Arrangements have been made for the outside drainage to be put in place this week to drain the water away from the church. There will also be an area fixed over for use as a parking lot.

Wednesday night work begins on the basement. This will take two or three weeks to complete but at the end of this period all work on the inside of the church will be finished.

Hon. J. L. Bowman

The passing last week in Dauphin, Man., of the Hon. James Langstaff Bowman, 71, former member of parliament for Dauphin and the Speaker of the House of Commons brings back memories as Mr. Bowman drew his first breath of life in Thornhill.

Born October 6, 1879, in Thornhill, Mr. Bowman spent the early part of his life in Portage La Prairie, where he later taught school. He studied law and was called to the bar in November, 1908. He was appointed at King's Counsel in 1923.

At the time of his death, he was senior partner in the law firm of Bowman, McFadden and Carmichael.

In 1917, Mr. Bowman was elected Mayor of Dauphin and was returned by acclamation for the two succeeding years.

He is survived by a son and two daughters.

The Thornhill Home and School Association will hold its opening meeting at the Thornhill School on Thursday, September 20, at 8.15 p.m. The speaker for the evening will be inspector Ernest Page who will talk on the very timely subject "Safety". It is hoped that all the H & S members and parents of children who have just started to school will come to hear Inspector Page and enjoy the social hour with tea and cookies which follows the meeting.

Pupils of Grade 7 and 8 are now taking orders for Christmas cards which they are selling as a school project. The proceeds from these sales will go towards the purchase of film strips for a film strip library which they are building up. Certain pupils are designated to certain streets, the streets being those on which the Thornhill school pupils reside. All orders given will be very much appreciated.

The Thornhill Girl Guides will be making a house to house call on all homes in the village for the purpose of collecting good wire coat hangers. The money from the sale of these will go towards buying the guides new tams. Please have the hangers ready for the girls when they call on you.
