

COST OF LIVING AROUND THE WORLD

The above chart is based on figures released by the International Labor Organization, one of the Specialized Agencies associated with the United Nations. The chart shows a comparison of the most recent 1951 figures available to ILO at Geneva with the figures for the corresponding period in 1950. In some cases, figures are complete through the month of March; others are for January or February.

"Elmer" the Safety Elephant has arrived at Carrville public school. A very impressive ceremony was held at Carrville school on Wednesday afternoon when Elmer, who never forgets was placed at his appointed place on the flag pole. Constables Ernest Bone and William Adams of Vaughan Township police force conducted the ceremony with Constable Bone doing most of the honors and giving the children a talk on the rules of safety. It was most fitting that Constable Bone performed this duty as he was a Carrville school boy a few years ago. Mr. Jerry Toner of the

Evening Telegram was present to take pictures. Miss Susan Fielding of Carrville, Miss Donna Perry of Maple and Bob Snider of Concord were chosen to represent their schools to receive the pennants. Mr. Stanley Wood of the School Board aid he hoped the kiddies would keep the flag flying; also Mr. Middleton expressed the same sentiments on behalf of the Home and School. Mr. A. Sohm, the senior teacher said he was very pleased that "Elmer" had come to Carrville and he would do his best to keep the children alert to try and keep the flag flying. Mr. Featherston, the junior teacher, expressed his sentiments and thought the children were very much aware of the rules of Elmer, who never forgets. Constables Bone and Adams and Mr. Jerry Toner were very busy men as they had ceremonies at Concord and Maple as well. So children of Carrville, Concord and Maple see who can keep the flag flying the longest. The safety rules are:
 1. Look both ways before you cross the street.
 2. Keep out from between parked cars.
 3. Ride your bicycle safely, obey all signs and signals.
 4. Play games in a safe place, away from traffic.
 5. Walk, don't run, when you leave the curb.

The many friends of Miss Annie Bone will be sorry to know she is ill, but hope she will soon be well again. Miss Bone is with her sister at Maple.

Sincere sympathy is expressed to Mr. Percy Hill and his family in the very sudden death of a loving wife and mother.

Vaughan Convention
 Mr. Robert Middleton, Miss Marion Middleton, Miss Evah Sheppard, Mrs. E. Lewis and Susan Lewis attended the 70th Vaughan Township Sunday School Convention at Thornhill United Church on Thursday, November 29. Mr. Middleton was elected president again for the coming year.

Congratulations to Kenneth Wood who baked a cake and entered in the baking competition. He received second prize at Richvale on Saturday.

Mr. and Mrs. Robert Waters, with Velma and Joyce of Toronto spent the week-end at the home of Mr. and Mrs. E. Perring.
