Staff Holds Farewell Party At Granite Club

Prior to the termination of business of Maple Villa, Maple, the staff of 12 girls gathered at the Granite Club, Toronto, for dinner. After dinner Mrs. Mary Weldrick on behalf of the girls expressed their appreciation in a very capable manner. Mrs. Knight was then presented with a musical silver jewel case and Mr. Knight with a leather billfold.

In response the girls were thanked by Mr. and Mrs. Knight most heartedly, with a feeling of deep regret that their association with the girls had been brought to a close. "It can be truthfully said," they stated, "that no business can be successfully carried on without the full co-operation of all concerned, and all gave of their best when the occasion demanded it."

Miss Mary McPhee, was one member in the person of very much missed having found it necessary to go home, unable to return owing to illness in the family. However she was remembered by each signing their name on a card which will accompany a gift as a token of esteem from the staff.
