 IN MONKEYDOM
 Three monkeys sat on a cocoanut tree
 Discussing things as they're said to be
 Said one to the others — "Now listen, you two,
 There's a certain rumor that can't be true,
 That man descended from OUR noble race —
 The very idea is sure a disgrace.
 No monkey ever deserted his wife,
 Starved her babies and ruined her life;
 And you've never known another monk
 To leave her babies with others to bunk,
 Or pass them on from one to another
 Till they hardly know which one is their mother.
 And another thing you will never see —
 A monk build a fence 'round a cocoanut tree
 And let the cocoanuts go to waste,
 Forbidding all other monks a taste.
 Why, if I put a fence around this tree
 Starvation would force you to steal from me.
 And here's something else a monk won't do —
 Go out at night and get on a 'stew'
 Or use a gun or a club or knife
 To take some other poor monkey's life.
 Yes, man DESCENDED — the ordinary cuss —
 But, brother, he didn't descend from US!"

THIS IS WHY IT'S MORE IMPORTANT THAN EVER TO BUY COAL NOW

1. In times like these it's best to have your bin filled when you can get the kind of coal you want, "blue coal."
2. Prices right now are the season's lowest.
3. You can get clean delivery immediately, and avoid heating worry all winter long. We recommend "blue coal", the best anthracite coal.

Impurities are removed. You get pure coal that burns clean, lasts longer. Fill your bin today!
