Stone, Mrs. Elizabeth McBride, Mrs. William Carson and Mrs. James Patton, and all wore their flowers on Sunday to honor the anniversary services of the church.

Mrs. W. J. Crossley celebrated her 87th birthday on April 20, and on that day her daughter, Mrs. A. C. Brown entertained a few old friends who came to pay their compliments to the guest of honor. A very pretty birthday cake was the gift of Mrs. Bob McLeod. Mrs. Crossley had been ill with flu, but was recovered sufficiently to enjoy her birthday.

Mrs. Arthur Wellesley visited her daughter, Mrs. Lloyd Burgher and family at their home in Barrie for a few days recently.

Rev. and Mrs. Alexander Halbert of Alliston, were overnight guests at the home of Mr. and Mrs. W. Carson on Sunday. Mrs. Carson also entertained Mr. B. O'Brien and his son, Mr. Lincoln O'Brien of Toronto at dinner on Sunday.

Thirteen visitors had tea with Mrs. T. L. Williams on Sunday. They were Mrs. Williams's daughter, Mrs. D. A. Sinclair and Mr. Sinclair, and Mr. and Mrs. Wm. McRae and their three children all of Lindsay. Also Mrs. Williams daughter, Mrs. D. F. Merchant and Mr. Jackie of Toronto. Miss Annie Wilson of Collingwood and Mr. and Mrs. Wm. Gleason of Buffalo, N.Y. were also Sunday visitors with Mrs. Williams.

Mrs. Richard Badger, Toronto, spent the week end with her niece, Mrs. T. L. Williams.

Mr and Mrs. J. B. Rock are proud grandparents of seven-year-old grandson Master Wayne Ackroyd, R. R. No. 1 Malton. Wayne is a boy soprano and won the gold medal for singing in his age group at the Peel County Music Festival. Wayne is a consistent winner, having carried away the bronze medal at the same festival last year.

George Billings has started work on his new house on Keel St., between the tracks and the school. The house will be an attractive one and a half storey clapboard. The cellar was dug this last week.

The Boy Scouts realized the sum of \$26.00 when they sponsored a minstrel show last week. About 150 people came to MacDonald and Wells hall to see the Richdale Boy Scout troop put on their very fine show. The young people who had never seen a minstrel show before were highly amused.

Hop-a-long Cassidy had five admirers from King who cheered for him as the parade came along last Saturday morning in Toronto. Dr. C. McKay drove the children to the parade and the little fans were Clayton McKay, Jimmy Langdon, Peter Rawlings, Carol and Ronny Parker.

Sunday next, May 13, being Whitsunday, there will be a service of Holy Communion at All Saints Anglican Church, King, at 10 a.m.

Miss Barbara Wells spent the last week in Toronto visiting her friend, Mrs. Ross Hanchard, westport Avenue.

Gordon Wells was in Chicago for a week on a business trip. Mr. Wells returned last Saturday.

Last Wednesday evening Mr. Matt Bell and Mr. Ted Rose of the Canadian Bank of Commerce were entertained at dinner at the Thornhill Golf Club, by Mr. H. Frye, manager of the Bank of Commerce at Thornhill and his staff. The other guests were the managers and staff of the branches at Maple, Bradford and Lansing.

It is good to be able to say that two residents of King who have been in hospital have returned to their homes. Mrs. Jesse Richards was in Newmarket Hospital and Mr. Roy Burt was in the Western, Toronto.

Celebrate In Aurora

The president of the King branch of the Ladies Auxiliary to the Canadian Legion, Mrs. Arthur Fleet, accompanied by seven members, were in Aurora last Tuesday night. They were guests of the Aurora branch. The occasion was the 3rd birthday of the Ladies Auxiliary to the Legion in Aurora, and the provincial president, Mrs. L. Long and the secretary-treasurer of provincial command, Mrs. Mary Richardson of Toronto, were the guests of honor. The other visitors were 50 members of the Ladies Auxiliary of East Toronto, who had chartered a Gray Coach bus to bring them to the party. The ladies from King who accompanied Mrs. Fleet were Mesdames B. Walker, B. Disley, E. Bice, I. Wood, E. Cummings, D. Judd and L. Robb.

Kids Jamboree

All the children of King are invited to a jamboree on Friday evening in Macdonald and Wells Hall. The Sunday School of All Saints church is sponsoring what is expected to be a very grand entertainment. Mr. Tetley has arranged for a real magician to come from Toronto, and there will be a movie, and a pie eating contest too. All this is free and all the boys and girls are especially invited.

Sings At Festival

Miss Janet Langdon is a talented young lady. On Friday night she took part in the annual Peel County Music Festival, singing in the last class of the closing day. Miss Langdon, who is a pupil of Mr. Illyd Harris, sang "Linden Lea" and received 80 marks to her credit. She was accompanied to Port Credit where the Festival was held by Miss Mary Stocks of Aurora.

