District Scout and Cub News

Richvale
The Whites and the Grays were the winning Sixes in the Cubs for March and April the reward for which was an enjoyable week-end spent at Camp Samac.

The Cubs wound up their last meeting for the season with a Games Night and "Bones" last Thursday evening.

On Monday evening the Scouts held their last meeting and plans to Hockley Valley, expected to be are being made for a camping trip the last week in August. All Scouts will be receiving letters near the end of July with information about the camp and forms to be filled out for registration.

for registration.

Scout Rally
There was an interesting afternoon spent at Thornhill Park on Saturday when York Central held its Scout Rally Day. It was a lovely warm day, and the troops vied with each other in the contests planned for the afternoon which resulted in the following rating: 1st Willowdale "A" rating 1st Richvale "A" 1st Thornhill "B", and Victoria Square "B". Commissioner Frank Worth, Assistant District Commissioner John Snow and Chairman Jackson Taylor were present. Several parents and friends came to admire the boys' exhibitions of skill.

Mrs. Jas. Rock Speaks To W.I.

Mrs. James Rock, as district convener of Home Economics and Health, urged the Women's Institute members to branch out in their work, when she read the reports of all the Institutes of this district at the annual convention held at the Pine Orchard.

Two branches reported that they had supported a Greek child, and paid part of the dental care of school children. One branch spent \$100 to provide two European children with a year's necessities. Many branches worked for the York Health Unit, hoping that the children would get free medical care. Although they failed in this, they hope to create enough interest to carry the project to the next vote. Demonstrations by Institutes in such varied things as, living room arrangements, how to make slip covers, how to iron a shirt, how to prepare meat for the freezer. One Institute held a tea-biscuit making contest.

The King City branch has a unique project. It opens a bank account, with a dollar deposited, for each new baby of an Institute member.

DEPARTMENT OF HEALTH TWP. OF NORTH YORK

Enemies from Without
Enemies from without include such dangerous influences as: unfavourable climatic conditions; unsanitary environment; immoral companions, associates who are communicable disease carriers; irritating personalities in family or working group; traffic dangers; occupational health and safety hazards; and improper heating, ventilation, and lighting in home or school and place of employment.

The annual picnic of the Davidson Mission Band of Brown's Corners United Church was held at the home of the leader Miss Ellen Boynton last Saturday afternoon.

The meeting was in charge of the president, Grace Rodick, who presided in her usual capable manner. Minutes were read and approved and the roll of members called by the secretary, Judy Harman. Nancy Brown was the efficient pianist.

The guest speaker was Mrs. C. J. Russell, honorary president of the W.M.S. She told the story of a missionary in China with her small son who wore a pair of red shoes. The shoes attracted the attention of the Chinese children, who became her audience, and later her Sunday School and Mission Band.

Mrs. Russell has the rare ability of capturing the attention of the smallest child, and holding it throughout her talk. Programme numbers were piano solos by Janet Oakes and Mary Hooper, duet by Nancy Brown and Beverley Burr. Grace Rodick gave a dramatic reading of the poem "The Song My Paddle Sings" by Pauline Johnston, showing histrionic ability.

Following the meeting, games were played by old and young on the spacious lawns. Guests included Mrs. Sadie Brooks, Toronto, Rev. Austin and Mrs. Huston and Betty. Mr. Huston voiced his appreciation of the unselfish leadership given so generously to the young.

Ellen was assisted at the supper hour by her mother Mrs. Charles Boynton, Mrs. A. W. Miller, Mrs. H. R. Paterson, Mrs. Bill Rodick and Mrs. Sidney English.

The annual re-union of the Stephenson family was held in Buttonville this year on Saturday, June 16. Mr. and Mrs. Aubrey Stephenson welcomed the guests who came from far and near. One family from Saskatchewan, another from New York State. Old and young enjoyed a splendidly planned program of spots during the afternoon. A delicious banquet was served in the Hall, where a presentation was made to Mrs. G. Herbert Stephenson of Unionville, the oldest lady present.

The Mitchell Clan held their annual re-union on Saturday afternoon at Riverdale Park, near Woodbridge. There were about a hundred members, coming from as far west as Edmonton. Among those present were Mrs. Robert Rodick, Mary and Jack Rodick, Mr. and Mrs. Wm. Rodick, Grace and John, and Mr. and Mrs. Jim Rodick. A presentation was made to Mrs. Robert Rodick who is the oldest living member of the Mitchell Clan. Those who are responsible for these re-unions are to be commended for thus keeping the bonds of kinship strong and growing unto the second and third generation.

Mr. and Mrs. John Black have returned from a ten days motor trip. While in Kirkland Lake they visited with Mr. and Mrs. K. C. Gray.

A number of the Young People from Browns Corners United Church took in the cruise to Niagara Falls and Queenston last Saturday.

