

ELECTRICAL TIPS FOR THE HOME

If You Intend to Redecorate or Remodel This Fall . . .

DON'T let ugly, makeshift electrical extensions spoil the looks of a newly-decorated room. They're not only unsightly, but they're also unsafe.

DO provide enough convenience outlets for all your lamps and appliances. Space them every 12 feet along the wall and in smaller areas of 3 feet or more.

An Open Letter
To All Citizens

As official guardian of the health of our municipality I would draw your attention to the fact that vaccination against smallpox will be given on request to all children (6 mos. to 16 years) at the schools during November 20-30, 1951. Children successfully vaccinated since 1945 do NOT require vaccination at this time. Only children who have a "Yes" signed consent card will be vaccinated. Won't you please protect your child and your community by having everyone who qualifies, vaccinated against a disease which can cause such terrible disfigurement?

Have your child vaccinated either by your Family Physician or at your school.

TEMPERANCEVILLE NEWS

CORRESPONDENT: MRS. ED. PAXTON, R. R. 7 KING
Phone King 3R11

W. I.
The W. I. convention will be held at the Royal York on November 5, 6, and 7. Mrs. C. Beynon is the Temperanceville delegate and will spend the three days attending. Mrs. G. Baldwin, Mrs. M. McClure and Mrs. C. Henshaw also hope to spend some time at the conference. Tuesday, the 6th, is the day of the luncheon.

W. A. & W.M.S.
The Temperanceville W.A. and W.M.S. were guests of Mrs. Ray Jennings, Aurora on October 25. A number of visitors added to the attendance and a very pleasant afternoon was spent. The W.M.S. took the topic for the day with the president Mrs. C. Beynon presiding. An article on "Religious Radio Reaches Out" was read by Mrs. McClure, Mrs. Ed Paxton and Mrs. Wilbert Jennings. The author, Rev. W. H. Pike spoke of the fact that a church so missionary minded as the United Church must minister through the medium of radio and does so effectively throughout the Dominion. Radio Communion service and Counselling by Radio and letter are regular features of these services. Many letters of gratitude and donations are received which encourage and make the radio ministry possible. The United Church Radio Ministry has already demonstrated that God hears and answers prayer and that He uses this modern means of Grace to bring the riches of Christ to meet the need of hungry hearts on the "Far Flung Frontiers" of our Church.

Mrs. Moddle gave a very interesting talk on her son's work, Rev. Harold Moddle of Alberta. She told of the almost pioneer conditions, of the tiny home with no conveniences, of the difficulties encountered and with the help of God surmounted. Mrs. Moddle asked that we might begin a chain of prayer for the help and guidance of this young man we all know to be a fine minister of Christ's work. The Thankoffering of the W.M.S. was received at the meeting.

We were happy to have a life member, Mrs. Walter Bovair, present, also Mrs. D. Carr, Mrs. Len Legge and Mrs. Bert Andrews as guests.

The W. A. president, Mrs. Wilbert Jennings expressed her extreme gratitude to all those who assisted with the turkey supper and made it such a successful event. Total proceeds received from the event amounted to \$427.00. The building fund will receive approximately thirty-four dollars of the money cleared.

Bazaar
A bazaar will be held by the W. A. on November 23. It will consist of a baking sale, apron table, gift table, and touch and taste table. Mrs. Hudson, Mrs. Bell and Mrs. C. Beynon will be in-charge respectively.

The Anglican Church bazaar is to be held on November 29.

Due to Mr. Moddle's absence to preach at an anniversary service, the Gideons will be present at Temperanceville on Sunday, November 4. They will also supply musical selections by their members. Come and enjoy the service.

Coming Along
We are happy to relate that Master George Gilham is convalescing nicely and now taking treatments at Lyndhurst Lodge.

munity is also a patient there and he and George enjoy each other's company a great deal.

Accident
We regret to hear of Mrs. Frank Wilkins accident and sincerely hope the ligaments of her leg will soon be healed.

Mr. Harold Dickin is still in the hospital. It was the request of the W.A. members that a box of candy be purchased by Mrs. Moddle for him as this is the one thing he can partake of.

The accident on the Beaverbrook Farm which took the life of an employee was a great shock to this community. Our sympathy is extended to the bereaved family. Bill Wilkie well known to this community.
