INSURANCE Cont.

INSURANCE OF ALL KINDS

With the increase of fire hazards
property owners should review
their insurance policies, and due to
the increased cost of materials
would be well advised to increase
the amounts of insurance. Also car
owners who think it will never
happen to them are caught some-
time or other without protection.
The cost is a minor amount to
what it will cost if an accident
happens.

getting better. But at the same time, we believe there's more
to good service than just technical efficiency and steady
