Profitable Dairy Cows

More Essential Now Than Ever Due to years of cultivation and growing of crops the soil becomes depleted of many necessary minerals, etc. Consequently many grains do not contain adequate nutritive value. This is one reason for the need of supplementary feeds to make a properly balanced ration for dairy cows. You can't get milk without feed. The more a cow will eat the more milk you will get. But the feed must be properly balanced and contain the necessary amounts of vitamins and minerals as well as proteins and carbohydrates. To make more money, keep only well bred cows and feed them to the limit with Blatchford's Dairy Meal which is very palatable, contains abundant quantities of all the essential vitamins, minerals and is the most economical feed you can buy. Car Owners! DODGE HAS THE ANSWERS to questions you frequently ask Q In face of the high cost of body repairs, why don't all cars have detachable fenders? A It would seem that some manufacturers have sacrificed the practical for styling. All Dodge fenders are bolted on and are easily removed to facilitate replacement or repair. Q How can I stop my gas lines from clogging with dirt and water? A With most cars there's no sure way. You might try draining and cleaning out your tank from time to time. In cold weather always keep your tank well filled as this reduces the amount of condensation. With a 1951 Dodge, of course, you cannot experience this annoying trouble. The new Dodge is equipped with an Oilite fuel filter located in the gas tank which keeps the entire fuel system free from dirt and water. It's self-cleaning, too, from the swishing action of the gas in the tank. Q Why is rear seat riding in some cars so tiring? A That's because a low, sloped-back rear seat places you in an uncomfortable position without support under and behind the knees. Dodge chair-high seats, both front and rear, give you proper knee and back support - let you ride long distances in comfort. Q Is there any real difference in the various types of air cleaners? A Yes, there are vast differences. For example, all Dodge cars use a heavy-duty oil-bath air cleaner. In "dust storm" tests, this type cleaner proved much more efficient than ordinary mesh-type filters even at the start. And after 2,000 miles of driving it proved to be still 98% efficient, or nearly double that of other types of cleaners. THESE ARE SOME OF THE REASONS FOR DODGE DEPENDABILITY, COMFORT AND ECONOMY "DRIVE A DEPENDABLE DODGE FOR 5 MINUTES AND YOU'LL DRIVE IT FOR YEARS!" Wm. CONCORD NEWS

CORRESPONDENT: Mrs. Raymond Stuart, R. R. 1, Maple Telephone Maple 110R3 Gospel Meetings Starting October 1 to October 5 a series of Gospel meetings will be held in Concord school house beginning at 8 p.m. to which everyone will be welcome. Long Trip Mr. and Mrs. Ray Witty, son Tommy and Mrs. Bert Witty have returned home from a trip through different states as far south as Texas. They had a few very interesting experiences while on their journey. The main occasion of the trip was to attend the wedding of Percy Witty and Miss Joyce Tidwell of Frederick, Oklahoma on Monday, September 10. It was very educational to see what the different states were noted for such as oil, cotton, corn and other lines of vegetation so essential to the livelihood of mankind. They were welcomed home by Bert Witty early on Saturday morning, September 15, after the long and safe journey of over 3200 miles. They still think there is no place like Canada. Polio Victims We are very sorry to hear that Roy Diceman, son of Mr. and Mrs. George Diceman, Dufferin St., was stricken suddenly with polio last week and rushed to Toronto Isolation Hospital where he was placed in an iron lung. We are glad to report that on Monday he was making a little improvement. Sincere congratulations to Mr. and Mrs. C. Whitney who observed their 9th wedding anniversary on September 19. Finish Holiday Mrs. E. Shropshire, Ivy and Charlie, former residents of this district, have returned home after a long and safe journey through the western provinces, visiting some of their relatives while on their travels. They also called on the Wittys before returning to Orangeville where they are now residing. They report good grain crops in most places.

Purchase of Aurora, one of their number read the scripture and led in prayer while Rev. Modde conducted the service. In his sermon Rev. To be a Christian is to belong to the greatest organization of mankind and that should be our goal. The soloist for the evening was Mrs. Knapp of Aurora. The choir under the capable leadership of Mr. Sam Dickie was greatly enjoyed. Sunday, September 30 will re-anniversary Sunday and Rev. Geo. Webber of Toronto will be guest speaker.
