KING CITY NEWS
CORRESPONDENT: MRS. M. JOHNSTON, KING, ONT.
Phone King 55R14

The many friends of Rev. and Mrs. W. Smalley will be glad to learn that they are recovering from injuries in a recent accident and expect to be in their home at King at the end of the week. They left the Newmarket hospital on Saturday and went to Uxbridge where they are visiting their son, Mr. Wilbert Smalley. The evening service at the Baptist church in King was taken by Rev. Mr. Breechin from Newmarket on Sunday.

At Eversley Presbyterian Church the services will be held at 7:30 p.m. on Sunday for the next three months.

United Church W.M.S.
An invitation was extended to the ladies of the W.M.S. of the United Church to attend a tea to be held at the home of Mrs. F. Curtis on July 25, under the auspices of the Presbyterian W.M.S. The ladies of the United Church met at the home of Mrs. G. Stone on Thursday afternoon at their regular W.M.S. meeting. Mrs. A. Green had the worship service and spoke of the hunger of the heart for God. Mrs. W. Gellately read the study book "The United Church re-enters Japan—Trough Education." Mrs. C. Stewart reported the afternoon session of the Spring Rally held in Aurora. Mrs. I. L. Scott sang during the afternoon, also Mrs. Tom Proctor of Schomberg sang two solos.

During the early summer much work has been done on the township roads. The biggest project has been at Schomberg where a 40 foot multiplate pipe weighing 8 tons has been laid to carry the spring floods of the creek. There are 192 miles of township roads, and this is the busy season of spraying and cutting of weeds. A contract has been let whereby 15,000 yards of gravel would be used on the 4th concession beginning on July 1, which offers some hope for better driving on this much travelled road.

Mr. W. F. R. Hood has returned from a business trip of ten days to San Antonio, Texas.

Congratulations to Roger Rawlings upon passing his musical examinations. Roger is a pupil of his mother, Mrs. D. Rawlings, and was successful in getting honors in Grade 7 piano, and 1st class honors in Grade 1 Theory.

Miss Dorothy Armstrong, who is organist of 1st Avenue Baptist Church, Toronto, is spending a two week's holiday at Camp Huronia, Lake Simcoe. Camp Huronia is the private camp of 1st Avenue church for its own boys and girls.

Miss Jessie Gellately and her sister, Mrs. Clara Smith, left on Friday morning to motor to Fort William, where they will join their brother, Dr. Harvey Gellately and his wife and daughter. They will all motor to Banff to visit Dr. and Mrs. Gellately's son, Bruce, who is employed in a bank there. They expect to return to Fort William through the American States, and will be away for three weeks. They made this same trip last year and found it most enjoyable.

Miss Millicent King of Newfoundland is visiting Mr. and Mrs. Bert Kelley and Miss Louise Kelley for a few weeks. Miss King and Miss Kelley were roommates and classmates while in training at St. Joseph's Hospital, Toronto, and they graduated on the same day. Miss King has been living at her home in Newfoundland for several months and her visit here is a pleasant and unexpected surprise.

Shower
Miss Louise Kelley was the guest of honor at a shower on Friday evening, when Mrs. Ross Walker, Mrs. T. L. Williams and Mrs. A. Gordon were hostesses to some forty guests. The party was held at Mrs. Gordon's home. Out of town guests were Mrs. E. Wilson, Mrs. P. Wright and Mrs. A. Phail of Oakville. The young bride-to-be received many beautiful gifts including a set of Susy Cooper china trimmed in green.

Mrs. Clyde Cairns entertained on Saturday afternoon at a family party in honor of her cousin, Miss Louise Kelley. The guest were cousins and relatives of the bride-to-be, and she was presented with a cup and saucer shower.

The neighbors will be glad to hear that Keith Cambden has returned to his home in King City after his very unfortunate accident, when he fell from a hay loft and broke his leg. Mr. Cambden had been in Stouffville Hospital for 10 days, but was allowed to return home on Sunday. He will wear a cast for six months, but will soon be able to walk about, and expects to drive his car in a few weeks.

Robert A. Arbuckle of Laskay motored to Ardoch, near Perth, last week-end, taking with him his son Bobby and Bobby's friend, Eddie Etheridge. The boys will visit Bobby's grandparents, Mc and Mrs. Charles Smith for a couple of weeks.

It is easy to forget to return books after they have been read and put aside, but the King Memorial Library have about 50 books that are long overdue. The ladies who look after the library so well,

know that the members were unable to use the library room for so many weeks in the Spring because of the flood in the building. Now, they would remind us all to glance through our reading material for any books that have strayed. The Library is open every Wednesday afternoon and evening.

United Church Picnic
Sunday School picnics are happy occasions in the life of a child, and last Tuesday afternoon and evening the young people of King City United Church enjoyed an outing that will be remembered. It was a lovely day and the gardens at Memory Acres, Kinghorn where the picnic was held, were a perfect setting for the games, races and picnic supper. Mrs. Margaret Gellately took charge of the games and the races, and the boys and girls were very well entertained. The 60 guests at Memory Acres were grateful to Mr. and Mrs. Davies and to Mr. and Mrs. Archie Campbell for their kind hospitality on Tuesday.

Mrs. W. F. Hood is spending this week at Acton where the instructors of Boy Scouts and Cubs groups are receiving instruction and recreation. Mrs. Hood is district officer of the Cubs.

