Richmond Hill Lions Sponsor Free X Ray Campaign In War Against Dreaded Tuberculosis

Most of us, when we look back to our childhood, can remember those hushed tones and head-shakes which always went with any mention of tuberculosis. In those days, it was commonly believed that, any one known to have the disease had only a slim chance of recovery, and as for the poor souls who had to associate with such persons, well, sooner or later they'd have the T.B. look too!

Fortunately that day is gone forever. True, it is, that found in its advanced stages, tuberculosis can seldom be completely cured, but, when discovered in an early stage, and proper treatment begun at once, it is one of the most curable of all serious diseases. Although all serious diseases can be transmitted from person to person, it is not hereditary. Because a father has TB, it does not necessarily follow that his child will have the disease also, or because a mother loses her life as the result of tuberculosis, there is no reason why her young children cannot be perfectly healthy.

Nevertheless, the inroads made by this disease are serious. During the war years nearly as many persons died from tuberculosis in Canada as there were Canadians killed by enemy action, and over half of these deaths occurred between the ages of 15 and 45, the most productive years of life. More persons die from tuberculosis in Ontario than from all other infectious diseases combined.

You can readily appreciate, then, the value to our residents, and our community of the mass X-ray survey beginning here July 3. The Lions Club in co-operation with the National Sanitarium Association, is giving every resident of this community an opportunity to protect themselves against this widespread disease by having a free chest X-ray. These X-rays are paid for by funds from T.B. Christmas Seals.

Similar surveys held in other neighbourhoods have been most successful and the co-operation of the public has been excellent. In Timmins, for instance, 90 percent of those canvassed were X-rayed. In other surveys conducted in the Province approximately two persons out of every thousand examined were found to have pulmonary tuberculosis requiring immediate treatment.

The X-ray is painless, as well as free, and takes only a moment of each person's time. The staff of the National Sanitarium Association who will do the X-raying use the most up-to-date equipment. And this is important—results of all X-rays will be kept confidential.

You can easily see that to make this survey a real success, everyone must co-operate. Many can-

Women Teachers At Summit Golf Club

The York 1 Association of the Federation of Women Teachers of Ontario held its annual meeting recently at the Summit Golf Club, Yonge Street north. Mr. O. M. MacKillop, I.P.S., outlined the changes being made in the boundaries of the inspectorates as they affected those present.

Mrs. M. Pope, presented the new slate of officers as brought forward by the nominating committee, past president, Mrs. Mary Pope, Gormley; president, Miss Freda Balmer; 1st vice-president, Miss Aileen Stewart, Markham; 2nd vice-president, Miss Jean Muirhead, Markham; secretary, Miss E. Denne; treasurer, Miss E. Komar, Aurora. Miss E. Shaver, Richmond Hill, is convener of the finance committee, Miss M. Hamel, Markham, legislation, and Mrs. Jean McWhirter, Gormley, status. Miss Shaver, Miss Freda Balmer reported on the regional conference held in May, which they both attended as delegates.

Highlight of the meeting was the presentation made to Miss Dorothy Ratcliffe, who is leaving the inspectorate, in recognition of her untiring efforts as secretary of the association. Miss Richardson expressed the appreciation of the members to the retiring president Mrs. M. Pope, for her capable leadership during the year.

As from July 1 the subscription rate for the Liberal will be increased to \$2.50. All subscriptions paid before this date will be accepted at the \$2.00 rate.

Norm. Tyndall Host Scottish Jr. Farmers

Blessed with fine weather, each of the five Jr. Farmer clubs in this district entered a softball team for the annual Junior Farmer Picnic at Musselman's Lake held recently. Sharon and Vandorf survived for the final, with the Vandorf nine later taking the Sharon boys and girls into camp on a 12 to 1 score. The games in the ball tournament were interspersed with sports including the popular tug-of-war which was won by Sharon on the final pull.

At supper time the four Junior farmers from Scotland arrived from Ontario County to join in the picnic lunch and afterwards to enjoy a good Canadian dance as guests of our juniors. The group included Miss Anne Christie of West Carse, Stirling; Miss Rosamary Stewart, Kelso, Roxburghshire; David Hamilton, Bathgate, West Lothian and Arthur Young, Stromness, Orkney. Alex Roberts a former club pal of David's, now a member of the Unionville Club, enjoyed the evening with his friend and the group.

The group from Scotland spent a week between the counties of Simcoe, York and Ontario, with the girls being billeted by the Simcoe Juniors. Norman Tyndall of Richmond Hill was host to the boys for half the week and Eldred King of Ringwood for the balance.

The dance in the Cedar Beach Gardens at night as usual brought a large crowd including Archie McKenzie, former Agricultural Representative in York, who is now farming for himself near St. Mary's. Another guest was Emerson Jennings, Assistant Representative in Ontario and his wife, formerly Edna Folliott of Aurora.

60th Birthday Maple W.M.S.

