EDGELEY NEWS
Correspondent:
Mrs. R. Stuart, R. R. 1 Maple
Tel. Maple 110R3

Edgeley United Church Sunday, May 20, 1951. Sunday School at 1.30 p.m. Church service at 2.30 Daylight Saving Time.

Young People Meet
The Young People's Fellowship of the Edgeley United Church met at the home of Mr. and Mrs. Sydney Steventon on Friday evening. President Don Mitchell was in the chair and conducted the devotional part of the meeting and was assisted by Barbara Freeman.

During the business part of the meeting, it was decided to invite Teston and Hope Fellowships to a crokinole party to be held in Edgeley Hall on Friday evening, May 25. Lunch was served and the meeting concluded with the singing of "Taps" and a hearty vote of thanks to Mr. and Mrs. Steventon who opened their home for the meeting.

Mother's Day Service
There was a large congregation in attendance at the Mother's Day service at Edgeley United Church. Mr. Frank Bagg, superintendent of the Sunday School, assisted by Mrs. Art Avery and Don Hawksworth, conducted the worship service.

The members of the Young People's Fellowship led the praise with Shirley Avery at the organ. Their anthem, "Give of Your Best To The Master" was beautifully rendered and very inspiring when sung by the young voices.

Rev. P. J. Lambert preached an appropriate sermon. Flowers in the chancel were the gift of Mr. and Mrs. Allan Poole.

Institute Meets
The regular meeting of the Edgeley Women's Institute was held on Thursday afternoon, May 10, at the home of Mrs. Jack Chapman with Mrs. Eldon Fierheller, president, in the chair.

The roll call was answered by stating "Why I am glad I was born a Canadian."

An appeal was received from the York County Children's Aid Society for contributions of knitted and other articles of infant's wear. An effort was made to meet the appeal at once and \$10.00 was voted to be spent for wool and patterns, so that the ladies could get started as soon as possible on articles which are most badly needed. Materials for this work will be available at the next meeting and will be given to anyone who would like to help.

During the ten minute period set aside for the progressive study of the provinces of Canada, Mrs. Bert Cook gave a very interesting paper giving many pertinent facts about British Columbia and conducted a "Name the Canadian Cities" contest. The next meeting will be on June 7 at the home of Mrs. Eldon Fierheller.

Mr. and Mrs. Chas. Thompson have sold their home and have temporarily taken an apartment in their son Lloyd's home until their new house is built.

Mr. and Mrs. Bill Henry and family had tea Sunday evening in Wexford with Mr. and Mrs. Kerr-Taylor.

Mr. and Mrs. W. Taylor and John spent Sunday in Brantford.

Mr. and Mrs. McCaig of Guelph Sunday.

Miss Mary Bresser was a guest of the Puterbaugh's on Tuesday, May 8, and in the evening attended the Junior Farmer and Junior Institute meeting at Vellore with Marian and Ruby Puterbaugh. The two visiting clubs were from Schomberg and Bolton. Mr. Ed Pearson, assistant agricultural representative for York County was present.

Plant rugged heavy yielding Pioneer Seed Corn for silage and grain. Produced by the oldest hybrid seed company. See us or phone Stouffville 66103.

KING CITY NEWS
CORRESPONDENT: MRS. M. JOHNSTON, KING, ONT.
Phone King 55R14

John Boyd AC1 who is stationed at Uplands is enjoying a few days leave at his home near King with his mother Mrs. J. W. G. Boyd.

Mrs. Fred Curtis was hostess at a demonstration of Stanley Home Products of Canada last Monday night. The demonstration was put on by Miss Lavon Doherty of Toronto and twenty-five friends and neighbors were present.

The Spinners and Weavers Guild of Ontario are holding an exhibition of handweaving at the museum in Toronto, until May 24. On Monday afternoon sixteen ladies from the neighborhood who belong to the weaving group of Kingcrafts went in a group to view the exhibition. They were enthused over the beautiful things on display, especially the drapery materials by the yard. They had tea in the museum tea room with some of the ladies who were exhibitors. Mrs. Beth Anderson is convener of the weaving group.

A couple of quilting bees have been held lately at the home of Miss Jessie Gellately, when the ladies of the Presbyterian Church W.M.S. have joined her in setting up two pretty quilts. These have been sold to provide funds for the organization.

