Jack Linard
The death occurred on Sunday morning at St. Michael's Hospital, Toronto of Jack Linard, in his 21st year, a young man who spent his school days in King City. Jack made his home with Mr. and Mrs. Fred Dent, coming to them when a motherless little boy of six years, and living with them until he was ready for vocational school in Toronto. In all he spent twelve years in the Dent home, and was loved as a son by the family. He attended the local school, was confirmed at All Saints Church, and was a boy singer in the choir. For the past four years he had lived in Toronto, with an aunt, Mrs. Begg, Kent Road, taking a course in plumbing and later learning clock-making. Two years ago he spent several months in hospital when a leg was amputated, but he recovered sufficiently to work at a bench. He leaves his father, Lucien Linard, a brother Victor, and a sister Lucille, all of Toronto.

Raise Much Revenue
The sum of \$200.87 was raised by the Ladies Auxiliary to the King Legion by their nine bingos that were held under their auspices during the past season. The final game was played on May 9. This money has been put aside for a special purpose, either to help with a building fund, or for benevolent reasons. There are 14 active members of the Ladies' Auxiliary, with Mrs. Arthur Fleet president, and they meet for business and a pleasant social hour in each other's homes. At their last meeting they decided to take charge of the food booth at the Legion Carnival which takes place on August 15. They have arranged a sale of tickets on a capstrey Cogswell chair, and an oxidized colored pottery lamp in the form of a swan. Mrs. Fleet says both are very attractive prizes.

Mr. and Mrs. W. R. Sterritt of New York City motored to King City this past week-end to visit Mrs. Sterritt's sister, Mrs. Louise Dinnick.

Miss Lillian Farren of Kettleby, whose marriage takes place on June 16, was guest of honor at a surprise shower last week, when her bridesmaid-to-be, Miss Ruth Wilson, entertained at her home. The guests were 15 girls, who began High School with Miss Farren, and a very happy reunion, was enjoyed by all. The gifts were of linen and were prettily wrapped and presented during the evening.

Open Meeting
Mrs. C. J. Clode of Toronto, was the guest speaker when the W.A. of King City United Church held an open meeting in the church on Monday evening. The church was filled, and the invited guests were the members of the W.A.'s of the Teston, Temperanceville and Kettleby United Churches, also the ladies from all the churches in the village.

Mrs. Clode, who is president of the W.A. of the United Church of Toronto Centre Presbytery, is a gracious person, and spoke simply on Fashions, comparing the faultless grooming and pleasant appearance of a fashion model, with the dauntless way Christian women should wear their Christianity with happy faces, for they have so much to be happy about. She asked that the listeners become models in a spiritual way. A musical program was enjoyed with a piano solo by Mrs. Cook of Kettleby a vocal duet by Mrs. K. Boys and Mrs. L. Shropshire, accompanied at the organ by Mrs. E. Patton, and a vocal duet by ladies from Teston, Mrs. Jack Downing and Mrs. C. Robson accompanied by Mrs. W. Williamson. A social hour was enjoyed later, when tea and cakes were served.
