## INSURANCE OF ALL KINDS

With the increase of fire hazards  
property owners should review  
their insurance policies, and due to  
the increased cost of materials  
would be well advised to increase  
the amounts of insurance. Also car  
owners who think it will never  
happen to them are caught some  
time or other without protection.  
The cost is a minor amount to  
what it will cost if an accident  
happens.

## Are You Properly Protected?

Increased costs of buildings,  
furniture, clothing and even  
Claims have left many a per-

short of today's costs after a  
Fire or Auto Accident.  
Let us survey your present  
policies and make the necessary  
changes that will give you the  
"Peace of Mind" that  
comes with a better insurance  
protection and service.