Enjoyable Bridge

Mrs. James Ogilvie, Ringwood, invited the members of the Ladies Bridge Club to her home last Thursday evening and Mr. and Mrs. Ogilvie and family moved to Ringwood from King last summer. This was the first time that their former neighbors had visited them in their new community. A bus was chartered and 28 ladies began a very pleasant evening with a 15-mile drive through the lovely country between King and Stouffville.

Bridge was played, seven tables in all and the prizes were won by Miss E. Dennis, Mrs. Gordon Wells and Miss Doris Patton. Midnight refreshments were served and then the trip back to King with Mr. B. Langdon driving the bus and enjoying the outing as much as his passengers.

Travel Delights

It was a coincidence that three neighbors spent the past week-end in neighboring cities in Ohio. Dr. John Barrie flew to Cleveland to attend a convention; Mr. and Mrs. Jas. Keens and Margaret motored to Youngstown to visit Mrs. Keen's mother, Mrs. W. B. Hall; and Mrs. Eric Johnston went by train to Columbus. All were home again by Tuesday last week. Leaving King in the pouring rain and devastating mud, it was almost a shock to arrive in Ohio where the temperature was 85 degrees. The flowers and trees were in bloom and the sidewalks were dry.

Get Pine Trees

A little white pine tree was presented to each child at the King School on Arbor Day for him to plant at his own home. A little tree was planted at the school as part of the Arbor Day ceremony performed by the inspector, Mr. Charles Howitt. The reeve, Elton Armstrong, Rae Jennings and Mr. Gage of the Department of Lands and Forests, Maple, were also present. The children took keen interest in the ceremony, and they all looked so smart that bright morning. A photographer took pictures of the two smallest pupils Heather Crooks and Clayton McKay which were later published in a city paper.

vey. Fortunately Mrs. Thompson and two small children were visiting in North Bay at the time. The loss to this family was great as every article of furniture and clothing was completely destroyed. Special Service
Sunday, May 13, is Mother's Day and the teacher and children of Temperanceville Sunday School are having a special Mother's Day service at 2 o'clock. Parents are cordially invited to attend. Give your children the pleasure of your presence to see them in the program which has been especially planned for Mother's Day.

The Rural W.M.S. Rally will be held in Aurora on May 17 at 2:30 p.m. in the United Church. This promises to be a very interesting meeting so do try to make arrangements to attend.

The W. A. is invited to join the King W.A. on the evening of May 22. More details next week. Please keep this date in mind. Our meeting will be held the 23rd, rather than the 17th.

Express Thanks
Mrs. E. Phillips, social convener of the W.I. wishes to express her thanks to all the ladies who lent their support in making the euchres such a success during the past season. CANADIAN SPORTS PARADE

TELEVISION, whatever you think of it, has at least rendered a service to the International Baseball League. Almost singlehanded, it has chased the Little Giants from Jersey City, up and over the Canadian border and right into Ottawa's Lansdowne Park. The new communication medium cannot claim the entire credit for the move, however, for that stalwart, sporting gentleman, Tommy Gorman of Ottawa, was pulling like mad on the Canadian end of the rope. Now that the Capital boasts an International League club, it's expected that the well-seasoned rivalry of Ottawa, Montreal and Toronto will be sustained during the summer season, to be continued in the fall on the football gridiron.

Capital Sporting Centre: There seems to be little concern whether Ottawa can support a Triple-A baseball entry, and this optimism is soundly based on the Capital's historical record as a rabid sport town. Tommy Gorman believes that the growing shortage of younger American players (due to military call) should prove an opportunity for some of our Canadian ball players. With this end in view, the Ottawa scouts are already on the prowl for outstanding domestic talent.

Poland vs Becker: The Ottawa Giants are lucky in their managerial choice, with Hugh Poland at the helm. A former major league catcher, Poland (like Toronto's Joe Becker) has risen rapidly in the New York Giants' baseball command. Now the two former big-leaguers are rival managers and the coming season should provide many a dramatic meeting between their teams.

