**To Carry Royal Couple**

The 20,000-ton Canadian Pacific liner Empress of France, in regular service between Liverpool, Eng. and Montreal, has been chosen to carry Princess Elizabeth and the Duke of Edinburgh to Canada for their tour of this country. Inset shows Captain B. B. Grant, a veteran of 32 years' service with the Canadian Pacific Steamships, who holds the rank of Commodore in the Royal Navy Reserve, and who will be in command of the vessel on her historic voyage. Also to be aboard the ship on the trip are several officers and men who attended King George and Queen Elizabeth on the Empress of Britain when they returned to the United Kingdom following their tour of Canada in 1939. The Empress will sail from Liverpool with the royal couple, September 25, arriving at Quebec, October 1.

**Richvale Man Wins First Prize  
At J. Fox & Son Store Opening**

The recent Grand Opening of the new J. Fox and Son Modern Heating Equipment building in Richvale featured a Free Guessing Contest for a Monitor Washing Machine, which was won by Fred Churchill, Westwood Lane, Richvale. Winners of the three electric Moth Kings were Miss Lenore Marchand, 239 McDonald Ave., Toronto, Mrs. R. Maddely, Downsview P.O., and Mr. S. J. Wayne, 88 Kedpath Avenue, Toronto. The number of chips in washing machine for the guessing contest was 372 and Mr. Fred Churchill's guess of 365 was the nearest, being only seven out.

Since opening his new store, Mr. Fox reports that business has been very good, and that he could handle considerably more orders if he were able to obtain more metal for furnace fittings. Formerly in business in Richmond Hill Mr. Fox and his son will be remembered by many for in World War II he served with the 48th Can. Regiment and his son with the Royal Canadian Air Force. For anyone needing anything in the line of heating equipment for next winter, Mr. Fox has a word of timely advice — order now.

**Maple & District League**  
Fans last Monday night saw one of the best games of the year at Concord field as Elia defeated Concord 8 to 1 in the second game of their series. This game gives the series to Elia 2 games to none. In the other series on Tuesday night Elgin Mills defeated Hope 22 to 2 to tie up their series at one apiece. In their final game on Friday, fans were treated to a real close game as Elgin Mills defeated Hope 8 to 4 to enter the finals.

Behind the pitching of Ted Bennett, Elgin Mills took the first game of the final series against Elia 15-5 at Elia Tuesday night to lead 1-0. These two teams go again in the second game tonight, July 19, at Richmond Hill Park. Third game, Monday, July 25: Elgin Mills at Elia. Final series is 3 out of 5. If more than three games are necessary they will be scheduled next week.

**Markham Township League**  
Results at hand for two games played on Tuesday evening were: Thornhill 6, Unionville 3; and Buttonville 10, Peaches 1. Buttonville's win strengthens their position at the top of the league with Markham in second place, Unionville and Thornhill third and fourth. Two future games scheduled are Peaches at Thornhill tonight, July 19, and Buttonville at Thornhill next Tuesday, July 24.

**York Centre Ladies League**  
Owing to Thornhill and Concord dropping out, the York Centre Ladies Softball League has been reformed and is now a six-team loop comprising Elgin Mills, Aurora, Stouffville, Peaches, Unionville and Victoria Square. The Elgin Mills Ladies team who only played 3 games in the old loop will be playing all their home games on Monday nights in Richmond Hill Park and we wish them success in the new league. Rain cancelled their first scheduled game against Victoria Square last Monday unfortunately, but the Ladies will go against Stouffville in the Park next Monday, July 22.

**THAT SMILE**

Good teeth are more than just a feature of your general good looks — they have a very decided influence on your general health. To keep your teeth healthy, they require regular attention — brushing immediately after meals, regular inspection and, if necessary, treatment by your dentist.

**DON'T EMOTE**

People who suffer from high blood pressure should avoid emotional upsets and a too strenuous way of life. Overeating, which can cause overweight, is one of the "Don'ts". The doctor's instructions as to diet, exercise and rest should be followed carefully.

**Nth. York Farms Are  
New Humane Society  
Temporary Shelter**

Mr. William Dawson, Centre St. W., president of the local Humane Society, announces that the North York Humane Society has secured a temporary shelter for animals, after many months of work on the project.