Apartment Total Loss In Mondays Blaze

Fire believed to have been caused by an electric range gusted an apartment in the Grinnell block, south of the Post Office on Yonge Street, just before eight o'clock Monday morning. Mrs. Andy Kent with her 10-month-old son, Jimmy in her arms had to force her way through a temporary partition, as the flames had blocked the only door from the apartment. The contents of the apartment were a complete loss and other tenants of the building suffered smoke and water damage.

Mr. Kent is employed as a guard at the Ontario Hospital, Langstaff, has been transferred to the Orillia Hospital, and the young family are moving to Warminster this week-end.

The citizens of Richmond Hill once again proved their compassion for all those in distress. The fire was not yet under control when clothing was being provided for the family. Other material help is also being received with grateful appreciation.

Harry Hill, Secretary N. Y. Tennis League

Harry Hill, active in district tennis for many years, was elected secretary of the North York Tennis League at its annual meeting held at the home of Keith Davis, Newmarket, last Friday night. Keith Teetzel automatically becomes a vice-president of the League, which includes Richmond Hill, Aurora and Newmarket, since he is president of the Richmond Hill club.

Mr. Frank Wims of Aurora moved up from the office of last year's secretary to be the organization's new president. The other vice-presidents are Dr. John Dales, president of the Newmarket club and Mrs. Mae Gerrow, president of the Aurora club. Honorary presidents are Robt. Yates, Newmarket donor of the Robt. Yates trophy which Aurora won last year, Mrs. Madge Rennie of Mount Albert and Mr. Keith Davis of Newmarket.

Mount Albert, much to the disappointment of the N.Y.T.L., was forced to drop out of the competition this year because of the lack of players, but those who are available will play with the Newmarket club. Aurora was also given permission to draw from the other clubs when enough of their own players were not able to participate.

Newmarket is planning a first of July open tournament with Richmond Hill taking the Labor Day holiday. Anyone may participate in these games. A tennis weekend is being held at Thurstonia Lodge on Sturgeon Lake this week end and some from the Richmond Hill club are planning to attend with members of other clubs in the League.

Langstaff Church Notes

On June 28, Rev. Robert Harkness, well-known composer of hymns and choruses will be the guest artist for an evening of music. The Evangelic Male Quartette will be present also. Everyone is welcome.

The annual church and Sunday School picnic on July 7 is to be at Woodland Park. The buses will leave the church at 11 a.m.

Human Skull, Bones Dug Up By Workmen

Chief Constable Wm. Skidmore and Constable Ernie Bone of the Vaughan Township Police were called last Saturday morning to investigate the report that human bones and skull were uncovered in Hawman's Pit on the banks of the Humber River, 2½ miles north of Woodbridge.

First noticed by Norman Babcock, shovel operator in the pit, it was thought that the remains might be those of Wm. Thomson who died September 23, 1837, and whose body had been stolen from its grave in the Woodbridge cemetery. Upon analysis at the University of Toronto, it was revealed that the bones were definitely those of a pure-blooded Indian woman who died between the age of 20 to 30 years, and that the bones had been buried over 100 years.

Third Annual Festival Madsen Farm Unionville

The third annual Summer Festival, sponsored by the John Madsen Folk School, and at which over 500 attended last year, will be held this Saturday, June 23, at 3 p.m. at the Madsen's Cherry Hill Farm, Unionville. Approximately fifteen national groups are expected to attend and will participate in the singing and dancing, each group portraying the dances and songs of the country it represents.

Among the groups attending will be the Unionville Women's Institute, whose members will come dressed in the costumes of 100 years ago, the Boris Volkoff Ballet, the German Men's Choir plus several other singing groups. The afternoon is to be devoted to demonstrations, that is to say each group will perform. The public is invited to this day's entertainment and each person is asked to bring contributions to a pot luck supper. There will be dancing on the lawn in the evening, the public included, and everyone will have the chance to learn the dances of another group. The day's festivities will end with a campfire.

Turn those unwanted items into cash. Dispose of them by telephoning Richmond Hill 9 and inserting a classified ad.

MODERN MECHANIZED HELP FOR ACTIVE DUTY ON THE FARM FRONT

In the campaign for food, mechanical equipment is playing an increasingly important part. Machines enable fewer men on the farms to maintain and increase production.

As a result of the continuous research and experimentation by the agricultural implement industry, farmers today can get tractors, combines, and power machines that offer greater advantages in the saving of time and labor. In times of manpower shortage, modern equipment is especially essential in getting farm work done at the right time to produce best results.

For more than one hundred years, Massey-Harris has been a leader in developing machines that through service and efficiency contribute to the progress of Canadian agriculture. Your local Massey-Harris dealer will be glad to give you particulars of the latest models.