Miss Greta Clark of Toronto spent the week-end before last with Mrs. C. F. Ritchie. Miss Clark has been a missionary of the Anglican Church in China for the past 32 years. She returned to Canada in February when life in China became intolerable. For the last few years of her stay in China, her chief work has been with the students under the Interservice Christian Fellowship, and her association with these young people has been greatly blessed. As the Communists came into power, the propaganda against the Christian Church became increasingly hostile, so that now the persecution of the Chinese Christians is unbelievable. Many of Miss Clark's Chinese friends have been jailed and beaten, but have refused to give up their faith. Last Sunday evening a number of friends gathered in Mrs. Ritchie's garden to meet her guest, and to hear her experiences in Communist China.

CONCORD NEWS
CORRESPONDENT: Mrs. Raymond Stuart, R. R. 1, Maple
Telephone Maple 110R3

Doneddy Royal Bridget, bred by Doneddy Farms, Pinegrove, and owned by Jack Fraser, Fraserdale Farms, Concord, has broken all records for her class in Canada. Milked three times a day for 305 days, she produced 800 lbs. of fat to top the former record by 33 lbs. of fat, which was held for 26 years by her great grand-dam, Princess Patricia, who produced 767 lbs. of fat in 305 days, milked three times a day. She was the dam of the famous Patricia St. Patrick who was bred by G. M. Magee, Berwick, Nova Scotia. St. Pat. in turn sired St. Bridget who produced 3601 lbs. of fat in seven tested lactations. She is now owned by J. H. Crang, Glenville farm, Newmarket. St. Bridget is dam of Royal Bridget, who has with this record made a total of 2,883 lbs. of fat in four tested lactations with an average of 713.2 lbs. of fat in each lactation. Her last record of 911 lbs. of fat made in 365 days on three times a day milking gave her 4th place in the 365 day division. This record puts her in top place in the 305 day division.

By phoning your news and personal items to your correspondent on Monday mornings, you will be assured of it appearing in the following Thursday's issue of this paper.

Many happy returns of the day to Mark Snider whose birthday is on Wednesday, July 18. Also to Mrs. A. W. B. Slater, Keelo St., who observes her birthday this month.

Sherwood
Zion Lutheran Church, Sunday, July 22, 1951, Sunday School 1:30 p.m. Sunday Service 2:30 p.m. Movies on the Fifth Commandment will be shown in the church following the service.

Congratulations to Mr. and Mrs. Leonard Klink on their seventh wedding anniversary.

Visitors at the home of Mr. and Mrs. Roy Keffer last week were Mr. and Mrs. Tannock and Mr. and Mrs. John Young of Philadelphia. Mr. and Mrs. Oscar Cryderman arrived from Flint, Michigan, last week to attend the Cryderman reunion in Bowmanville and spent Friday and Saturday with Mr. and Mrs. Keffer.

It is your duty to attend the free chest X-ray at the Mobile X-Ray Unit at Thornhill Wednesday and Thursday, July 25 and 26, from 1:30 to 9 p.m., sponsored by the Lions Club.

The Concord team went down in defeat, but honourably, in the league game with Elia on July 9. Thanks and appreciation is extended to all who entered into active participation, also to those who encouraged and cheered the players along. Perhaps should there be another series next summer, we may be more successful.

However keep your eyes open for announcements of special exhibitions.

WITH TIME-PROVEN
POWERGLIDE
AUTOMATIC TRANSMISSION

A fully-proved automatic transmission in the low price field. Because PowerGlide is a torque converter drive, you get continuous application of power through every speed — amazing smoothness. Combination PowerGlide Automatic Transmission and 105 h.p. Valve-in-head engine optional on De Luxe models at extra cost.

Illustrated — Chevrolet Styleline 4-Door De Luxe Sedan

HERE, in the 1951 Chevrolet, is the car that is more than ever the Leader.

Chevrolet excels in value and matchless quality. From every angle — low first cost, operating cost and trade-in value — Chevrolet gives you far more for the money you pay.

Chevrolet excels in economy and dependability. Its low-cost operation will save you money month after month, year after year.

Chevrolet excels in flashing performance, with ample reserves of sparkling valve-in-head power and smooth, instant response to steering wheel and brakes.

Chevrolet excels in styling and roominess, with a new lovelier Body by Fisher with smooth-flowing contours and that eager thrust-ahead look.

Last but not least, Chevrolet excels in safety, with new, more powerful Jumbo-Drum brakes — largest in Chevrolet history — providing maximum stopping power with up to 25% less effort.

Yes, more than ever before, Chevrolet excels in all the things you want — at lowest cost. Come in now — see and drive Chevrolet.

NEW! LONGER, LOWER, WIDER BIG-CAR LOOK. Brilliant new styling — imparting that smarter, more spacious luxury look that sets Chevrolet above and apart from every other car in its field.

NEW! MODERN-MODE INTERIORS. Upholstery and appointments of outstanding quality, in lovely two-tone color harmonies. Extra, generous head, leg and elbow room for driver and all passengers.

NEW! SAFETY-SIGHT INSTRUMENT PANEL. Overhanging upper crown eliminates reflections on windshield from instrument lights. Lower edge of panel recessed to provide safe, convenient location for instrument knobs.

NEW! IMPROVED CENTRE-POINT STEERING (and Centre-Paint Design). Makes steering easier than ever at low speeds and while parking.
