Arrangements were made for a baking sale to take place on Saturday, September 29, at 3 p.m. in Norman McCullough's general store. The topic "Citizenship and Education" was ably given by Mrs. Verna Fletcher who was the guest speaker of the evening. She gave a very interesting description of the formation of Canada with its various developments, mountains, minerals, plants, reptiles, etc., hundreds of years ago, showing a map of the Badlands of Alberta which were 400 feet deep and two miles wide, around which her talk was centred; also showing pictures of the huge animals of that time, some of which weighed up to three and four tons. These animals sank in the mire of the Badlands, and in this area peat, coal and oil are being obtained.

Current events were reviewed by Mrs. F. S. Rumble. The meeting closed with a sing-song after which lunch was served by the hostess and committee in charge.