The shelter, which will be under capable supervision, will be located at the North York Farms, on the west side of Yonge Street, 1 1/2 miles south of Aurora. Shelter hours will be from 7-8 p.m. on Mondays, Wednesdays and Fridays with pick-ups of stray and abused animals made those same evenings after 8:15 p.m.

The public is invited to phone either Maple 122 or Richmond Hill 406J to report cases of abandoned animals or cruelty to animals.

Such animals will be picked up and kept for three days at the shelter — of not claimed or adopted in that time they will be humanely destroyed.

An advertisement about the temporary shelter appears elsewhere in this issue.

**Summer Clothes**

The battle between the sexes on the subject of clothes continues unabated again this year. The men claim that the ladies are mere pawns in the hands of a group of canny fashion designers who periodically dictate a complete change in the length and style of clothes worn so as to stimulate additional trade for the dress and suit business.

The ladies claim this is the bunk and that, while they like to stay in style, the clothes they do wear are considerably more sensible than those worn by the male. In addition to pointing out quite vociferously by the way, that the male has made only a few minor concessions to comfort over many, many years, the ladies wax indignant over being criticized for their attire while the men continue to swelter through the hot summer days encased in ties and coats.

The last time the male was really comfortable in the summer, say the ladies, was in the days of togas and sandals. We are still waiting, however, for the first hardy male to appear in public so togged out, especially if he is accompanying the good lady somewhere.

Although, come to think of it, a toga and sandals would be cool when the thermometer is edging the 90 degree mark. Great Slave Lake, Northwest Territories contains one of the greatest inland commercial fishing areas in the world. The lake, 11-123 square miles in extent and fifth largest on the continent, was opened to commercial fishing in 1945.

**Revision Court  
Members Chosen  
By Markham Tp.**

An independent court of ratepayers will sit as members of the Court of Revision in Markham township this year, it has been decided by the Township Council. Only once before, in 1947, was this practice followed. In other years council members made up the court of revision to pass on appeals against assessments. Such independent courts are favored by the Ontario Department of Municipal Affairs.

Ratepayers appointed to sit on the 1951 Board are W. C. Gohn, Chairman, Albert Resor, W. Dean, W. J. Spears and Frank Brumwell. In making the appointments Reeve Timbers and members of council feel satisfied they have named a capable board, and one representative of the whole township which will deal fairly with all appeals.

**B. Woolley Sr. Sells  
Winning Draw Ticket**

The Oak Ridges Lions are well pleased with the success of their carnival held on Friday night, after being rained out on Wednesday night. A crowd estimated at over one thousand people, enjoyed the various events, from games of chance and bingo, to pony rides for the children, on the ponies of the Oak Ridges Junior Riding Club. The booth handling home made pies, coffee, hot dogs, ice cream, etc., was a popular spot. It was manned by the wives of the Lions who all report a lot of fun as well as work. The Ranch House Hill Billies of Oshawa, supplied the music for dancing under the stars, and all ages enjoyed popular and old-time square dancing until 1 a.m. Mr. Jack Blyth, president of Oak Ridges Lions Club, expressed the thanks of the club to all who helped to make this affair a success. The draw for the television set took place near the close of the evening, the ticket being drawn by Brent Boyle, small son of Harold Boyle of Oak Ridges. The lucky winner of the sixteen inch television set was Mr. Alan Sales, 19 Morton Road, Toronto, who is employed with the Dominion Coal Co. The ticket was sold by Mr. Bob Woolley Sr. Mr. Alan Brodie, brother-in-law of Gordon Rowe, Oak Ridges, won the Panda Bear decorated with dollar bills.

Motoring**

Do check your car for safety — especially the tires and brakes — before starting out on a trip. Don't drive too fast for the condition of the car, the road, or the traffic. Observe safe driving rules. Watch out for pedestrians.

**Is It Fit To Drink?**  
Water, even if it looks clear, may be contaminated with germs. Don't drink water unless you know that it has been tested and approved for drinking. When uncertain, you can make it safe by boiling, or if this is impossible, by adding chlorinating tablets.

**REMEMBER . . .** it's your vacation and don't spoil it by overdoing, especially the first few days.
