TEMPERANCEVILLE NEWS

We wish to congratulate the Junior girls and their leader, Mrs. E. Phillips on receiving second prize on the complete project at the Achievement Day at Newmarket. They were judged on their year's notes, the results of their judging, their work on the project "Working with Wool," and the "Milky Way" and a skit given by the girls. All of the girls now the proved owners of a certificate are: Margaret and Florence Beynon, Edna and Mary Christianson and Irene Mashinter. Isabel Mashinter completed her course on "Working with Wool." The girls are now working on the course on "The Garden Brigade."

Mrs. Phillips has spent many hours in training these girls and is to be highly commended for her fine work. The support given her by Mrs. Davis and Mrs. Baldwin was very much appreciated. Ten ladies from this community accepted the kind invitation of King W.A. to join with them and neighboring auxiliaries to hear Mrs. Clode, President of Centre Presbytery, address the meeting and left one with a beautiful message as she compared a fashion model to being a Christian Model. A Christian model is beautiful because it radiates the love of Christ to all with whom it comes in contact.

Temperanceville contributed to the musical part of the program by Mrs. F. Boys and Mrs. Shoopshire singing a duet. We wish to express our appreciation to these ladies. After the meeting a lovely lunch was served by the King W.A. during which social period the ladies thoroughly enjoyed renewing acquaintances with members of the neighbouring Woman's Associations.

The play "The Chatterbox" by Lemonville W.A. proved to be well worth seeing. Those taking part are to be highly congratulated on their fine work. Sunday School is at 10 a.m. We miss you when you are not there. Please try to attend. Having the classes in the morning is for your convenience for the summer months, therefore we would greatly appreciate your co-operation. Evening service is at 7:30 p.m. Rev. Mr. Moddle always has a wonderful message for his congregation.

She has two sons and a daughter, Frank of Lockport, N.Y., Ernest of Concord and Ruth Thompson of Toronto. She is at present spending a holiday with her son Frank. The pictures explaining the third Commandment will be shown on Sunday afternoon, June 24. The Women of the Lutheran Church will meet at the parsonage.

It was decided to have a picnic at Midland on July 10, plans for which will be made at the regular July meeting. Appreciation was expressed to Mrs. R. Peelar for again typing the programs. Mrs. N. Kerr read an article on Agriculture which was written by Horace Greeley. This was followed by a poem entitled "The Farmer's Day Day."

Mrs. G. Burbridge read about the value of wood chips for soil conservation and also as a material for bedding for animals. Witherspoon gave a very interesting demonstration on the making of carnations from facelle tissue. Each lady made a carnation as instructed. Mrs. J. Snider conducted a vegetable contest for Mrs. A. Bishop who could not be present. At the close of the meeting lunch was served by hostess and committee in charge. The July meeting will be held at the home of Mrs. W. Wilson.
