Although passenger revenue for October of this year of the North Yonge Bus Line again showed an increase — the operating profit of the line displayed a drop over the similar period in 1950, according to figures released last week by the T.T.C.

Passenger revenue for October 1951 was \$26,767.12. This compares with \$25,883.53 for October 1950, an increase of \$883.59 or 3.41 per cent. Passenger revenue for the first 10 months of this year shows an increase of \$11,302.65 or 4.60% when compared with the

corresponding period in 1950. Operating profit for October 1951 was \$520.95, compared with an operating profit of \$3,608.78 for October 1950, and for the first 10 months of this year an operating profit of \$14,978.24 compared to an operating profit of \$27,789.05 for the same period last year.

Operating expenses for October 1951 were approximately \$3,975.00 more than for October 1950, due principally to increased mileage, this increase in mileage resulting in improved service.

Col. G. Headley Basher, superintendent of Guelph Reformatory, and formerly superintendent of the Jail Farm at Langstaff, has been appointed deputy minister of Reform Institutions for Ontario, succeeding C. F. Neelands who is retiring.

The appointment is effective January 1, 1952, and the many friends of Col. Basher join The Liberal in extending congratulations.

Trio Arrested After Stolen Safe Found

Three arrests were made last Saturday night following the finding of an open and blown 500 lb. safe on the 3rd concession, King, in the ditch at the side of the north field of Eaton Hall, on Saturday morning. John Anderson of Temperanceville who is employed by the Township Roads commission discovered the safe as he was returning from loading his truck with sand from the sand pile on the 3rd concession. The safe was thrown three minutes before he came down the road for on his trip north to the sand hill less than a half hour previously it had not been there.

Upon notification, the Provincial Police identified the safe as one that had been stolen from the B.A. Garage in Markham on Friday night. The arrested men are Mr. John Gold Sr., Mr. Johnny Gold Jr. and Mr. Holland, father, son and son-in-law of the 6th concession, King.

Jack Fraser Of Concord Has Winning Guernsey

A Bronze Certificate has just been awarded to Kelmar Lulu's Gem, a purebred Guernsey owned by Jack Fraser of Concord for the production of over 2500 lbs. of butterfat. This feat usually takes five or six lactations but Gem made it in four, with two of them 305 day records. Her last record of 858 lbs. fat placed her in the three times a day Honor Roll for Mature Cows and her present record gives her 2587 lbs. fat in her first four lactations, for an average of 646.7 lbs. fat in each lactation.

Kelmar Lulu's Gem is classified Excellent and was Grand Champion of Markham Champion Show and the Royal Winter Fair in 1949. Harold Clapp is the manager of Fraserdale Farms and with his capable herdsmen is making many good records in the Fraserdale herd.

TEMPERANCEVILLE NEWS

CORRESPONDENT: MRS. ED. PAXTON, R. R. 3, KING
Phone King 3R11

W. I.

The December meeting of the W. I. of Temperanceville met at the home of Mrs. Wilbert Jennings. The roll call which was answered by "your favorite carol" brought forth many beautiful Christmas carols with "Silent Night" the one named most often. Twenty-five dozen oranges were given by members to be taken to the York County Home. Approximately four dollars was donated by those not giving oranges, toward a gift for a convalescent in our community.

Mrs. E. Phillips gave a report on the social committee, in which she stated that the sum of \$31.60 had been realized from the two evenings of entertainment in the school house this season. The next euchre will be held on January 8.

Christmas cards are being sent on behalf of the W.I. by members, to a number of persons whom the group wished to especially remember at the Yuletide season.

It was a great pleasure for the ladies of the W.I. to have as their guest speaker Rev. M. R. Jenkinson of King, whose Christmas message will long be remembered by those who attended. Rev. Jenkinson said parents might be inclined to consider a child destructive when it chooses to tear apart a watch or a flower when actually the child is gaining in experience and wisdom in growing up. Too often we are forgetful of things past which we as adults would do well to remember. Christ is the heart of Christmas and should be thought of as such in this much commercialized season.

During Christmas we as adults would do well to create the trait of wonder which is the trait of children. Jesus said "unless ye become as little children ye will not enter the realm of God." One must cultivate in ones heart the gift of wonder and return the simple things of life in order to fully appreciate the wonders of God.

In closing Rev. Jenkinson urged all to keep the blessed gift of childlike wonder and enjoy Christmas along a childlike road.

Mrs. Nelson Thompson expressed the sincere appreciation of the group to Mr. Jenkinson for his beautiful message.

Mrs. Jennings had the dining room table centred with a little Christmas tree in full decoration. Under this were placed the gifts which the members had brought for the exchange of gifts. The gifts, not exceeding 50c were many and varied, from which the recipients received many pleasant surprises.

A delicious lunch was served by the hostess and the lunch committee, Mrs. Fred Hare, Mrs. Herrima and Mrs. C. Robinson.

Sunday Service

Miss Shirley Hare and Mrs. W. Hudson took special parts in the beautiful anthem sung by the choir Sunday evening. Special Christmas music will be supplied under the capable leadership of Mr. S.

Dickey for Christmas Sunday.

Mission
Appreciation is extended to all those who so generously brought a White Gift for the Fred Victor Mission. We especially wish to thank the children of the Sunday School who contributed the largest number of gifts in many years.

Young people of the United Church will omit their meeting on December 21 but will meet on the following Friday evening at 7.45 p.m., December 28.

The smoking group met at the home of Mrs. Roy Bowen on Thursday evening, December 13. The next meeting will be held at Mrs. J. Walker's on January 10.

Congratulations to Mrs. J. Levison who received second prize in a guessing contest on a display of beautiful roses at the Royal Winter Fair. Mrs. Levison will receive a dozen roses each week for four consecutive weeks.

We are sorry to hear of Mr. W. Harper's illness and hope he will be much better by Christmas.

Mrs. Giles Kerswill received serious injuries when struck by a car on Yonge Street Sunday morning. Mrs. Kerswill was taken to the Toronto General Hospital, where an operation had to be performed. Her daughter, Jennie, of Sarnia, is with her mother.

The Anglican W.A. are holding the supper for the Sunday School on December 27.

A very Merry Christmas to all our readers, to those who are ill a speedy recovery.
