Home and School Workshop News. On Tuesday, October 30, from 7:45 to 10:30 p.m. at Powell Road School, a most interesting evening took place.

A training workshop for the North and North-East areas of York County was held under the direction of Mrs. H. E. LeMasurier, Langstaff, who is vice-president of the York County Council of Home and School for this area. This consisted of representatives from twenty associations and numbered 112 persons who registered for the evening program. A most inspiring, instructive and enjoyable time was had by all. The workshop was divided into four sections of vital points in home and school work.

The Public Relations group was under direction of Mr. R. M. Sherk, vice-president of Ontario Federation of H & S. This class was well attended and dealt with public relations in all phases. It was pointed out that good public relations begin in the home. In a home where co-operation, honesty in dealings, kindness and tolerance are taught, a child has the greatest start in understanding public relations. Next came the point of teen-agers being able to feel that home is the best place possible to be, where their friends are welcome and hospitality is shown to the individual youth.

Then the relationship established between the teacher and child, and the parent and child was stressed. Sometimes a youngster can be very upset over what seems a minor detail to a grown person. Things such as not being able to take some small incidental from home, which a teacher might request for their projects or programs within the classroom. It was asked that all parents do their best to see that these little things are not pushed aside as of little importance to the child, as they do cause frustration to the child. Also stated was the fact of any misunderstanding arising at the school in relation to the youngster. This should be dealt with in a fair and human aspect by the parent and a time made with a teacher or principal to talk things over and smooth things out, instead of holding ill feelings indefinitely. A teacher is trained for her position but is still only a human being and in dealing with a class of 20 to 40 children, not always feeling 100%, as we sometimes are ourselves, their patience must be taxed at times, when we stop to realize that our own are sometimes pretty thin.

The relationship of school boards and H & S was discussed. Those speaking on the question were Mrs. Francis Lee, of Aurora Board of Education, and Mr. Jackson Taylor, public relations representative from our own local school board. Both parties were quite emphatic in saying that Home and School work was vital to the school children, the community and the board.

Thornhill and District

Thornhill Women's Institute. The Thornhill Women's Institute are pleased to have had at several of their meetings Mrs. Sides from Scotland who is an active member in the W.I. at home. As Mrs. Sides leaves for Scotland on the 15th of November the members of the Thornhill W.I. are delighted to present her with a gavel for use in her branch of the W.I. in Scotland as a token of friendship and goodwill. This gavel, made by the boys at Sunnybrook Hospital, is made from Canadian maple wood and bears the Maple Leaf crest, a truly Canadian gift for our friends in Scotland.

The annual bazaar of the Thornhill Women's Institute is to be held on December 1, and members are reminded of the apron shower for the next meeting, also the groceries needed to fill the hamper.

The Thornhill Women's Institute are sponsoring a Child Health Clinic to be held in this area. Date of opening, location and hours will be announced in the near future.

Cub and Scout News. Last week-end the Cub leaders and the sixers attended camp at Oshawa where they had a wonderful time and enjoyed the company of the boys from the Richvale Park.

On Saturday morning, November 3, the scouts will make a collection of waste paper throughout the village. This collection will take place only in the village of Thornhill and will start at approximately 9:30 a.m. If you have any waste paper please have it ready for the boys when they call.

There will be no Scout meeting this week, instead the Scouts will report at the hut at 9 a.m. Saturday morning.

Troop Leader Jeff Jackson will represent the Thornhill Scouts at the King Scout presentation ceremony to be held on Friday evening for the district Scouts. This will be the first King Scout badge to be presented to a Thornhill Scout.

Thornhill Horticultural Society. A horticultural meeting is planned for the end of November to be held in the Thornhill United Church hall. This meeting will be prize-giving night. Further details next week.

United Church Notes. C. G. I. T. The mothers of the Thornhill Canadian Girls in Training were present for the meeting on October 24, at which time the following girls received their C. G. I. T. pins — Carol Frye, Marion Davis, Myrna Davis, Patsy Reid, Gloria Briggs, Davida Valentine, Susan Johnson, Sandra Sowden.

The guest speaker, Miss Margaret Fockler of Markham spoke on the purpose of the C.G.I.T. and how they may be used in the daily living of a girl. She was thanked by Audrey Thompson.

A humorous play followed, entitled "The Case of the Mutilated Uniform" and was ably presented by the senior group.

After a social hour of games the girls served tea to their mothers.