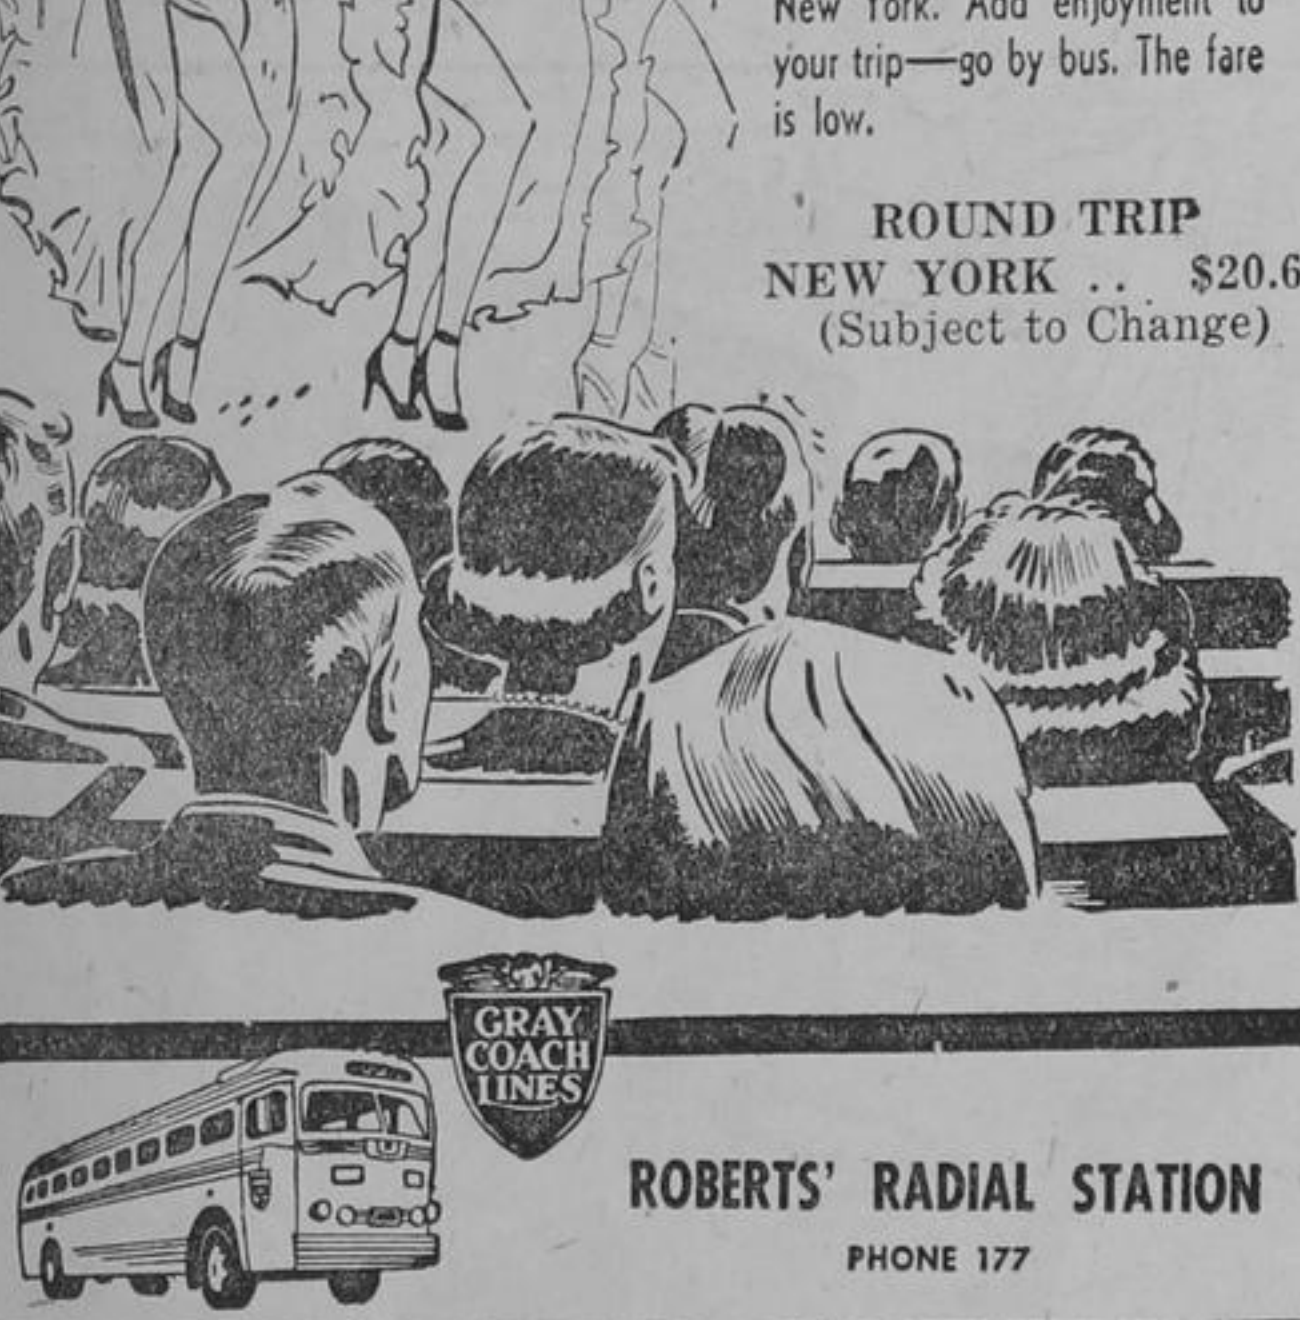

The Great Gorman: This week we dropped in on Tommy Gorman to ask him about Ottawa's IBL prospects. Gorman had not the slightest reservation. "Ottawa has always been a great sport centre. During our years in the Border League we have built up a strong baseball following in the Ottawa Valley. The Giants just can't miss here. They're a natural!"

Asked about the park itself, Gorman described his newly erected home run fence. "For a home run Specially prepared by a prominent Canadian Sports Authority for O'Keefe's BREWING COMPANY LIMITED KSN-20
