Workmen have commenced the construction of a new concrete sidewalk on the east side of Yonge Street from the Standard Bank southwards to Baldoek's garage. This was one of the worst stretches of sidewalk in the town and with the completion of the new walk the very bad stretches of the village walks will be eliminated.

Six Richmond Hill rinks participated in the tournament which featured the official opening of the Unionville bowling green on Monday last. A downpour of rain interfered with the games but the remainder of the schedule was played on Tuesday evening. The first prize for three wins was won by the Richmond Hill rink composed of Jas. McLean, Armand Savage, Miss McLean and Miss Hazel Switzer.

Mr. Brook, civil engineer of Toronto, has been staking property recently purchased by Messrs. E. Le-feuwer and J. C. Hayes from Mr. D. W. Clubine. Corn is attaining a wonderful growth this season and has stretched up greatly since the recent rains. There are many heavy crops in this section of the country but Mr. Thos. Ludford's is the highest we have seen. A stalk pulled indiscriminately in Mr. Ludford's corn patch measures 12 feet 6 ins.

TEMPERANCEVILLE NEWS

CORRESPONDENT: MRS. ED. PAXTON, R. R. 2, KING

Church Re-openings

September 2 was a perfect day for the re-opening services of the church, cool and bright. For both morning and evening services the church was filled to capacity. This was most gratifying to both the ministers who had prepared such wonderful sermons and to those who have contributed so much to making the House of God in Temperanceville a place of beauty and comfort.

The Rev. Geo. W. Wood, B.A., B.D., of Toronto conducted the morning service with such simplicity and sincerity that even the youngest member of the congregation might understand. He spoke of the fact that even though God may have intended that such things as the beauty of the earth, the fresh air and many of the things which we take for granted should be free, they are not. Country people are fortunate but one must only travel to the slums of our nearest city to see the lack of fresh air, beauty and healthy surroundings. If we wish to attain something we must work for it, never losing sight of our goal. So it is in spiritual life. One must overcome all temptations and difficulties. With God's help discouraging factors will be overcome.

Even Jesus had temptations but with his faith in God was able to cast them aside. Rev. Wood spoke to the little children of their importance in Christian living. He said perhaps the small child felt it was doing very little, but in reality their little deeds do much. He told them the story of the little child giving direction to the place of healing for the man stricken with the dread disease, and of the boy's lunch of two loaves and three fishes being made sufficient to feed five thousand person by the power of Jesus.

Because of our faith in God, in our people and through hard work the people of Temperanceville have accomplished most gratifying results in their renovation program.

It was a pleasure at the morning service to have as soloist Mrs. E. M. McClure singing "My Own Cathedral" and Mrs. Harold Dickin, another appropriate selection.

The anthem "Prayer of Thanksgiving" added to the beautiful service.

In the evening Rev. A. C. Huston of Victoria Square was our guest speaker with Rev. Moddle conducting the service. Rev. Huston took his text from the twenty-eighth chapter of Genesis beginning at the tenth verse. He spoke of the vows which are taken during one's life—the marriage vows, vows during baptism of an infant, vows of one's vocation such as that of a doctor or nurse. At the time these vows are proclaimed it is the desire and intention of the people involved to fulfill them in every respect. However life is not easy and many difficulties arise in marriage, in raising a child and in a chosen profession. Therefore it is only with the help of God and our faith in Him that we can truly do our best to fulfil the vows we make. Mrs. Fred Boys was the soloist for the evening service singing "The Holy City". Miss Shirley Hare took the solo part in the anthem "Sun of My Soul". The choir of Temperanceville was under the capable leadership of Mr. Sam Dickie for both services. Mr. Dickie was organist at Bedford Park church at the time Rev. Geo. W. Wood was the minister there, so they have been friends for a number of years. Rev. Huston and Rev. Moddle are friends of many years standing.

During the morning service Mr. W. Jennings, and at the evening service, Mr. Moddle spoke of the deep gratitude felt toward the people who have contributed so generously in time, effort and money toward the renovation of the church. Some three thousand two hundred dollars have been spent and approximately \$400 more will be used before it is complete. May the words written by Mr. Moddle be repeated here. "The financial response to our renovation program and the splendid services rendered by the committees and their helpers have been such that we can only say with genuine sincerity "Thank you one and all." Above all we should give thanks to our Heavenly Father from whom every urge to do good and serve cometh, and from whom the strength, courage and faith is given to carry on this work of His Church and Kingdom. May God bless you all."

Friday night all those interested will meet at the church to organize the young people's association for the coming season.

Sunday School will commence at 10.30 a.m. Sunday, September 9.

Junior Homemakers Club

Miss Florence Beynon, a member of the Junior Homemakers Club was a guest of the Canadian National Exhibition at a luncheon and grandstand performance last week. Miss Beynon had reservations at the Annesley Hall overnight. Parkdale United Church was the building used for the Judging Competition. "Working with Wool," was the class in which Miss Beynon took part. She also had the privilege of seeing 15 skirts and demonstrations given by other counties. Buttonville and Durham received special mention in these.

Special Notice to Employers AND Those Enlisting in Armed Forces

By The Veterans Benefit Act, 1951, passed at the last session of Parliament, the Government of Canada has extended and made applicable the provisions of the Reinstatement in Civil Employment Act, 1946, to all persons enlisting in the Regular Forces of Canada after July 5, 1950, (nineteen fifty) and who serve therein for a term not exceeding three years.

This provision extends also to members of the Special Force who re-engage for service with the Regular Forces, the three-year coverage period beginning with the date of re-engagement.

This provision extends also to members of the Reserve Forces who after July 5, 1950, are called out for service with the Regular Forces and serve with the Regular Forces for a period not exceeding three years.

By an Order in Council passed in 1950 under the Canada Forces Act the provisions of the Reinstatement in Civil Employment Act, 1946, were extended to members of the Special Force and members of the Reserve Forces who serve on the strength of the Special Force. The reinstatement provisions of this Order in Council have now been incorporated in the provisions of the Veterans Benefit Act, 1951.

Under the Reinstatement in Civil Employment Act a discharged person may claim reinstatement either verbally or in writing, usually within three months of discharge in Canada or four months if discharged overseas. There is provision for extension of this time when through a condition of health the employee cannot return to his employment this soon, but the employer must be notified in three or four months, as the case may be, and a Reinstatement Officer should be consulted.

REINSTATEMENT OFFICERS ARE LOCATED IN LOCAL OFFICES OF THE NATIONAL EMPLOYMENT SERVICE
