HIGHLAND PARK NEWS

MRS. WALTER SANDERS
23 Drury Ave.
Telephone: Thornhill 443J

Welcome home to Mrs. D. Nicol and her four children, 46 Highland Park Blvd. A visit to her parents in Halifax, Nova Scotia, which lasted two months has indeed been a pleasure to Nancy. They packed up and left after the twins recovered from a mild case of polio and have been away for ages it seems. An extended pleasure was the fact that her parents were able to accompany her to Montreal by train. This made the long trip home much more pleasant. Then dear Dad, that is Don Nicol met the family in Montreal and they flew home together, arriving on Saturday, November 24, in the afternoon. The neighbors are pleased to have you back home.

Municipal Election

Nominations for municipal elections were held on Friday, November 23. Mr. A. Lenny, 31 Woodward Ave., was nominated as a candidate for council. Mr. Lenny in his speech said he will do everything possible for the municipality if elected. Also nominated for councillor was a neighbor, Mr. A. LeMasurier, Langstaff. These gentlemen both addressed the last Highland Park Association meeting and were very favorably received. Two other gentlemen, although not present were mentioned and given a round of applause. They were Mr. Timbers, returned by acclamation for Reeve, and Mr. A. James, nominated for Deputy Reeve. Election day is Monday, December 3, and you will vote at the office of Fenn Real Estate, Yonge St., from 10 a.m. to 8 p.m. Be sure to use your vote to better our community, and don't sit at home and complain over election results if they don't please you. It will be too late to help after December 3.

We are sorry to hear that little Patsy Murphy, 42 Highland Park Blvd., has again been taken to the hospital. This youngster suffers from a rare throat ailment which causes the wind-pipe to close and she must be placed in an oxygen tent. This wee darling has already undergone four operations to relieve this condition. We sincerely hope she will soon be home again completely recovered.

Understand Mr. Cumming, 43 Drury Ave., is coming along nicely after his attack recently, and we wish him continued progress to complete health.

Rummage Sale a Success

On behalf of Powell Road Home and School Association, I wish to thank everyone who so kindly donated articles, helped collect, price and dispose of same at the rummage sale held on Thursday, November 22, in North York Veterans Hall. As convenor, I sincerely appreciate the assistance given to me and thank everyone who assisted in any way. Mrs. E. Gledhill, social convenor, extends her thanks for all refreshment donations and help given with the afternoon tea which was her department for the afternoon. A special thanks goes to Mrs. G. Bradley, 578 Logan Ave. Toronto, who read tea cups for many persons during the afternoon. Mrs. Bradley is an expert, and we appreciate her coming. It was plenty of work, but the results were gratifying as our treasury grew by over seventy dollars. The Boys Club and committee assisted greatly by distributing dodgers for collection of rummage and in helping to clean up and dispose of remaining goods. Sincere thanks to this group, and also to the North York Veterans Hall who co-operated so kindly with us in the use of their hall.

Highland Park Assoc. Executive The executive met with a group of volunteers for circulation of petition re lights, and set up their schedule of assignments. This petition will be presented to you in the near future. Sincere thanks to all who responded to this call. The public's co-operation with the petition bearers will be appreciated. Next regular monthly meeting of the association will be Monday, December 10, when elections for new officers for 1952 term will take place.

Women's Association

Plans are being made to hold a Christmas party for youngsters of the district and all proceeds from the home baking sale and bazaar table to be held on Friday, November 30, at Army and Navy Legion Hall, Stop 12C Yonge Street will be devoted to this endeavour. Your support and attendance at sale will be appreciated by ladies and children alike. Plan to attend some time during the afternoon from 1.30 p.m. to 4.30 p.m. Mrs. Johnson, president reports several calls on bowling teams but still is taking enrolments. Either Mrs. Johnson 634W or Mrs. McPherson 454J will be pleased to hear from you. Next regular meeting will be held on Thursday, December 6, at 8.15 p.m. at Powell Road School.

