. Cecil C. E. A. Smith of Richvale with her Akela Wood Beads. Afterward the group retired to the Thornhill Hut for a Campfire and Sing-Song.

Applications will be received up to **SATURDAY, MAY 12, 1951** for the position of electrician and hydro maintenance man for the Stouffville Hydro Electric System. Applicants should state age, marital status, qualifications and salary expected. Reply in confidence to **Geo. Storey, Municipal-Clerk, Village of Stouffville**

Maple C.G.I.T. Rally
Maple C.G.I.T. under the leadership of Mrs. P. J. Lambert was host to North York Rally of C.G.I.T. in Maple United Church on Saturday, April 28. Marlene Orr and Madeline Brown acted as registrars. There was an attendance of 107. The Rally began at 10 a.m. with a rousing sing song, after which Rev. P. J. Lambert extended a welcome to all.

Miss Fry, the Christian Education Council of Toronto was the guest speaker. Interesting skits were presented by Richmond Hill girls and following a delicious lunch the girls went on a paper chase through the village, on a trail made by Helen Calder and Catherine Johnson. On their return Marilyn Snider spoke of her experiences at Camp Council.

Announcement of the various Camp activities for the summer were given by Miss Marion Warren of Unionville. Slides were shown depicting the opportunities for young women in full time service for the church.

The meeting concluded with a very impressive worship service by the girls from Stouffville. Miss Margaret Fockler, girls work convener presided throughout.

Maple United Church W.M.S.
Miss Ida McKenzie, Toronto will speak at the W.M.S. service in Maple United Church on Sunday evening, May 6th.

Hope United Church
The Junior Farmers' Annual Church Service will be held in Hope United Church on May 13, at 7.30 p.m. Rev. Dr. Archer Wallace will be the guest speaker. Members of the Junior Choir will be in charge of the music, with Mrs. Gordon Orr at the organ.

The lowest or any tender not necessarily accepted.

CHAS. HOOVER,
Township Clerk,
UNIONVILLE.

How to Insure a High Yield of Legumes by an Ample Supply of Phosphorus

- 1. WHY IS PHOSPHORUS NEEDED FOR HIGH YIELDS?**
Legumes are heavy users of phosphorus so necessary to build their extensive root systems—and consequently require an abundant supply of it. Thus, high yields are dependent on a good supply of both Phosphorus and Calcium. Both these elements are supplied in liberal quantities by AERO* PHOS FLORIDA NATURAL PHOSPHATE, as it contains 33% P₂O₅ (Phosphorus) and 48% CaO (Calcium).
- 2. HOW COULD AERO* PHOS BENEFIT A STAND OF LEGUMES?**
Legumes and grasses can use Phosphorus efficiently when top-dressed on established stands. And AERO* PHOS is the most economical way to supply Phosphorus.
- 3. WHY IS ALFALFA OFTEN DIFFICULT TO ESTABLISH?**
Many growers find it difficult to establish Alfalfa because of lack of Phosphorus and Calcium in the soil. Alfalfa may also require additional Nitrogen and Potash if the soil is low in these elements.
To offset these lacks, a good application—1,000 to 2,000 lbs. per acre—of AERO* PHOS should be made to the soil and well sixed in. If a nurse crop is to be used, add 500 lbs. per acre of a 4-12-10 fertilizer.
- 4. WHY ALFALFA THRIVES WELL ON AERO* PHOS**
Alfalfa has an extensive root system that comes into contact with the fine particles of AERO* PHOS and is able to absorb large amounts of the Phosphorus and Calcium which it supplies... thus insuring its high yield.
