On Sunday, October 28, Carrville United Church will resume its service at 2.30 p.m. and Sunday School at 3.20 p.m. All are cordially invited to attend.

Turkey Supper
 Carrville Girls Club would like to remind you of the Turkey supper and programme they are sponsoring on Tuesday, October 30 dinner will be served from 5.30 to 8 p.m. This is to be held at the Thornhill United Church Hall at Thornhill.

The autumn, tea bake sale held in Carrville United Church Wednesday afternoon sponsored by the Women's Association was very successful. I heard an announcer on the radio the other day say the bake sales aren't what they used to be, that the ladies now have the various mixes for cakes, cookies and pie-fillings in boxes that with such easy ways seldom was anything home-made. I have no complaint of any of the mixes at all, but I wish this announcer could have been at our tea and bake sale where everything was strictly home made, cakes, pies, tarts, cookies, tea biscuits and candy which might be termed old fashioned method and certainly by far the most tasty.

This successful event was in the capable hands of Mrs. A. Read, Miss M. Read, Mrs. Wm. George and Mrs. J. Baker. A part of the church was tastefully decorated with beautiful autumn colored oak leaves, a tea table centred with a silver basket of pink and yellow roses and yellow candles in silver holders and had the use of Mrs. Ness's Silver Tea Service. The table was very attractive indeed. Mrs. E. E. Kent of Thornhill and honorary president of the W.A. poured tea, also Mrs. Chris Clarke of Richmond Hill and Miss E. Sheppard, the president of the W.A. Mrs. Baker and Mrs. George served the dainty refreshments at the tea.

Miss Mary Read assisted Miss Ruby-Middleton in the sale of baking and candy. Mrs. Read was in charge at the door.

Miss Dorothy Baker, Mary and Carol Ann George were in charge of the fish pond which was very popular and made a little profit as well.

Mrs. Read, Mrs. George, Mrs. Baker and Miss M. Read would like to thank all who gave assistance in any way to make their first attempt at an afternoon tea and

bake sale successful, also all those who came from Thornhill, Concord, Richvale, Richmond Hill and our own community to patronize the tea. They cleared over forty dollars.

A correction: The junior teacher's name for Carrville school is Mr. Featherstone, not Feather-weight.

New Building
 In the interests of those who have and are contributing money towards the basement that is being built at the back of Carrville United Church we would like to say that the foundation and walls have been erected, so there is the floor and roof to do, which is to be voluntary labor and some final finishing inside and then a special dedication service. Announcement of this later.

We'd like you to see what generous roadweight and a rigid torque-tube mean in solid steadiness of ride—what Dynaflo Drive* does for you in downright comfort and convenience—what a breeze it is to handle so big and roomy and impressive a car.

Most of all, we'd like you to note the easy-to-take price tags our cars wear—what a whale of a lot more automobile you get for your money in today's Buicks than you'll get elsewhere.
