TED REEVE
RE-EXPLORES
"BLIGHTY"...

... the MOANER is back
in the OLD COUNTRY!

Ted Reeve and his Sporting Extras discovered the joys and sorrows of Britain while the Moaner served as a gunner with the 30th Battery during World War II... Now he's back overseas to see for himself and Tely readers exactly what has happened to the old haunts so popular with Canadian service men and women during those grim war years.

He'll see the English Henley when Jack Guest, Jr., of Toronto, attempts to duplicate the feat of his father by winning the Diamond Sculls... he'll visit the famed old pubs... he'll have tea at Lord's as he watches the inter-county cricket matches... and he'll be in the stands for the great race meets.

Briefly, Ted Reeve is reporting what's new in Britain in his Sporting Extras every day in The Telegram.

TEMPERANCEVILLE NEWS

CORRESPONDENT: MRS. ED. PAXTON, R. R. 3, KING

Shower

The community of Temperanceville gathered at the Temperanceville School on the evening of June 19, to hold a party in honor of a popular young bride-to-be, Miss Doris Beynon. About 65 guests were there and presented a wonderful miscellaneous show-er to Miss Beynon.

The W.A. and W.M.S. met at the home of Mrs. McLeod on June 21. It was reported by Mrs. Umehara that four large boxes of clothing had been sent to Ossingtonshire for overseas relief.

The layette has been completed and sent to its destination. The scripture was read by Mrs. C. Beynon. During the meeting a portion of an article on Dr. Bury's experiences in Labrador was read by Mrs. E. Paxton and Mrs. C. Bryson. Mrs. Moddle led the group in prayer.

This was the first meeting of the season held outdoors and was greatly enjoyed by all present.

Trousseau Tea

Mrs. M. Beynon entertained at a trousseau tea in honor of her daughter, Doris Marie, whose marriage to Mr. Howard Patrick takes place June 30.

Refreshments were served from a table with lace cloth with centre-piece mirror reflecting beautiful blue and white spring flowers. Pink, white and red peonies intermingled with orange blossoms were artistically arranged in the rooms.

The three-tier wedding cake was decorated with horse-shoes, doves, roses and the imitation bride and groom arched in lily of the valley.

Pouring tea in the afternoon were Mrs. Patrick and Mrs. Harry Borden; in the evening, Mrs. A. Sambrook and Mrs. J. Gowen. Those who assisted were Mrs. Colin Crawford, Misses Florrie and Ruth Beynon, Miss Betty Jennings and Miss Shirley Hare. The girls in charge of the four rooms laden with wedding presents, shower gifts and the bride's trousseau were Miss Jessie Grieve, Miss Evelyn Thomas, Miss Helen Borden and Miss Margaret Beynon. Miss Ruth Beynon entertained the guests in the evening by several piano selections.

Among the many and varied gifts received by the bride and groom were an electric sewing machine, bed linens, a one hundred dollar bill, kitchen suite, carving set, bedspread, quilts, chest of silver, radio, bridge set, lamps, china and glass, and many beautiful cups and saucers, hand and face towels, electric kettle and many other such useful articles.

The financial report of the Church Building fund was \$1,603. Wish to thank all who have contributed so generously. However another \$400.00 is needed in order to reach our goal.

Glendening Kitty, pony owned by the Levison children caused many excited comments when the children discovered an addition to the family, which they have named Glendening Bonnie.

Sunday School at 10.30 a.m., church at 7.30 p.m.

Those who are ill in the community were especially remembered as Mr. Moddle led the congregation in prayer Sunday evening. The minister's service was most inspiring as he spoke on Faith in God and what comfort and strength people can attain — what miracles can be accomplished with His help and guidance.

The Women's Institute met in the church basement for the June meeting. Guests were members of the Gormley Institute who entertained us with a varied and most enjoyable program. Mrs. Gamble read a number of very interesting articles from her Gormley Gazette. This is a paper compiled by Mrs. Gamble for her institute. Mrs. Wilson played two

popular piano selections. A number of the ladies took part in the "Kitchen Serenade." Little Bobby Baycroft gave two recitations "I don't care" and "The Lost Milk."

With Mrs. Baycroft asking the Gormley W. I. answering, a panel discussion on "How you take it" was conducted. Much food for thought was derived from this timely discussion on the manner in which we should approach every day happenings. Our health is largely governed by our mental attitude.

Mrs. R. Smith, accompanied by Mrs. A. Smith favoured with a solo. Mrs. Ellis conducted a contest on flowers. This was won by Mrs. Gamble and Mrs. Baldwin who received a lovely potted plant.

Mrs. Nelson Thompson expressed the appreciation of Temperanceville W. I. for this most enjoyable afternoon's entertainment.

Discussion was held in regard to donating or purchasing vases by Centre York district for the York County Home. Donations of vases, used, or if new, plastic is preferred, will be gratefully received.

It was decided the W. I. will work with the other organizations and school and have a community picnic. The date and place will be announced later.

The W.I. will now pay a fee of \$3.00 for the use of the church each time it is used by the organization.

As stated in an earlier edition the need for new woollen articles for the babies of the Children's Aid is great. We can now purchase a box of wool at the price of \$7.20. We are still in need of volunteer knitters. Will you help?

The collections made by our W. I. for the Red Shield amounted to approximately \$100.00. Thanks is extended to all who contributed so generously.

July 17, the chest X-ray will be held in King, Mrs. M. McClure, Mrs. Davis, and Mrs. Baldwin have offered to assist with this work. Another volunteer is needed from this district. Please contact Mrs. Baldwin if you would like to help.

For the benefit of yourself and the community be sure to attend the X-ray on July 17.

The generosity of those who have contributed toward the necessary funds for the repairs on the church has been very gratifying and is greatly appreciated. However the objective has not yet been reached. Anyone wishing to contribute to this worthy cause may do so by sending a donation to "The Building Fund of Temperanceville Church." Secretary-treasurer, Mrs. W. Turner.

This community deeply regrets the seriousness of George Gilhan's illness and sincerely hope for a speedy recovery.

Mr. and Mrs. J. Reese visited with Jean's parents, Mr. and Mrs. J. Umehara on Sunday. George also was home for the week-end.

Miss Mae Harman has spent a month's holiday with her parents. She is now going to Montreal for the summer, as a camp instructor.

The ladies of the smoking group accompanied by their husbands and families, ended the season's activities with a supper at the home of Mrs. Nelson Thompson. After a scrumptious repast, the instructor, Mrs. Snelgrove of King, was presented with a lovely card table and chairs from the group. Mrs. Austin Rumble and Mrs. George Harvey made the presentation. Mrs. Snelgrove's efforts on behalf of the group have been tireless and most appreciated by all.

During the evening Mr. George Harvey showed pictures on the Hydro-Electric Commission of Ontario. This was very educational showing how the power is generated from Niagara Falls. Pictures on skiing, skating and swimming were also enjoyed by the group.
