Welcome
 A friendly welcome is extended to Mr. and Mrs. Hillier and their daughter Amanda, who recently arrived from England. The Hilliers, who flew over from England, enjoyed a few days sightseeing in the Laurentians before coming to Thornhill, and have now taken up temporary residence at the home of Mrs. Coleman on Elgin Street, where they can be near Mrs. Hillier's sister, Mrs. E. Grigsby. They will be making their permanent home here in Canada where we hope they will be very happy and never regret having left their homeland.

 Last Thursday was the first Fall meeting of the W.A. of Trinity Church, held at the rectory. Arrangements were made for the fall activities, and the drapes for the church hall were completed at this meeting. The next meeting is to be held on Thursday, October 11.

Working Bees
 The men of the parish are very pleased with the results of their "working bees" around the church and the improvement in the appearance of the church now that a few sods have been laid. Decorating is going on in the church hall and it won't be too long now before everything will be completed.

Home and School Association
 Sgt. Robert Kerr of the Traffic Division of the Toronto City Police Department was guest speaker at the Home and School meeting held last Thursday evening, September 20. Under the title "Traffic Safety" Sgt. Kerr gave the well attended meeting some timely advice on the prevention of traffic mishaps and submitted several rules to follow concerning the safety of our children.
 School Inspector H. B. Galpin was introduced at this meeting. Replacements for positions on the executive made vacant during the summer were announced. Mr. S. R. Spence became the new vice-president, Mr. J. T. Bentham, treasurer; Mrs. Marvin Lemon, corresponding secretary and Mrs. W. Lennox, an elected member. The meeting closed with refreshments supplied by the social committee and the Grade 1 mothers. It was announced that meetings are to be held the third Thursday of each month.

Thornhill Women's Institute
 The regular meeting of the W.I. was held September 20 at Masonic Hall. The members answered the roll call with an article for the bazaar. Articles for the York County Children's Aid Society were also received. Delegates to attend the W.I. convention to be held at the Royal York hotel on November 5, 6 and 7 were appointed. The delegates who will be accompanying Mrs. Seelye, District Director are Mrs. Empringham, Mrs. Heslop and Mrs. Thompson.
 Mrs. Mizen gave a short talk on her recent trip to England describing her boat trip and the many

places she stayed while in England and the many very interesting and historical places she visited. Everyone was very friendly and would go out of their way to direct her. She visited the Festival of Britain and the Dome of Discovery was a very wonderful sight to see. A Lion and Unicorn made entirely from straw and made by Mr. Mizen's cousin was also on display at the Festival of Britain.
 Mrs. Mizen found the English people very cheerful and in spite of all the hardships they have endured these last few years they can still laugh and be happy. They are all so grateful for all the food parcels sent them from this country. Mrs. Mizen thoroughly enjoyed her visit and is looking forward to going again. Mrs. Seelye, District Director, gave her report on the District annual meeting which was held June 6 at Scarborough.
 The members were all in agreement with the purchasing of a small gift to be given to Mrs. Sidey of Scotland to be taken home to her Women's Institute branch in Scotland. Mrs. Sidey has been visiting in Langstaff for several months now and has attended many of Thornhill W. I. meetings.

Conveners for the coming bazaar were chosen and further plans for this bazaar were made. As always the Thornhill W.I. will hold its bazaar on the first Saturday in December this year the date being December 1. A welcome was extended to Mrs. Markle, a visitor to the Women's Institute meeting.

Library News

United Church Notes
 Sunday, September 30, is Rally Day for the church and Sunday School at 11 a.m. Sunday, October 7, there will be communion and reception of members at the 11 a.m. service.

Sunday School
 The Sunday School staff met at the home of Mr. and Mrs. Whatley to discuss plans for the fall work of the Sunday School. Enrolment in the Sunday School at the first of September was 268 children between the ages of two to fifteen. There are fifteen classes with a teaching staff of thirty. It was decided that classes for boys and girls from four to ten years are to be held in the new hall. The nursery, children two and three, will continue in its own special room, while the intermediate boys and girls, eleven to fifteen, will hold classes in the present Sunday School hall.

The teachers felt that contact with the Church during the early part of the service should continue as it teaches them to reverence the House of God and to participate in the Church Worship. Therefore as long as they are able to accommodate them the children will attend the church service with the children ten and under retiring early in the service for their own program of worship and the intermediates will retire just before the sermon for their class instruction.
 On Sunday, September 30, there will be special Rally Day Services both in the Church and Sunday School and it is planned to have the intermediates join with the church for the service. The junior Sunday School will have its own service in the new hall.
 The teachers are looking forward to a vigorous Sunday School with a well planned program to meet all age levels.

 The Woman's Auxiliary of the Highland Park Association held its first meeting of the season on Thursday, September 20, with Mrs. V. Johnson, president in the chair. However permission for the use of the school being granted, the ladies decided to go ahead with the meeting so plans could get under way for the full season. It was decided a regular meeting night would be set for the first Thursday of each month, making things better. The first project of the fall will be a bridge and eucure to be held in the school on Thursday, October 11. There will be prizes and refreshments, all for the small sum of 25c per person. Many complaints of dogs running loose in the neighborhood have been heard, but the loss of one, definitely a non-offender, the lovely chow owned by Mr. and Mrs. MacLwayne, Grandview Ave., saddened all who heard of it.