The ceremony of baptism was performed at Laskay United Church on Sunday afternoon when Rev. M. R. Jenkinson was present. The infants were Barbara Ruth, baby daughter of Mr. and Mrs. Jesse Bryson, and Bruce William, baby son of Mr. and Mrs. Ross Foliott.

Mr. and Mrs. Alfred Bliss were recent visitors in Brampton when they attended the Bee Keepers Banquet held in the Masonic Hall.

At King United Church at the evening service, Mrs. Jenkinson christened two babies, Dianne Marie, the infant daughter of Mr. and Mrs. Jack Parsons and Baby Paul Raymond, little son of Mr. and Mrs. Raymond Love. Mrs. Love was formerly Miss Gloria Campbell.

Miss Connie Purcer will be the speaker on Monday night when the annual Mother and Daughter banquet will be held in All Saints church rooms. Miss Purcer is a graduate of the Anglican Training College, Toronto.

Miss Elizabeth Bregg of Toronto visited her sister, Mrs. Gordon, Tittley at her home, the Anglican Rectory last week-end. Miss Bregg is director of nurses at the Toronto Psychiatric Hospital.

Several children, accompanied by their parents, came from Oak Ridges on Friday night to the jamboree given by All Saints Sunday School.

Cadet Timothy Boyd, who has completed his first year at Royal Military College, Kingston, is spending his two weeks vacation with his mother, Mrs. J. W. G. Boyd. Later Cadet Boyd will take a course in aviation at Toronto.

For the third year there will be a sale of plants held at All Saints Church under the auspices of the W.A., with Mrs. R. Burt in charge on Saturday, May 26. As in the past, vegetable plants will be for sale as well as the wellknown annuals. A good supply of cabbage, cauliflower, pepper, onion and tomato plants have been ordered for the sale. The W. A. will also have a home baking sale in the church basement.

The results of the School of Architecture, U. of T., have been announced, and we are delighted to congratulate James E. McDonald on his successful year in that faculty. Mr. McDonald will enter third year in the autumn. Half way through now, Jim!

A hymn for Mother's Day written by Miss A. A. Ferguson was sung by the soloist of the Trull

Hour at 1.30 o'clock last Sunday afternoon. The words are set to the tune of Mother Machree.

Mrs. A. D. Lockhart is the proud grandmother of a new baby granddaughter born at Perth on May 11 to Dr. and Mrs. Murray Wilson. The baby's mother is the former Miss Louise Lockhart.

Little Doris Wood, the eight year old daughter of Mr. and Mrs. Ed. Wood, Kettleby, has made her parents and her music teacher, Miss Dorothy Armstrong very proud. Miss Doris entered three classes for piano at the York County Music Festival held in Woodbridge last week. Nine children took part in the under 9 years class, and Doris received 81 marks. She entered the under 10 years class with 16 others, and received 82 marks. Then she entered the under 11 years class with 18 other children and again made a mark of 82. The pieces she played were "Billy Boy," "Tambourine" and "Bourree."

On Sunday afternoon Mr. and Mrs. Harry Stewart of Toronto, aunt and uncle of Miss Carole Musk, called on Miss A. A. Ferguson. Miss Musk is expected to return to King this week, having been in Victoria B.C., since last October.

Mr. and Mrs. Harold Kerby are calling their little boy Wayne. This is a very popular name at present.

Last Tuesday night if you saw bonfires blazing in the grounds surrounding All Saints Church it was just a clean-up that was really getting under way. Mrs. Alfred Bayliss was the organizer of the job, and she got over 30 people, men, women and youngsters out to work with rakes and shovels. The bonfires made it a merry scene, and later the tired crowd gathered in the church basement where a substantial snack was awaiting them.

Children Entertained
The younger members of King City were entertained at a wonderful party on Friday night when the Sunday School of All Saints Church gave them a free concert. The noise and applause showed that a most wonderful time was being enjoyed by the hundred children, and some parents, who filled the MacDonald and Wells Hall.

A magician amused them with his tricks for fifty minutes and two fine movies "God's Wonders in Your Own Back Yard," and Lowney's "Hockey Cavalcade" were applauded. It was interesting to note that the former picture was of greater interest to the younger children than the hockey. Then there was a balloon blowing contest which was won by Bert Archibald and a pie eating contest won by Johnny Martin who reports that it was a swell lemon meringue pie and he could have eaten more.

