INSURANCE OF ALL KINDS

With the increase of fire hazards
property owners should review
their insurance policies, and due to
the increased cost of materials
would be well advised to increase
the amounts of insurance. Also car
owners who think it will never
happen to them are caught some
time or other without protection.
The cost is a minor amount to
what it will cost if an accident
happens.

In compliance with recommendations of the United Nations General Assembly, Yugoslavia has been repatriating to Greece a number of Greek children removed from their homeland during the post-war guerrilla struggle in that part of the world. Above, one of the touching scenes which took place near the Greek frontier station of Idhomeni upon the reunion of a mother with her two children.

Family Re-union

When Mrs. Frank Millard, Stop 20A Yonge Street, returned home after spending the summer with the children at their cottage, a wonderful surprise awaited her. A telegram advised that cousins whom she had been trying to locate on and off for 15 years were coming to spend the Labor Day week-end. They were Mr. and Mrs. Fred Twyman and their daughter, Margaret of Montreal. Even advertising had failed to produce the address of either party but a chance remark by

The Federal Government To Change Vets War Allowance

The government is expected to take legislative action at the fall session of Parliament to alter the War Veterans' Allowance Act as a result of changes in old-age pensions law.

The allowances are paid to aged or needy overseas veterans and widows of veterans at maximum rates of \$40 for single, \$70 for married recipients monthly. The government has made clear that once old age pensions for all at 70 come into effect at the start of 1952 there will have to be changes in the allowances.

One result may be a raising of the ceiling now placed on outside income for allowance recipients so they could benefit more liberally from both pension and allowances. The ceilings now are \$485 for single, \$850 for married recipients compared to similar ceilings of \$720 and \$1,200 for old age pension recipients.
