**St. Stephen's W.A.**  
On Friday, June 15, the Anglican Women's Auxiliary met at the home of Mrs. Harry Taylor with Mrs. Strachan presiding and Mrs. James Martin taking the devotional. A very interesting letter was read from Rev. D.C. Wickenden, principal of Shingwauk Indian Residential School at Sault Ste. Marie, thanking the ladies for the clothing sent to a student whom the W. A. supports.

Rev. D.C.H. Michell sent out to all members of the congregation a letter regarding church extension. This was read at the meeting to emphasize the need for help to this cause. The church extension fund is to help provide churches in new districts which are rapidly building up and where church people find themselves miles away from their former church home and where both churches and church schools are sorely needed.

Mr. Michell not only appealed for financial aid for the cause but to all Anglicans in the district to attend divine service and to bring their children up in a Christian manner by setting them a good example. The chief business of the meeting was the plans for the strawberry supper to be held on the church lawn Tuesday, June 26, at 5 p.m.

Attended 77th General Assembly  
Rev. C. H. Bowman, as commissioner, Mrs. C. H. Bowman and Mr. and Mrs. Archie Cameron as visitors, attended last week, meetings of the 77th General Assembly of the Presbyterian Church of Canada, held in Ottawa.

A pleasant and profitable time spent in the capital city was reported. During the trip east the weather was ideal, affording a fine view of crops which in most parts look very promising.

In the city, visits to the Assembly meetings as well as to the Senate, House of Commons, mint, experimental farm, etc., proved most interesting. Not the least enjoyable experience was a motor drive given to the assembly members and visitors by the Presbyterians of Ottawa, which included many beauty spots and ended with a reception at the home of Senator Cairine Wilson in Rockcliffe.

On the trip home a one night party visited at the home of stop was made at Kingston where Mr. and Mrs. Herbert Constable and Mr. and Mrs. Connell, former residents of this community.

District Annual West York W.I.  
There was a good attendance of members from Maple Branch of the Women's Institute at the District Annual of West York Women's Institutes, which was held in Thistleton Hall on Tuesday, June 12.

Splendid reports were given by Standing Committees from eleven branches of the district.

The big objective is to raise sufficient money for a scholarship fund. At present \$291.00 has been received in West York with \$925.