Mr. Gordon Tetley was the chairman and organizer of the party and he is grateful to Crawford Wells for the use of the hall, to the King City bakery for the donation of five lemon pies, and to Stacey Watson who gave a bag of potato chips to each child present.

Addresses Handicrafts
Thor Hansen, whose handicrafts and designs are well known, for their excellence, will address the members of Kingcrafts when they meet at the home of the president, Lady Favelle at "Kingswood," Mr.

Hansen is on the staff of the B-A Oil Co. and is being loaned by that company to interest the country in handicrafts of good design. He will bring pictures of his work to the meeting.

Christian Family Week
This is Christian Family Week celebrated in the United Church of Canada and Sunday was "Family Day" in the United Church at King City. Rev. M. R. Jenkinson chose as his text "And Jesus went down to Nazareth, and was subject unto them, and He grew in wisdom and in stature and in favor with God and man." Mr. Jenkinson said that out of a humble setting but with home teaching, came the greatest Life ever lived. Surely then out of many godly homes that dot our land, and many lands, might well come saviors of tomorrow. He stressed the fact that behind the misdemeanors of a child is often to be found the lack of vigilance on the part of a parent. He cited two cities, one Canadian and one American, where wickedness was not juvenile delinquency, but adult badness.

Visitors in King for the recent United Church anniversary were many. Some of those who signed the guest book at King United Church were: Mrs. Gordon Patton, Dr. and Mrs. C. K. Benson, Mr. and Mrs. A. D. McCallum, Mr. and Mrs. E. Wilkshire, Mr. and Mrs. Raymond Love, Mrs. E. Campbell, Mr. and Mrs. J. K. Neild, Mr. D. J. Day, Mr. and Mrs. Elwood Patton, Miss June Brown, Mrs. Westcott, Miss Lorraine Westcott, Mr. and Mrs. J. Semple, Mrs. H. K. Holley, John Holley, Miss Marjorie Stone, Mr. and Mrs. James Durrant, Miss Mildred Gillies, Mrs. Sarah Badger, Miss Ethel Willows, Mr. and Mrs. Jack Archibald and family, Mrs. W. Thomson, Mr. and Mrs. W. B. Thomson, Mrs. K. Sim. All were from Toronto.

From Aurora came Mr. and Mrs. A. Cairns and Miss Bernice Cairns also Mrs. A. M. Clarke, Mrs. Geo. Teasdale, Frank Teasdale, Mrs. Lorna Stone and Mr. and Mrs. Ross Linton. Mr. and Mrs. Cameron Stewart, Newmarket; Mr. and Mrs. Norman McMurchy, Hillsburgh; Mr. and Mrs. John Julian and Ivan Shear-down, Woodbridge; B. J. and L. R. O'Brien, Islington; A. T. I. Robson, Winnipeg; Mrs. Russel Huslop and Mr. and Mrs. Harold Foliott, Weston; Mr. and Mrs. Vernon McArthur and Mr. and Mrs. Fred Cruickshank, Milton; Mrs. H. Whitney, Elmville; Mr. and Mrs. Tom Proctor, Schomberg; Mr. and Mrs. Farren and Glen, Kettleby.

Replenish Your Soil with NATURAL Phosphorus and Win Five Ways

- EASILY APPLIED—WITH THOROUGH DISTRIBUTION**
Because it is finely ground, you'll find it easy to apply AERO-PHOS* FLORIDA NATURAL PHOSPHATE with any good lime spreader or fan-type spreader—and without loss of time, because it does not clog.
- LOWER LABOR COSTS**
You can apply AERO-PHOS* to the soil at any time of the year—or at any point in a rotation if field conditions are right. This means that labor can be used economically in the slack season of the year. AERO-PHOS* is also excellent for top dressing existing grasslands.
- LOW COST PER APPLICATION**
The low cost per unit of P₂O₅ (Phosphorus) in AERO-PHOS* FLORIDA NATURAL PHOSPHATE arises from the low cost of finely grinding the Florida natural pebble rock—the only form that lends itself to this grinding.
- NATURAL PHOSPHORUS IS NON-CORROSIVE**
AERO-PHOS*, being NATURAL Phosphorus, does not corrode metals. Hence, you have no delays in repairing or cleaning implements used for spreading it.

Per literature, prices and how AERO-PHOS* can be obtained, phone or write to:
*T.M. Reg. U.S. Pat. Off.
