INSURANCE OF ALL KINDS

With the increase of fire hazards
property owners should review
their insurance policies, and due to
the increased cost of materials
would be well advised to increase
the amounts of insurance. Also car
owners who think it will never
happen to them are caught some
time or other without protection.
The cost is a minor amount to
what it will cost if an accident
happens.

TEMPERANCEVILLE NEWS

CORRESPONDENT: MRS. ED. PAXTON, R. R. 3, KING

The pie and ice-cream social
held at the residence of Mr. and
Mrs. W. Jennings was well attend-
ed by members of the community.
Games were conducted by Mrs. M.
McClure for the children and a
guessing contest by Miss Margar-
et Beynon in which everyone took
part. Everyone was entertained
by the antics of the children and
appreciated the efforts of those
who planned the sports. The eve-
nings pleasure was climaxed with
a most delicious repast of pie and
ice-cream. The cheque which the

A geranium of great beauty
has been grown by Miss Margaret

no less than fifty beautiful rose
coloured blooms and approximat-
ely ninety buds yet to burst into
bloom. Margaret is anxious to
share the beauty of this flower
with anyone who desires to see it
so do call at her home if you wish
to do so.

The deep love and respect with
which Mrs. R. Foliott was held

the family was shown by the large
number of people of this commu-
nity and elsewhere who attended the

COOLING OFF!

It takes a lot of cooling to keep a Polar Bear happy. This largest member of the bear family is smaller than a porcupine at birth, but often weighs more than three-quarters of a ton when full grown. To this tremendous bulk, add the fact that the bear is covered with a thick, water-proof coat, which is designed to protect him in the Arctic... it's a big job keeping him cool in our zoos. Learn about nature's creatures. Visit the nearest zoo and see them. A whole new world of interest will be opened to you when you understand nature.
