Obituary

WILLIAM H. MYLKS

The community of Richmond Hill was saddened Monday night to hear of the death in the Private Patients Pavilion, Toronto General Hospital of William H. Mylks of a heart seizure after an illness of only two weeks.

Born in Arthur, Ont., the son of the late Harmon William Mylks and Mary Ann Jackson, the late Mr. Mylks had lived in Richmond Hill since 1914, coming here with his wife from Maple. He operated a bakery here for a number of years, but because of an asthmatic condition, he retired from the business to enter the civil service at the Municipal Farm, Langstaff.

Only two months ago, Mr. Mylks celebrated his golden wedding anniversary with his wife whom he married in Arthur, Ont., April 10, 1901.

Besides his wife, deceased is survived by two sons, Clarence of Brockville and William of Toronto, a sister, Mrs. Carrie Mude, a granddaughter Shirley, a grandson Grant and two nieces, Mrs. Cecil Grosskurth of Weston and Mrs. G. W. Williams of Calgary, Alta.

A member of Richmond Hill United Church, Mr. Mylks was a past master of the local branch L.O.L. and also a past district deputy of the I.O.O.F.

The funeral is being held this afternoon with services at the Wright & Taylor Funeral Home being conducted by Reverend C. B. Brethen assisted by Reverend Totton and Wellwood. Interment was in Greenfield Cemetery, Arthur.

The pallbearers were: Reg. Cooper, Len Clement, William Neal, P. M. Milne, George Dellinger, Arthur Hewitt.

JAMES B. COTTRELL

A widely known lumberman in Bruce County, James B. Cottrell died suddenly at his home at Port Elgin on May 24, 1951. He was born near London, Ontario, and moved to Bruce County in 1875. He had sawmills at Centre Bruce, Saugen and Port Elgin.

He had been School Trustee, Member of Council and was Reeve of Port Elgin for two terms. He had been Trustee of the United Church for many years. He had been active in sports, especially on bowling and curling teams and was the oldest member of these clubs at the time of his death.

Besides his lumber business he operated the Cottrell Coal Co. for over 50 years and was still head of that company at the time of his death.

He raised a family of eight children, one of whom is James C. Cottrell of Richmond Hill. He is also survived by 18 grandchildren and 3 great grandchildren. Being socially minded he was ever anxious to help those less fortunate in the community and donated many a load of fuel to those in need.

The numerous floral tributes were evidence of the esteem in which he was held in the district and his funeral was one of the largest ever held in his home town.

WEDDING NIGH-SANDERSON

Victoria Square United Church was tastefully decorated with beautiful spring flowers for the setting of the lovely wedding of Edna Wm. Sanderson and the late Clara Sanderson, who became the bride of William Grant Nigh, son of Mr. and Mrs. Edgar Nigh, Stouffville. Rev. A. Huston officiated as the bride was given in marriage by her grandfather Ernest Sanderson.

The bride wore white slipper satin gown with bertha and lace yoke and long full train. A coronet of shirred satin, seed pearls and lily of valley held the tulle illusion french embroidered long veil. She carried a cascade of red roses and lily-of-the-valley.

The bride was attended by Miss Doreen Boyington and Marjorie Sanderson, sister of the bride, each wearing charming long green taffeta of mauve and white full gowns, with braided bandeau, flowers and rosettes. They carried cascades of mixed roses and carnations. Little Patty Valliers was flower girl and was adorable in lace trimmed yellow taffeta, carrying trimmed flower nosegay.

Jonathan Nigh, nephew of the groom was ring-bearer. Larry Sanderson was best man and usher and Paul Cummings was usher. To receive the bride's mother chose a gown of navy nylon sheer, pink rosebud corsage and pink accessories. The groom's mother assisted in a lovely pearl grey crepe dress with yellow rose bud corsage and black accessories. The groom's mother rendered lovely selections on the new electric organ during the ceremony. Mrs. Claude Brillinger was soloist.

Mr. John Nigh was toastmaster at the sumptuous supper catered to by the capable W. A. Ladies of the church. Toasts and speeches were given by Mr. Ralph Boynton, Mr. Edgar Nigh, Mr. Alan Chadwick, Glen Bolender, Mr. Duncan Smith, Mr. Ed. Mape.

The bride's going away outfit was a rayon silk mauve dress, a bluish pink shortie coat and white accessories. The happy couple are travelling to points north and the United States. Guests were from Sarnia, Port Huron, Delhi, Barrie, Toronto, Richmond Hill, Newmarket and surrounding districts, on their return they will reside at Victoria Square.

A special note of interest in connection with this wedding was that Edna had the honour of being the first bride to walk down the aisle on the lovely new plush broadloom carpet recently laid; as was also the recent renovated choir loft and pulpit contributing one of the main factors for this lovely wedding.

King Students Model At Show In Aurora

The mothers of the collegiate girls of King were very proud of their daughters last Friday night when a number of them modelled the attractive clothes they had made during the year by themselves, at the Aurora High School fashion show. Suzanne Crew opened the show wearing a white blouse and tunic; Shirley Rawlings wore a smart rust colored corduroy sports skirt with nylon blouse. Norma Wells' dress was of royal blue wool crepe with a red velvet collar, and Freda Dent wore navy silk jersey with red belt and white accessories. Allison Hobson and Helen Peck wore sports togs, Helen having a green sports dress, and Allison, blue pedal pushers.

The boys in the craft classes had a good show too. Ross Rawlings had a lamp, and Glen Judd a lamp. John Richards had made a coffee table. A hammered copper ornament was made by Don Busby and Stephen Jarvis had a metal box.

HOT WEATHER COMFORT

With hot weather just around the corner, theatre patrons of the district will be interested in the fact that the last word in air-conditioning systems is being installed at The Richmond Theatre, Richmond Hill. This system, costing about \$12,000, will assure constantly fresh air, of the desired temperature and humidity. It is expected to be in operation by the middle of June.