Thornhill L.O.L. No. 91. Members of the Thornhill L. O. L. No. 91 and the Burning Bush R. B. P. from Toronto were present for the special reformation service held Sunday morning in the United Church.

Home & School Association. Over seventy people attended the Thornhill Home and School meeting on Thursday evening, November 25, when Judge Howley Mott gave an inspiring talk on Parents' relations with their children. This was illustrated by his personal experiences as judge of the Juvenile Court.

Mrs. H. LeMasurier, a former pupil of Judge Mott thanked him for his advice which was received with great enthusiasm by all present.

The problem of finding school accommodation for the increasing number of children was discussed and a motion was passed that the school board be approached as to an addition on the present Thornhill School.

The meeting adjourned to the hall where coffee and cookies were served by the social committee under the convensorship of Mrs. J. Bentham.

Trinity Anglican Church. The every member canvass of the parish of Thornhill began last Sunday with a special service in Trinity Church, the theme of which was stewardship. Special prayers, music and a sermon in which the Rector, Rev. S. A. R. Wood explained the purposes of the campaign, appealed to all members of the con-

gregation to support the canvass and commissioned the canvassers in the tremendous task which they have undertaken. Mr. Wood pointed out the great need for strengthening the family of the church as much as possible in these days of confusion and trouble. He also stated that the parish in two years has grown in size from 150 families to over four hundred.

The purpose of the canvass is to discover all Anglicans who have moved into the district and to link them up with their parish church.

On Monday evening a special dinner was held for the canvassers at which Mr. P. M. Jackson of the parish of St. Michael and All Angels, Toronto, gave them the benefit of a great deal of experience in similar work pointing out to them the question which would be asked the canvassers and telling them of the tremendous benefit to the life of the church if the job is well done.

During the next ten days more than forty canvassers will visit the homes of every Anglican in the district also obtaining information on members of other denominations who have recently moved to the area. This information will be turned over to the ministers of the other churches.

Evening Service. Beginning Sunday, November 4, Trinity church will begin again the Sunday evening services to be held on the first Sunday of each month. If sufficient people show an interest in these evening services it is hoped in the near future to increase the number of evening services each month.

Candlelight Service. Trinity Church choir has already begun work in preparation for the annual Candlelight carol service. This will be the first candlelight service in the new church and it is planned to make it the best that has been held in the ten years of its existence.

Treasure Island. Would you like to go on a trip to Treasure Island? If so, come to the Parish Guild Bazaar at Trinity Church, Thornhill on November 10 at 3 p.m.

Our pirates have been combing the high seas and have dropped anchor at the entrance to Treasure Island. On board their good ship where the Jolly Roger is unfurled you will find much booty that will please you, beautiful garments of wool and cotton, feltcraft, novelties and toys.

Be sure to get your share of loot from the Treasure Chest good and early as it may not last. The kiddies will find a smaller chest more suited to their size and purse.

From our Pot of Luck who knows what good fortune may come your way? Visit our Island Grove where beautiful plants abound, and when you are tired walking, our crew will be glad to serve you food from the galley. The children will find cookies and drinks in their own cove, and will love to visit a smaller island where movies will be shown.

Before you set sail for home do get samples of our pirate candy and baking. You will find lots of fun and adventure when you come to Treasure Island.

Canadian War Brides Assoc. The C.W.B.A. is holding its annual bazaar Saturday, November 3, in United Church Hall, Thornhill. Hours are from 2 to 6 p.m. Refreshments, teacup reading, bake sale, handicraft, home sewn goods, knitted goods, and a lucky dip for the children will all be on display. All goods have been made by the English girls.

Brownies. The following girls were enrolled at the last meeting of the Brownies, Joan Gibson, Wendy Mason, Yvonne Robinson and Dawn Wilson. Through the courtesy of the United Church all future meetings of the Brownies will be held in the Sunday School hall starting on Tuesday.

Presbyterian Church. The annual bazaar held by the members of the Presbyterian Church last Saturday was a huge success and the ladies would like to thank those who so kindly gave donations for this bazaar.

The next meeting of the Fort-nights Club will be held on Monday evening, November 5, at the home of Miss Welsh, Centre St.

On Sunday morning, November 4, members of the Patterson Masonic Lodge No. 265 will attend the morning service at 11 a.m. This Lodge was established in Thornhill in 1872. Would the Sunday School children kindly go direct to the Sunday School room for this service instead of into the church.