The spacious lawns at the home of Dr. and Mrs. R. A. Bigford of Maple were at their best for the colorful garden tea held last Saturday afternoon in honor of the 60th anniversary of the W.M.S. of Maple United Church. Mrs. R. A. Bigford is the president of the group.

Registration began at 2.30 p.m. under the direction of Mrs. Fred Routley and Mrs. Robert Ramsay. Those receiving the guests were Mrs. R. A. Bigford, Mrs. E. Hempill, Mrs. Alec Forrest, Mrs. Leslie Laver, Mrs. G. W. Baillie and Mrs. P. J. Lambert.

The young women and girls of the W.M.S. were responsible for serving the 133 guests. Those pouring tea were Mrs. H. C. Baillie, Toronto, Honorary President and Mrs. Charles Norman. The tables were beautifully set and were centred with roses. During the tea hour music was supplied by means of amplified recordings made available by the kindness of Mr. Ross Knight. This was followed by a short programme, with Dr. Archer Wallace in reminiscent mood delighting the guests and also bringing them a long to be remembered message.

Three musical numbers were contributed by Mrs. Goodwin with Dr. Goodwin accompanying her. Mrs. R. A. Bigford thanked all who had so ably contributed to the success of the afternoon and said the sum of \$76 was added to the W.M.S. Treasury. Rev. P. J. Lambert acted as chairman for the programme.

Patterson Community Club Awards Eight School Prizes

The closing meeting of Patterson Community Club was held at Maple Creek Lodge on Thursday, June 21. All children and parents of the community were the guests of the club.

Prizes were awarded to the pupil in each grade who had shown the greatest general improvement in his school work during the course of the year. Those who received prizes were: Grade 1 Kenneth Kepke; Grade 2 Dorothy Dell; Grade 3 Jane Lepper; Grade 4 Leah Stephenson; Grade 5 Diana Ewart; Grade 6 Jean Taylor; Grade 7 Dorothy Robson and Grant Kellough; Grade 8 Carol Selic.

After Mr. F. S. Rumble had presented the prizes a programme consisting of a contest and quiz was enjoyed by all. At the close of the programme lunch was served.

Turn those unwanted items into cash. Dispose of them by telephoning Richmond Hill 9 and inserting a classified ad.

Wrestling On July 6 Richmond Hill Arena

The Langstaff Recreation Committee will sponsor an all-star professional wrestling card at Richmond Hill Arena next Friday July 6.

The feature attraction will be the first appearance in the local arena of "Battling" Bill Clubine of Richmond Hill. Bill has been wrestling for over two years now, and lately has been starring at the Weston Arena and has created quite an impression on the fans there. Billy will be trying hard to please the local folk on Friday and hopes to be able to throw Lully Paul Penchoff who will oppose him.

Penchoff is one of the rougher type of grapplers and is sometimes referred to as a spoiler; that is because he has injured so many wrestlers both in the ring and the gym and is quite confident he can beat our Billy. When signing for the match he said "This Clubine is just a punk kid and I'll probably throw him two straight falls."

In the Semi-Final Ed "Mangler" Magnotich, no stranger to the Richmond Hill fans, returns against "Red" Garner, Langstaff mat veteran in a 2 out of 3 falls 45 minute limit match. The preliminaries have some outstanding local talent. Cleve Burton, starting on his come-back trail, locks horns with Farmer Norm Alexander of Richvale in one match, with that very popular strong boy, Bobby Jordan, opposing "Baron" Waldo Von Seiber, formerly of Stuttgart, Germany, in the other.

These matches are being sponsored by the Langstaff Recreation Committee who, headed by Fred Morris and Stan Worsdale, has arranged the bouts in aid of a community hall. The Committee considers itself very fortunate to be able to present such a promising evening of fine sport and is grateful to "Red" Garner and his wrestlers for lending their talents to the good cause.

Pony, First Prize Of Hockey Club Carnival

Unionville Hockey Club is sponsoring a Street Dance to be held at Boadway's Service Station, Unionville, on Wednesday, July 4, at 8.30 p.m. The date was changed to a later time due to circumstances beyond control of the club.

Kit Carson and His Trail Blazers will provide the music for the show, with a monster bingo, carnival and games adding to the attraction of the event. Lucky draw prizes will be given away, 10 in all, the first prize to be a pony, bought for the occasion by the business men of Unionville.

MODERN EQUIPMENT IS VITAL FACTOR IN FULL SCALE FARM PRODUCTION

Canada's agriculture is highly productive. And one of the greatest assets that a nation can have, particularly in these troubled times, is a highly productive agriculture. Our national economy, our industrial production, the health of our people and our security, benefit greatly from the ability of our agriculture to produce great quantities of essential foods.

That Canada's agriculture produces more food than ever before with comparatively less manpower is due to the practical application of scientific developments and the effective use of modern power farming equipment.

Through continuous engineering developments, Massey-Harris has helped make available today tractors, combines and power machines to keep our farms operating at peak efficiency. From your local Massey-Harris dealer get full particulars of the latest in time-saving, labour-saving equipment.
