Boys' Senior Basketball
 With only two players from last year's team back at school the outlook for a first class senior basketball team is none too bright. The present team lacks reserve strength and it is obvious that these boys will have to play to the limit of their ability in order to be considered stiff contenders for the championship at the end of the season.

Women's Institute
 The monthly meeting of the W.I. was held at the home of Mrs. Maurice Beynon on November 14. The roll call was to be answered by presenting a potted plant for auction and produced a variety of lovely donations.

During the business period it was decided the eucharist held by the W.I. at the Temperanceville Schoolhouse be started on November 20 at 8.30 p.m. Mrs. Thomas Dibb very kindly offered to donate the ladies prizes for the first eucharist. Everyone is welcome. Ladies please supply refreshments.

Current Events were read during the meeting by Mrs. B. Palmer and Mrs. E. Paxton. We are very proud of the fact that Miss Mae Harman, daughter of Mr. and Mrs. Arwood Harman of the community received two scholarships at the University of Toronto.

It was decided the funds received from the sale of plants which Mrs. N. Thompson conducted, and incidentally added much mirth to the meeting should be given to the Unitarian Relief in aid of the purchase of a tractor for Mesovouno in Northern Greece. The proceeds realized from the sale of plants amounted to \$20.00.

Letters of appreciation were received from Mrs. D. Chalk and Mrs. Bowen for the bank books given to their babies. Mrs. C. Beynon read a lovely letter from our sister institute in Scotland to whom we had sent the gift of a luncheon cloth designed with the emblems of Canada. Mrs. D. Chalk had received and read a letter from our little adopted girl in France who is so appreciative of any help received from us.

Splendid reports were given on the W.I. convention held at the Royal York by Mrs. G. Baldwin, Mrs. F. Hare, Mrs. Nelson Thompson, Mrs. McClure and Mrs. C. Beynon, which were of great interest to the members unable to attend.

FROM "THE LIBERAL" OF ONE YEAR AGO

"Would-be candidate may issue injunction. C. G. Baker claiming he was stopped from qualifying as a candidate for Vaughan township thru errors on the Assessment roll, may issue an injunction to stop the election."

To The Electors Of Vaughan

Ladies and Gentlemen:

You no doubt read in the press a year ago that the writer was anticipating an attempt to stop the last election, but, considering the cost to you taxpayers, I decided it would be unfair to you. However, I would like to lay the facts as they were before you for your consideration.

A year ago when I found that my name was left off the assessment roll, I called Mr. McDonald at his home and drew his attention to a tax bill in my possession which was an assessment for business purposes. This he said was not sufficient to qualify as Councillor. I made a personal visit to the Department of Municipal Affairs and was told that this business tax would qualify me.

Now I ask you good people of Vaughan Township, is that fair play after polling over 500 votes the year previous. Thanks to our democratic way of living you will have a chance of voicing your objections. I would therefore ask you to remember these facts when you are asked to vote for a representative government in our district. I am ready to serve you at all times.

Yours very truly,
 C. G. BAKER,

 Box 80, Richvale

NOW IS YOUR CHANCE

Having made sure the voters' list is correct this year it is my intention to offer myself as your candidate. I can be of help to you. So Vote — C. G. BAKER, December 3, and help yourself to better township administration for 1952.