Boys Recreation Club

The regular weekly meeting was held on Thursday, November 22. Stamp collection was the order of the evening and 30 boys participated in swapping and mounting their stamps. Mr. J. Knowles gave additional pointers and suggestions to the boys. Mention was made of the splendid job the group of boys delivering the notices is doing. The committee agreed that the Home and School treat for these boys would be to attend a hockey game in the near future. Final plans were made for the hike to take place on Saturday, December 1, weather permitting. Next meeting on November 29, is clay modelling and boys are reminded to bring along clay, a hairpin and a sucker stick for tools. Also remember those crests. You know it's perfectly all right for dad to give suggestions and such on crest as long as the boy draws it up himself, so be sure to bring it in on Thursday. The sources of materials and helpers for hockey games is a little difficult and expensive, so anyone with any ideas or contributions for this work, please contact Mr. C. H. DeClerq, Thornhill 438J. It is a vital part of the boys' training and the committee is very anxious to get started.

Art Group

Mr. Green, instructor was very pleased to have full attendance at last lesson on Friday, November 23. The class continued with oil painting and some succeeded in completing their pictures. Next week November 30, oil painting will be continued and pupils can commence a new picture or complete those in making. Many of pupils have shown remarkable ability and all feel they are gaining much knowledge and enjoyment from classes.

Congratulations are extended to Susan Bell, 37 Woodward Ave., who celebrated her ninth birthday on Sunday, November 25. Susan did all right too, as she had a lovely birthday party for her young friends on Monday, November 26, as well. Everyone had a lovely time and enjoyed the delicious supper served by Mrs. Bell and Elizabeth, Susan's big sister.

Home and School

Powell Road Home and School Association held its regular monthly meeting on Monday, November 26, at the school, with Mr. Robt. Fisher, president, in the chair. Our guests for the evening were the boys and girls of Mr. Colvin's class, grades 5 and 6, under the direction of Mr. Hugh Martin, music director for the school area. It was a real treat to those present to see how a music lesson is conducted in the classroom. We are indeed fortunate in having a teacher like Mr. Martin for our children. Mr. Colvin introduced the honored guest and Mr. C. DeClerq thanked him on behalf of the Home and School. It was agreed by the members that a present of fifty dollars be given to the school for purchase of library books, etc. and also that a supply of china be bought for the association.

The meeting was opened and closed by the children singing "The King and O Canada. Refreshments were served to children and adults and a social period followed. Next meeting will be Christmas program with music and fun, so plan to attend everyone. Advanced night to December 17, the 3rd Monday, on account of the regular night falling on Christmas Eve.

Pictured above is Mrs. Lereine Ballantyne who will be featured at the Robin Hood Cooking School sponsored by the Evening Guild of St. Mary's Anglican Church. The school is scheduled to be held on the evenings of December 3, 4 and 5, in the Masonic Hall, Richmond Hill.

SEPARATE SCHOOL SUPPORTERS

We Solicit Your Vote For The RICHMOND HILL Separate School Board MONDAY, DECEMBER 3rd.

Let's Have Unity On Our Board - In Addition To Some Sound Thinking IF YOU HAVE A VOTE - THERE'S ONLY ONE WAY TO VOTE

JAMES B. KILLACKEY
Sales Manager

E. BRUCE McCONKEY
Chartered Accountant

What has our present board done about expansion? We all know the auditorium is being used as a classroom . . . and our school is only three years old. What has our present board done about this? As soon as Richmond Hill's population exceeds 2,500 people, our grant for new construction will drop to one-half of what it would be if we were to build new. We know that our present population is over 2,200, and the village has already plans to annex certain areas which the new council will do and bring us into the "high-cost spending" for an addition. That extra money is going to come out of your pocket unless you elect active trustees who will protect your child and your tax dollar. Intelligent planning and thinking is the only solution to our problem. We will help you do it, if you will give us the confidence of your vote.

Why Can't Separate School Supporters Outside Of The Village Sit On Our Board?

They should have the representation to which they are entitled. WE CONTENTEND it is within the province of the present board to permit this representation. WE PLEDGE, we will find out why they haven't let residents of our surrounding areas be represented on YOUR board. To do this we'll need your support.

If You Have A Vote Use It Monday . . .
Public School Auditorium, 8 a.m. to 7 p.m.
