### Thornhill and District

The Liberal is always pleased to publish items of interest in the Thornhill area contributed by its readers. Our representative in Thornhill is Mrs. C. H. Bolton and you may reach her at Thornhill 239J.

**United Church Notes**  
The Rev. E. E. Kent returned to the pulpit last Sunday after holidaying in the Georgian Bay District.  
On Monday, September 3, the Rev. Mr. Kent, accompanied by Mrs. Kent journeyed to Fort Erie where he was speaker for the Baccalaureate at the graduation exercises of the American Bible College.  
Until Rally day, the last Sunday in September, the summer program for Sunday School will continue. Nursery school for children 2 and 3 years old; open session for boys and girls 10; open sessions, with provisions made for others in the regular service.  
The senior and junior choir have been invited to take part in the Carville anniversary service on the third Sunday of the month.  
Choir members are asked to note that the first choir practice will be held on Friday, September 14, with the juniors meeting at 7.15 p.m. and the seniors at 8.15 p.m. A full attendance is requested.

with highest points, Jean Lak, the presentations made by Mr. Dick Jeffery.  
Second and third prize winners received crests and ribbons for their efforts.  
A large crowd was there to cheer the contestants on to victory and it is hoped that next year a "bigger and better" meet will be held for the boys and girls of the district.

**United Church**  
The Afternoon Auxiliary (W. M.S.) will meet on Tuesday at 2.30 p.m. in the Sunday School Hall.  
The Ladies Guild will hold its first meeting of the season on Thursday, September 13 at 8 p.m. sharp, in the Sunday School Hall. A sewing demonstration by the Singer Sewing Machine Co. has been arranged for this meeting.

**Cub News**  
Due to illness, Mrs. Warren will not lead the Cubs this year. Mrs. Lydia Woodger has taken over as Cubmaster and is calling a meeting for next Thursday afternoon, September 13, in the Scout Hut at 5.30 p.m. This change in time is to be discussed with the boys at the meeting. All cubs must come dressed in regulation uniform.

**Library News**  
Library activities during the summer months proved very successful and exceeded the expectations of the Library staff.  
Now that September is here once again the Library will open at its regular hours —  
Monday and Friday from 7.30 to 9 p.m.  
Tuesday and Thursday from 3 to 5 p.m.  
Saturday morning from 9 to 11.30 a.m.

**NOTE:** Parents and boys of the Powell School Area please note that due to having no assistance with the cub packs, Mrs. Woodger feels it would be too much to handle the boys from both schools and is therefore holding a meeting for the Thornhill Cubs only. She is sorry this has to be and hopes someone will offer to take over the Powell Road Cub pack.

**Presbyterian Church**  
The Sunday School will resume its regular classes next Sunday morning, September 9, at the regular time.  
Thornhill Public School  
Prior to school opening the school had a complete wash in readiness to welcome the pupils back on Tuesday for another year.  
The pupils noted one change in particular and that is the construction of a fire escape at each end of the building. These fire escapes are not as yet completed but are well on the way to completion and will be a great improvement for the school.

**THORNHILL GIRL IS APPOINTED**  
Miss Betty Bone of Thornhill has been appointed associate secretary of the Manitoba Conference Christian Education committee, United Church of Canada. She taught for three years in nursery schools under the provincial and civic welfare departments, and during the past year directed a nursery school at Dundas Street United church, London.

**Langstaff Church Notes**  
Thursday, August 23 was a gala picnic day for the Women's Fellowship of Langstaff Church.  
This Fellowship is composed of a number of women from the congregation of the above named church (any denomination welcome) who meet once a week (usually on Thursdays) to pray, plan and provide for missionaries at home and abroad and for the Christian duties connected with the same church.  
A bright sunny day was provided which gladdened the hearts of all who were planning to go, and who were up early to get in good trim; for they must not miss that Langdon bus, the driver of which was responsible for having all aboard at eleven a.m. He kept his word and at the proper time thirty-three adults and twenty-five children were enjoying a bus ride of miles through the country-side to a little town called Emery.

**Notes**  
There they were met by the congenial Mrs. Jones who had been expecting the party and had everything in order. Astor A. R. Jones had taken leave a few hours before the arrival, with the apparent kind desire to give to this special group full freedom and privileges about his home and premises for the day at least. After a cheery greeting from the hostess a large circle was formed on the front lawn by the women with the children in the centre and the Doxology was sung. Then a talk, after which everyone was free to move in any direction or do as they wished.  
A weiner roast will be held to mark the opening of the Young People's Society on September 14, at the home of the Rev. A. R. Jones at Emery. Rev. Jones will be the guest speaker.

**Women's Institute**  
Please note the change of place of the September 12 meeting. It will be held at the home of Mrs. L. Clarke, Hope, at 8.15 p.m. with Mrs. Verna Fletcher as guest

**CARS DAMAGED BY DEER IN HURON DISTRICT**  
An over-abundance of deer in the Huron District during the past year has caused thousands of dollars in damage to autos, farmers' crops and orchards, according to conservation officers of the Ontario Department of Lands and Forests.  
The officers have roughly estimated that \$3,000 damage was inflicted on cars alone as the result of collisions with deer on highways in the district which covers ten counties. A total of 150 deer were killed in this manner and the average collision is believed to have cost the motorist \$200 in repair bills.

### U.N. Fellows Get Some Medical Secrets

A surgeon and a pretty blond physician, both from Yugoslavia, say the United Nations program of technical assistance is helping their country in its efforts to restore nearly 500,000 disabled persons to as fully a normal life as possible. Dr. Miroslav Zotovic, Belgrade traumatologist and orthopedic surgeon (center), and Dr. Valerija Franjo Pavletic, 29-year-old doctor and lecturer in pathological anatomy (right), get a practical demonstration of the latest method of rehabilitation of the physically handicapped from a world authority, Dr. Henry H. Kessler, who is a U.N.C. consultant in this field

### MAPLE NEWS

CORRESPONDENT — MRS. D. ALLEN  
Phone Maple 19R
